The Teachings of Jesus

Become an Apostle of Truth

Truth only comes from God and before the world can come to an end, as we know it, the truth must be revealed. How will this be done? The Lord will accomplish this by using his prophets; the same way He used the prophets in the Old Testament which also contains the Book of the Prophets.

This work presents the teachings that were given, by the Lord, to the prophets of our time that are located throughout the world. When these teachings are brought together, they present a clear picture of the events that will lead us to the return of Jesus in Glory and the end of a period of salvation.

Jesus is speaking: "All the strands of this Mission are being drawn together to form a pattern. Then, when the various parts are linked and fitted together, like the pieces of a jigsaw, when all the pieces begin to merge, the final picture will become clear."

Ref: MDM message Jan 24, 2014

The 'final picture' has been assembled and presented in the twelve volumes of the Alpha and Omega of Creation Series

Become an Apostle of truth by passing on the Lord's teachings to family and friends. The Lord has revealed the past, the present and the future. You can't even begin to comprehend His love for you unless you understand the very beginning, only then will you understand who you really are and how great is His love for you.

In Honor of the Holy Spirit

May the Holy Spirit descend upon you and fill you with love and wisdom, as you journey through space and time, to discover the wonders of creation as the Father reveals His Divine Plan for mankind. May the Magnificat of the Blessed Mother's "yes" be your "yes" as you open your heart and mind to receive knowledge, truth, and understanding that only the Holy Spirit can give.

"When the Paraclete comes, the Spirit of truth who comes from the Father – and whom I Myself will send from the Father – He will bear witness on My behalf. He will guide you to all truth."

(John 15, 26-27; 16:13)

The Spirit of Truth Prayer

Holy Spirit baptize me with the fire of your love. I have surrendered to you the best of my ability, and now I want to activate Your Spirit of Love within me. I need Your power in my life. Please fill me now. I believe that as I yield and ask, You will release Your strength, wisdom, healing, and love to meet the needs of the hour. Work in me in a powerful way. I want every purpose God has for my life to be fulfilled, and I need you, mighty Spirit of God, to bring that purpose to fulfillment. Release Your Spirit within me, Amen.

They shall all be taught by God

Knowledge – Satan’s Century

Knowledge/Progress

Knowledge has certainly increased within this generation almost beyond imagination! In fact, according to research studies, the total store of human knowledge is now doubling every eight years. Eighty percent of all the scientists who have ever lived are alive today.

Every minute they add 2000 pages to man's scientific knowledge, and the scientific material they produce every 24 hours would take one person 5 years to read. Nearly a half-million new books are published every year.

When Apollo 13 was lost in space, computers worked out in an hour and a half a way to bring it back. It's reported that it would have taken a scientist working with pencil and paper over a million years to figure out how to perform the same feat.

But even since 1970 computer technology has developed so fast that if the auto industry had developed at the same rate, you would be able to buy a Rolls Royce for three dollars! And you could fit eight of them on the head of a pin! The most basic building block of computer technology, the transistor, was invented at Bell Labs in 1948. In 1994 a computer chip could hold 3.1 million transistors, more than twice as many as the previous year's model. By the end of the decade, a chip will contain more than a billion transistors. Machines today have become so complicated, only the most highly trained technicians can even understand them!

But have all these amazing scientific discoveries and technological breakthroughs made mankind any happier or more civilized? It seems like the more

gadgets and luxuries with which man tries to find happiness and satisfaction, the more discontented and miserable he becomes!

In our day and age "knowledge" has certainly "increased." But although the so-called "developed" countries such as the U.S. claim to have the most "advanced" and expensive educational systems the world has ever seen; they have saturated themselves with so much violence and immorality that they have created their own culture of Death!

Earthly Knowledge

BD No. 5331 of 03/07/1952 taken from book 59

Jesus is speaking: "All earthly attained knowledge will be of no use to you, for it will only adhere to you for as long as you live on earth. When you enter the kingdom of the beyond, you will lose all memory of it if you have not spiritually acquired a degree of maturity which makes you suitable for the kingdom of light, where you are brightly and clearly aware of everything and, in an urgent situation, will also be able to make use of the earthly knowledge you retained. Yet an unbelieving soul departing from earth is in a pitiful position, for the more earthly knowledge it possessed the more aware of its wretched state of lacking all knowledge it will then become, of remembering little or nothing at all and of being unable to show off in any way. Such souls also frequently lack the recollection of their living conditions on earth and only regain their memory if they make an effort to ascend, to reach the light. But then such a soul will also be extremely grateful for every illumination and thereby realize its state, its omission on earth and also often its guilt. You are repeatedly informed of the fact that you create your own fate in eternity on earth, that you should beware of striving for earthly wealth, fame and honor and excessive earthly knowledge on earth, because all this is transient, Earthly knowledge will not protect you from spiritual darkness; on the contrary, earthly knowledge can greatly contribute towards darkening your spirit, this should always be a warning to you, for it will be difficult to gather knowledge in the spiritual realm for a soul which had previously never been receptive for that which the spiritual kingdom wanted to offer it, because it had made itself incapable for receiving spiritual knowledge.

