

Doubting God's Existence

Doubting God's existence in the End Time

BD No. 4069 of 06/25/1947 taken from book 50

God the Father is speaking: "It requires an exceptionally keen intellect to scientifically prove that God's existence can be doubted or denied. And the attempt will be made to solve this biggest problem by scientific means, the question: Does God exist? That humanity is deliberating this most important question is also a sign of the end time, but far more in a negative sense, since people are willing to partake in this controversial issue and its line of argument because their faith, if it exists at all, is very weak and the slightest reason suffices to shake it.

Does God exist? No question is more important, and providing it is asked seriously by seeking people I Am prepared to enlighten them so that the seeker will be truly satisfied with the knowledge he receives and which he now also confidently upholds. However, if the question is not raised by seekers but by people who think they know better, who only accept the answer which suits them, and who do not want to prove that I Am but that I Am not, they will never arrive at a truthful result, in spite of sound evidence. They already belong to the opposing power which wants to take over the reign itself and push Me aside. And this is the beginning of the end, because according to the law of eternity I will strip My adversary of his power as soon as he oversteps his legitimate limit, which will be the case when he attempts to displace Me entirely from people's thoughts.

The battle for Me will be harsh, impressive words intend to convince My Own that they are chasing after a figment of imagination, all religious dogmas and doctrines will be pulled to pieces and not entirely steadfast people will gradually suffer defeat, because the adversary knows how to use his words effectively. And since the majority of people lack knowledge, since they are spiritually blind themselves, they cannot detect the adversary's inaccuracy, but they cannot look for and find the truth within themselves either. And they will falter and fall if they do not join Me in the last hour, if they do not (in the last hour) ask Me for clarification which I very gladly grant to anyone who asks, providing he is of good will and wants what is right and truthful. But anyone who trusts in himself, who wants to solve this most important problem intellectually as well, will get lost in the darkness because he is chasing a deceptive light, he believes the convincing words of worldly scholars and admires their keen intellect and conclusions, and he will abandon Me and condemn himself.

Because I know of this conflict since eternity, because I want to help the weak as well as those who are looking for Me, I Am bringing them the truth in advance. And anyone who applies this truth, who becomes worthy to receive it and voluntarily aspires for it will outshine the keen intellect of worldly scholars, he will become knowledgeable, he will receive the ability to reason, his spirit will become enlightened, and nothing will be able to take away his faith, his conviction, because he is taught by Me Myself and has the evidence that I Am and that I want to win all My living creations for eternity. And he will remain loyal to Me until the end."

Existence of God - Worldly scholars - Heart and intellect

BD No. 4541 of 01/15/1949 taken from book 52

God the Father is speaking: "The worldly scholar often finds it difficult to believe in a Deity because his intellect is forced to conclude otherwise due to knowledge which, however, does not entirely correspond to the truth. Simply a mistaken view concerning the evolution of the earth leads to wrong ideas, and then it is difficult to acknowledge an eternal Creator, a Being which could certainly be recognized by its expression of strength, but whose recognition is usually not wanted. Science attempts to prove everything. However, where this is not possible it does not admit its inability but simply refuses to acknowledge what is outside the scope of its research. And thus, it is based on a wrong concept, and the path to the eternal Deity is ultimately very difficult to find, even if the will to do so exists.

All kinds of research activity should start by revealing God's existence, which admittedly cannot be proven but which can be believed with complete inner conviction. Such research will then progress quickly and successfully. But to achieve this certain belief the human being, in spite of his keen intellect, has to disregard the latter for the time being and dedicate himself to the feeling of his heart, he has to leave all science to one side and, like a child, allow himself to be taught from within, i.e. he has to accept what his feeling imagines or wants as the truth. Effectively, he has to dream with open eyes. Then he will always find a Deity, who directs and guides everything, and he will know that he is supported by it.