Yet a soul in possession of spiritual and earthly light can work with it exceedingly effectively in the spiritual kingdom, for it will also be able to help people on earth with advice in their earthly difficulties and make use of its earthly knowledge where it is needed. The souls of darkness are also often influenced by forces from below to express themselves and to come to the fore with their apparent knowledge, yet in that case it is not the soul itself but the dark forces expressing themselves through the soul which are deliberately trying to spread error amongst people in order to confuse their thinking in favor of the dark power. This is the reason why connections from earth to the spiritual realm are detrimental if the spiritual conditions are not present so that spiritually striving people consciously contact the world of light if they want to be instructed and through prayer for protection from error and evil beings don't give dark forces any opportunity to express themselves. Only beings which are enlightened themselves are able to distribute light, and these beings should be consciously called upon. And they will gladly share their knowledge and give it to those people who want to receive

spiritual wealth, because this alone is valuable and everlasting and because this is all the soul can take with it into the spiritual kingdom.”

Science/Knowledge

PMG-2: 729, MVN 1943:258,298

Jesus is speaking: “Human science is vanity because to increase human knowledge only is anguish and affliction of the spirit and he who multiplies science multiplies such anguish: I solemnly tell you that it is so. And I also tell you that it would not be so if human science were supported and bridled by supernatural wisdom and the holy love of God.”

Knowledge: “It is useless to speak of political power and of the earth. No. If anything, you can apply to the former the name of human Power and to the latter that of human Knowledge. And if Power by itself produces rebels, Knowledge, when it is only human, corrupts without producing rebellion and leads a boundless number of initiates to perdition. How many are lost through mental pride causing them to scorn the Faith and kill the soul with pride, which separates them from God! For if I will reap the harvest of the earth on the last day, there is already a reaper in your midst. And it is this spirit of Evil, who cuts you down and doesn’t turn you into ears of eternal grain, but into straw for the dwelling places of Satan.

One, one science alone is necessary. I will repeat a thousand times: to know God and serve Him, to know Him in things, to see Him in events, and be able to distinguish Him from his adversary so as not to fall into perdition. Instead, you are concerned about increasing human knowledge to the detriment of superhuman knowledge.

I do not condemn Knowledge. Rather, I am pleased that man should deepen the insights he has gradually been building up by knowledge, so as to be able to comprehend increasingly and admire Me in my works. I have given intelligence for this. But you must use it to see God in the law of the star, in the formation of the flower, in the conception of a being, and not use intelligence to violate life or deny the Creator.

Rationalism, Humanism, Philosophism, Secularism, Naturism, Classicism, Darwinism - you have schools and doctrines of all kinds and are concerned about them all, no matter how much Truth is very distorted or suppressed in them. You do not want to follow and deepen knowledge of the school of Christianity alone.

A natural resistance, moreover: In deepening knowledge of religious culture, you would be obliged either to follow the Law - and you do not want to do so - or to confess openly that you want to trample upon the Law. And you don’t want to do this either. You thus do not want to become learned in supernatural Knowledge.

But poor fools! What will you do with your little schools and your little words when you must take my examination? You have extinguished the infinite light of true Knowledge in yourselves and have believed you are illuminating your souls with substitutes for light, just like some poor madmen seeking to put out the sun by making a lot of little lamps into a new sun. But even if mist hides the sun, the sun is always in my firmament. But even if with your doctrines you create mist concealing

Knowledge and Truth, Truth and Knowledge always exist, for they come from me, who am eternal.

Seek true Knowledge and you will understand Knowledge as it should be understood. Free your souls of all the artificial superstructures and lift up the true Faith therein. Like spires of a spiritual cathedral, Knowledge, Wisdom, Intellect, Fortitude, Humility and Contenance, will bloom thereupon, for the true sage knows not only what is humanly knowable, but knows what is hardest of all: how to master himself in the passions of the flesh and make his lower part the pedestal to lift up his soul and launch his spirit towards the Heavens, to meet Me, who come and am in all things, and who love to be the true and holy Master of my brothers and sisters."

Jesus is speaking: All knowledge that does not come from a soul in grace – and is not in grace who is against God’s Law, which is very clear in its commandments – such knowledge comes from Satan. Ref: MV Vol. 1:56

Existence of God - Worldly Scholars - Heart and Intellect

BD No. 4541 of 01/15/1949 taken from book 52

God the Father is speaking: "The worldly scholar often finds it difficult to believe in a Deity because his intellect is forced to conclude otherwise due to knowledge which, however, does not entirely correspond to the truth. Simply a mistaken view concerning the evolution of the earth leads to wrong ideas, and then it is difficult to acknowledge an eternal Creator, a Being which could certainly be recognized by its expression of strength, but whose recognition is usually not wanted. Science attempts to prove everything. However, where this is not possible it does not admit its inability but simply refuses to acknowledge what is outside the scope of its research. And thus, it is based on a wrong concept, and the path to the eternal Deity is ultimately very difficult to find, even if the will to do so exists.

All kinds of research activity should start by revealing God’s existence, which admittedly cannot be proven but which can be believed with complete inner conviction. Such research will then progress quickly and successfully. But to achieve this certain belief the human being, in spite of his keen intellect, has to disregard the latter for the time being and dedicate himself to the feeling of his heart, he has to leave all science to one side and, like a child, allow himself to be taught from within, i.e. he has to accept what his feeling imagines or wants as the truth. Effectively, he has to dream with open eyes. Then he will always find a Deity, who directs and guides everything, and he will know that he is supported by it.

A human being’s innermost desire is and remains a strong power above himself; however, worldly intellect attempts to stifle this because it is also spoken to by the one who wants to supplant the Deity but who is unable to enter the human heart and instead attempts to influence the human intellect all the more. God

expresses Himself through the heart; his adversary expresses himself through the intellect, unless the heart is stronger and persuades the intellect to be on its side. In that case it is also possible to recognize God intellectually, heart and intellect will aspire to the eternal Deity and then science will also build on a different foundation, it will draw different conclusions which will definitely not be false ones. Because once an investigation with belief in a Deity begins it will sooner or later achieve success and also come close to the truth, irrespective to which field it is applied. Then science and belief will no longer contradict but merely complement each other, and only then will knowledge be free from error, when it is in harmony with the belief in God as an omnipotent, wise and loving Being which governs everything that was, is and remains in eternity."

Science and the Universe

MV-N 1943:258,298

Jesus is speaking:
"Many souls are lost because they want 'to seek what is above them, and what is above their capacity for inquiry.'

It's the ancient venom. Man, always had, and has, unhealthy forms of curiosity and acts of sacrilegious profanation. He wants to spur his inquiry

into regions which divine wisdom keeps wrapped in mystery, not through a jealous power, but out of far-sighted love. Woe if man were to know everything about the future and the secrets of the universe! You would no longer have spiritual peace and natural peace. Leave untouched areas of the universe whose possession would give you weapons to disturb your existence as individuals and as spirits more and more.

I have already stated that I am not opposed to the works of human intelligence. If I were, I would have to say that I am inconsistent with Myself, for I have given man the intellect for him to use it and not for him to keep inactive. However, through the mouth of Wisdom, I say, 'Do not want to be curious scrutinizers of the works of God; do not seek to go beyond the confines which I have set to separate your power from powers stronger than yours, from cosmic laws, from secrets of natural forces, and, above all, from mysteries of the hereafter whose truth and whose life I alone have the right to reveal to you, for I am the Lord of all things, whereas you are only the guest of this poor earth and do not know what is reserved for you beyond life on earth.'

Believe in the other life. It is enough to believe in this. It is not necessary for you to know more."

They cause ocean currents so that you are unable to approach their stations. Under your cities there are other cities with all sorts of medical and military laboratories where they keep millions of missing persons as slaves and catastrophes and wars are opportunities for recruitment, without anyone noticing. ***Their aim is to reduce the world's population to the minimum necessary for them, so you work for them and are better controllable and manageable because they want Planet Earth only for themselves. And even if everything I have told you disgusts and bewilders you start to see, through this torn veil.***

Now you understand better why purification is inevitable. 'These beings have to leave' and leave space for the children of God, to my children that love me. So be not afraid, regardless of what is said because I treasure you like the apple of My Eye and the Angels, the real ones, who have always protected you be it those who are embodied and perform holy duties on Earth be it those who are disembodied and are pure spirits that guide you and support you."