A human being's innermost desire is and remains a strong power above himself; however, worldly intellect attempts to stifle this because it is also spoken to by the one who wants to supplant the Deity but who is unable to enter the human heart and instead attempts to influence the human intellect all the more. *God expresses Himself through the heart; his adversary expresses himself through the intellect, unless the heart is stronger and persuades the intellect to be on its side.* In that case it is also possible to recognize God intellectually, heart and intellect will aspire to the eternal Deity and then science will also build on a different foundation, it will draw different conclusions which will definitely not be false ones. Because once an investigation with belief in a Deity begins it will sooner or later achieve success and also come close to the truth, irrespective to which field it is applied. Then science and belief will no longer contradict but merely complement each other, and only then will knowledge be free from error, when it is in harmony with the belief in God as an omnipotent, wise and loving Being which governs everything that was, is and remains in eternity."

God's Message to Rationalists - Deniers of God

BD No. 5744 of 08/11/1953 taken from book 62

God the Father is speaking; 'I want to speak to those who are not yet able to make the right decision, who are not unwilling to believe and yet cannot acknowledge Me with conviction either; to those who oppose the knowledge which My representatives on earth want to make accessible to them with their intellectual knowledge, to those, who first want everything proven to them and believe that they can understand or refute it with their sharp intellect. Their

knowledge kills the spirit. What is described as higher truth, what cannot be proven in an earthly sense, because compulsory faith may not be exercised in earthly life, cannot be fathomed scientifically and even the sharpest human intellect is no guarantee for correct thinking on the spiritual level. I want to put this question to you humans: in which category of the works of creation do you place yourselves? Don't you realize that you are the only thinking and reasoning beings, whereas all other works of creation are unable to exhibit this thinking ability and freedom of thought?

From this alone you can conclude that you were created by a Power which is equally capable of thinking, which is merely infinitely powerful, for despite your faculty of thought you are incapable of creating living beings with the same faculty of thought. You cannot quote your offspring as evidence, since you do not create them yourselves but merely fit in with existing natural laws which also provide you with evidence of a lawgiver. Consider furthermore: Is a 'natural force' capable of thought? That is, is it able to bring beings into existence whose organism testifies of supreme wisdom? Would this natural force itself not have to be recognized and acknowledged as a Being with an ability of thought and will and thus be able to create and give life to expedient forms? And is the work of creation not sufficient evidence in itself even for the most intellectually astute philosophers? Indeed, would you be able to substantiate the 'non-existence' of a Being, would you even be able to vaguely quote a comparison as evidence that a force brings forth orderly creations unless this force meets its match in a human being's will?

Let a force become uncontrollably active and you will have a dreadful experience, but you will not be able to produce creations whose expedience and order you can admire. Thus, by virtue of your intellect alone you are able to acknowledge a Supreme Being which you have to regard as the Creator of eternity. It truly does you no honor that you want to deny this Being, that you merely want to explain His activity, which is visible to you in His creation, as the effect of an unguided force, that you thus want to base the emergence of creation on an unconscious and blind process. Such an explanation is truly no evidence of a correctly employed intellect, on the contrary, it is a defiant evasion which you are looking for because you do not want to acknowledge a God, for even with just a weak will both possibilities are considered first, and then a person will rather decide to accept than to reject a spiritually tangible Power which reveals itself in creation.

If you humans knew the serious effect a rejection, a denial of a spiritually tangible Deity has on your soul you would also understand why I want to enlighten you, why I want to stimulate you to seriously think about it so that you will give your misguided thoughts the right direction of your own accord, so that you will be able to believe what seems unacceptable to you as long as you just make one-sided judgments, as long as you believe that you can intellectually ascertain the truth. But the belief in a God and Creator is necessary in order to make a connection with this God and Creator. And this connection with Him is the real purpose and goal of earthly life, otherwise you would truly not have been allowed to embody yourselves on this earth, which was only created for the purpose of My living creation being able to re-establish the unity with God which he once had voluntarily severed. If, however, you deny a God then it means that you are still very distant from Me, it signifies renewed opposition to Me of your own free will, which will incur a dreadful fate in the beyond or a repeated banishment into matter when the end of this earth has arrived. Therefore I would like to address you and encourage you to think it through before it is too late, and even if your earthly knowledge is extensive, you will with certainty penetrate far more profound knowledge if you entrust yourselves to the One Who has

created you and Who wants to be recognized as your God and Creator of eternity in order to then helpfully assist you."