Globalists Won't Stop Hacking Humans - The Internet of Bodies

Analysis by Dr. Joseph Mercola Fact Checked, November 21, 2022

[Internet Of Bodies | The End Of Privacy - YouTube](#)

STORY AT-A-GLANCE

1. Digital identity, digital twins, programmable central bank digital currency, a social credit system, human augmentation, and the Internet of Bodies (IoB). These are all part of the dystopian future being rolled out by the globalist cabal as the "solutions" to the world's problems

2. According to transhumanist propaganda, everyone will benefit from human augmentation. In reality, transhumanism is a eugenics program, differing in name only
3. The post-human society envisioned by transhumanists will have no use for billions of people. Since a vast number of jobs will be eliminated and replaced by robots and artificial intelligence, the transhumanist plan requires depopulation
4. A global totalitarian regime will not accept the responsibility to feed, house and provide universal basic income and health care to billions of people who aren't useful. The logical solution is to exterminate the nonproductive and transform the rest into obedient cyborgs imprisoned within the loB 5G ecosystem
5. The depopulation requirement of the transhumanist utopia may be why nations refuse to address the extraordinary lethality of the COVID jobs
6. Digital identity, digital twins, programmable central bank digital currency (CBDC), a social credit system, human augmentation and the Internet of Bodies (IoB). These are all part of the dystopian future being rolled out by the globalist cabal as the "solutions" to the world's problems.
7. Transhumanism has long been sold as a way to make us healthier and, eventually, immortal. Today, it's being promoted under The Great Reset banner of "equity." The propaganda is that everyone will benefit from human augmentation, from the richest to the poorest. In reality, transhumanism is a eugenics program, differing in name only.

Transhumanism Requires Depopulation

Anyone who thinks the globalist cabal, the wealthiest people on the planet, intend to allow "useless eaters" who gobble up "their" resources to live even longer than we do already is sadly mistaken. They have no such intent. All that talk of "health equity" is a smoke screen, a carrot, to lure people into going along with their plan for what will ultimately be the extermination of billions.

Some within this cabal, World Economic Forum (WEF) adviser Yuval Noah Harari being a notable example, are openly talking about the elite's plan for a post-human society, which is precisely what it sounds like.

A world without real humans. A world where everyone is augmented with (and in the case of the lower class, controlled by) technology. A world without belief in a higher power than the programmers and inventors themselves. A world where robots do most of the labor, artificial intelligence makes most of the decisions, and augmented humans run the programming.

A world like that has no use for billions of people. In one interview, Harari discussed the Fourth Industrial Revolution (another term for transhumanism), noting that we're now learning to "produce bodies and minds" (meaning augmented bodies, and cloud- and artificial intelligence-connected minds) and that one of the greatest challenges we face will be what to do with all the people that will become obsolete in the process.

The answer, Harari proposed, may lie in "a combination of drugs and computer games." I don't believe him for a second. Drugs and computer games have certainly been tools to distract and control the younger generations, but the future they're envisioning has no room for nonproductive members.

The depopulation requirement of the transhumanist utopia may be why nations refuse to address the extraordinary lethality of the COVID jobs.

I don't see a global totalitarian regime accepting the responsibility to feed, house and provide universal basic income, health care and drugs to billions of people who aren't useful to them in some way. No, the logical solution would be to exterminate the nonproductive and transform the rest into obedient cyborgs imprisoned within the Internet of Bodies 5G ecosystem.

COVID Jobs Serve a Greater Purpose

I believe the depopulation requirement of the transhumanist utopia is why just about every nation on the planet is refusing to address the extraordinary lethality of the COVID jobs.

Disability and life insurance claims have skyrocketed. Birth rates have plummeted, and miscarriages and excess mortality are through the roof, yet everyone keeps pushing the COVID jobs. It appears these effects are intentional, and the only way to make sense of this chilling reality is to understand that depopulation is a necessary element of the transhumanist agenda.

There are to be two classes — the augmented “have it all’s” and the controlled subclass. Augmentation of the subclass will be for control measures only, and that will probably include the ability to terminate the life of anyone perceived as having outlived their usefulness within the system.

We're Living in a Great Deception

Those who have looked into transhumanism and The Great Reset can clearly see how just about everything that happens is part of a plan to manipulate the masses to accept their envisioned control system. Those who refuse to look at these issues, however, cannot see it. Moreover, they cannot even imagine that something so diabolical could be true.

In the video above, Max Igan of “The Crowhouse” reviews the history of the Great Deception we're in — the how and why people have been manipulated, for decades, into believing things that simply were not true — beliefs that shaped behavior and allowed the globalists to slowly and quietly move their long-term agenda for global domination along.

What Is the Internet of Bodies?