Countless Evidence of God

BD No. 7624 of 06/17/1960 taken from book 80

"Whoever has seen Me has seen the Father"

God the Father is speaking; "I make it easy for you to believe, if only you wanted to, for I furnish you with such obvious evidence of Myself and My working so that you would easily be able to recognize Me and consequently could also gain a convinced faith. I give evidence of Myself through creation, through everything surrounding you. ***And I give evidence of Myself through My Word which rings out to you from above and is conveyed to people who are willing to believe. For the will to do so must be present first, then the human being will also be able to believe. The will to believe opens his eyes, ears and heart, and he will be able to see, hear or perceive countless pieces of evidence of My existence, because I will reveal Myself to a human being of good will, because I will come close and make Myself known to him. Hence no person can say that it is impossible for him to believe, but it is merely a lack of willingness, and no human being can be compelled. In that case his will is still utterly opposed to Me, for the denial of a Deity is proof that the person is still totally entrenched in the original sin, that he has not abandoned his past opposition to Me, and then his will cannot be forcibly broken either.***

Even so, I constantly try to attract his will during his earthly life by repeatedly revealing Myself to him in the most diverse ways, so that he can always recognize Me by merely changing his will. Faith in Me can be gained by every person, because he lives in the midst of My creation and the works of nature frequently affect him, which he only needs to think about. Admittedly, an opposing will always try to find different explanations about the miracles of creation rather than the existence of a spiritually tangible Creator of eternity; yet as soon as his own will becomes less important other thoughts will be able to arise in him and he can consider it possible for a higher Power to be the Originator and Controller. And I will always endeavor to influence the human being such that he can achieve this realization.

During the last days before the end faith will continue to dwindle, and even My revelation will not achieve very much, precisely because of people's will, which cannot be coerced. However, I will not stop speaking to people from above, because My Word has the strength to change a person's thinking if he allows it to take effect in him. For it does happen, albeit only rarely, that complete unbelievers hear or read My Word and feel touched by it. However, every soul is important to Me and I will not slow down trying to attract each individual soul. And by way of fate, I also cross the path of people who do not want to believe, by allowing them to meet with serious difficulties so that they can turn to

an overwhelmingly powerful Being with an appeal for help. Yet I must always grant complete freedom to their will and therefore I can only ever aim to influence this will, which indeed will be done by My love and mercy for as long as the human being lives on earth."

Negative Results of Misguided Teachings

BD No. 6710 of 12/09/1956 taken from book 72

God the Father is speaking: "Only in truth is light. And thus people who have been misguided by incorrect teachings cannot find any coherence.

It is dark within them, and in this darkness, it is impossible for them to see My image properly, they are given a distorted image of Me and therefore cannot love Me properly either. In fact, they only fear Me as a God of vengeance and punishing judge, whereas the pure truth from Me unveils an image which attracts them, which awakens love within them because it portrays Me as I Am: a God of love, a Father to His children, a Lord, to Whom all His servants are devotedly loyal. If people loved their God and Father they would not sin, they would forever aim to carry out My will and thus live a life within divine order. And if people were only ever given the truth, they would also love Me. But what is the situation in the world?

Humanity's spiritual low, its heartlessness, proves that human beings do not live in the light of the truth, thus wrong doctrines about Me and misguided thoughts have been imparted to them, otherwise they would not be able to live in this darkness. But people are not even able to accept the light of truth any longer, their blindness is so severe that no ray of light can penetrate it, and that therefore the truth can no longer be recognized either. My adversary has succeeded in making the night so dark in a manner that a person can rarely find the morning light. And yet this seemingly impenetrable night will also be lit by flashing lights, and time and again human beings are shown the way which leads through the darkness into the light of day. And even the totally blind are given guides who offer their help. And all it takes is a little good will.

But where the will is missing not much can be achieved, however, all human beings will be confronted with the image of their God and Father of eternity sooner or later i.e. every human being will be offered the truth one day and I will be portrayed to him as I Am in reality, as a perfect Being, as love, wisdom and power. And every human being can accept this image of Me within himself and repeatedly reflect on it, and it will consistently appear to him clearer and brighter and not vanish from his thoughts again. But he can also look away in indignation, then the deepest darkness will remain in his heart and the truth offered to him will not touch it.

The importance of My distorted image in relation to human development is clearly evident in the low spiritual level of people, because human beings would never have fallen so low if they had always been offered the truth, with the right doctrines they would never have been able to move so far away from Me, which has already happened due to misguided teachings. Because belief in Me has gone astray in those who were willing to believe but who felt repelled by misguided teachings and who did not request the correction, the truth, from Me Myself, since they found it difficult to believe in the kind of Being they were taught about.

Misguided teachings are My adversary's weapons, and they are always directed against Me, thus they are also very useful in destroying faith in Me, which is My adversary's intention. And thus, the reason for the prevalent atheism has to be looked for in the distribution of erroneous spiritual knowledge, in the distortion of My image which has been

given to people. And only pure truth can portray Me to people in such a way that they will be able to love Me and once again establish the right kind of relationship with Me. Only the brightest light can disperse the darkness, but only if people themselves open their eyes in order to see."

Wrong Image of God - misguided teachings

BD No. 8035 of 11/07/1961 taken from book 84

God the Father is speaking: "What kind of distorted image of My Being do you get when I Am portrayed to you as a God of wrath and vengeance, as a strict judge without mercy, who only punishes and condemns and never shows mercy. You can only be fearful of such a God, you will be obedient to him because of fear, you will also observe his commandments only for fear of punishment, but you can never love him in the way I want to be loved by you. Consequently, as long as you are presented with such an image of Myself you are not walking in truth, you are still in spiritual darkness and will hardly achieve your goal to find unification with Me. Because only love can achieve this, and you can hardly feel love for a Being that is presented to you in such a way. I, however, want to win your love, only your complete trust will do, I want to be recognized by you as a faithful Father Who wants to be closely linked to His children because of love. And that is why you must also have the right image of Me, you have to be given the truth about My Being Which is love, wisdom and power in Itself. Which is supremely perfect and which you can love in return when you feel embraced by My love, which eternally is intended for you.

You can only fear a God who punishes you when you have offended, you cannot love him. I, however, don't punish you but only ever help you to escape your sinful state and bestow you with strength and mercy to achieve it. And I will never cast into the abyss what has become sinful, I will never condemn it but always attempt to lift it from the depth because I take pity on it since it has taken the path into the depth itself. And all methods which I use to lift again what has fallen, what has become sinful, are evidence of My love and not acts of punishment which are incompatible with My infinite love. You need never believe teachings which portray Me as an avenging and punishing God. And therefore, you may certainly reject the teaching of eternal condemnation because I never condemn a living creation, but it has desired the depth of its own free will and eternally I only want to release it from the depth again. However, that My justice may not be abolished should explain to you that I cannot give happiness to a being which has voluntarily distanced itself from Me and desired the depth.

But when you think of Me you should always regard Me as a benevolent, exceedingly affectionate Father Who is always willing to give you His love but Who, due to His perfection, cannot act regardless of eternal order. Nevertheless, the path to Me is always available to the being. Even those who have fallen to the lowest point need only longingly stretch their hands out to Me and I will take hold of them and lift them up because My love and My mercy are so great that I overlook every guilt if the being surrenders to Me voluntarily. Then I can delete the guilt, because for that reason I had shed My blood in the man Jesus, thus the guilt has been paid for as justice demands. And if My Being is described to you in all truthfulness, you will not find it difficult to take the path to Me voluntarily.

But you will give little love to a God Whom you must fear and thus the pure truth has to be given to you, spiritual knowledge which gives you clear information about Me, your God and Creator, who wants to be your Father. Because misguided teachings cannot

lead you into happiness. Consequently, they have to be denounced since they originate from My adversary who wants to keep you in darkness of spirit, who will do anything to prevent you from finding your way to Me, who places fear of Me into the human hearts to stop love from appearing which unites the child with the Father. I, however, want your love and will therefore repeatedly bring you the truth about Myself and My Being, and you will be happy when you live in the truth."

And I give evidence of Myself through My Word which rings out to you from above and is conveyed to people who are willing to believe.