Just what is the IoB? The Rand corporation defines it as devices with computing capabilities that can communicate with internet-connected devices or networks that collect person-generated health and biometric data and/or can alter the function of the human body.

The WEF has described it as an ecosystem of “an unprecedented number of sensors,” including emotional sensors, “attached to, implanted within, or ingested into human bodies to monitor, analyze and ... modify human bodies and behavior.”

Key words in that sentence include the stated goal to “modify human behavior.” The WEF doesn't tell us who will be in charge of those modifications, but we can safely assume that it will be those who have something to gain from controlling other people's actions and behaviors.

FDA Poised to Approve Implantable Biosensor

While all of this sounds like pure sci-fi, the U.S. Pentagon and Profusa Inc. have already developed an implantable biosensor that tracks chemical reactions inside your body, ostensibly to detect disease. As explained by Defense One, the biosensor consists of two parts:

“One is a 3 mm string of hydrogel ... Inserted under the skin with a syringe, the string includes a specially engineered molecule that sends a fluorescent signal outside of the body when the body begins to fight an infection.

The other part is an electronic component attached to the skin. It sends light through the skin, detects the fluorescent signal and generates another signal that the wearer can send to a doctor, website, etc. It’s like a blood lab on the skin that can pick up the body’s response to illness before the presence of other symptoms, like coughing.”

The sensor allows a person's biology to be examined at a distance via smartphone connectivity, and Profusa is backed by Google, the largest data mining company in the world. Knowing that, it’s hard to imagine that your biological data won’t be used to boost Google’s profits and further totalitarian control through biosecurity.

Profusa was expecting to receive approval from the U.S. Food and Drug Administration in 2021, but it doesn’t appear to have been approved yet. That said, the wheels of the approval process are in motion, so it’s only a matter of time.

Artificial Intelligence and the Internet of Bodies

In the video above, the Wilson Center NOW interviews Richard Solash, editor of The Wilson Quarterly, and Eleonore Pauwels, director of the Anticipatory Intelligence (AI) Lab with the Wilson Center’s Science and Technology Innovation Program, about the IoB and the role AI will play in the coming “algorithmic age.”

Pauwels makes it clear that one of the inescapable facets of the IoB is that we will be under constant assessment, “under measure of computation,” in every aspect of our lives, “from what you eat, whom you date, what you buy, how much energy you use” up to and including your vital signs and genetic data.

To explain the idea behind the IoB, she suggests you begin by thinking about how the Internet of Things work, all these smart devices that are connected not only to each other, but also to a wider network, where AI can analyze and optimize all those data.

Now, add to those networks’ health-monitoring devices, from wearables to implants, which will share your most private data. AI will then “analyze and optimize” those data as well, and while Pauwels doesn’t state that such optimization will be carried out automatically, without your knowledge, I see no reason to assume that that’s part of the plan.

Considering all of this, the biggest challenge, Pauwels says, will be to figure out how we can maintain control of our own futures and make sure AI is “shaped to our ideals.”

IoB Is Inseparable from the Eugenicist Transhumanist Agenda

While that warning sounds rational, just whose ideals are we talking about? To believe humanity in general will have any say in the matter is naïve. We cannot think about the IoB (Internet of Bodies) outside of, or separate from, the eugenicist transhumanist Great Reset.

The powers pushing the IoB forward are the same ones pushing for The Great Reset, and The Great Reset's goal is to create a one world government using transhumanism as the platform for the control of the human mind and body.

There is no circumstance, that I can see in which the ideals of the AI will be any other ideal than that of the transhumanists, the eugenicists and The Great Resetters.

AI will make decisions based on its programming, and that programming is shaped and directed by the those who aim to rule everyone else. How can AI be shaped according to human-centric ideals when they're being funded and developed by people looking forward to a post-human society?

Recognize the Bill of Goods

The only recourse, really, to maintain control of our futures, is to reject the IoB. Unfortunately, this will not be easy. Few are willing to forgo what they perceive as convenience, and fewer still really understand where it's all leading to in the first place.

Perhaps the best we can do right now is educate ourselves and others about the end goals. A growing understanding that all this convenience will land us in a digital prison with no possibility of escape may be the only thing that can prevent it.

It's worth remembering that if you give up your freedom, you also relinquish your ability to protect those you love. Your children can be taken from you if you disobey. Your spouse or parents can be injured or killed, and you have no say in the matter.

Canada's Euthanasia Laws Are Ripe for Abuse

Already, Canada offers euthanasia for a variety of conditions and situations, from long COVID and mental illness to hearing loss and poverty "that prevents living with dignity."

As noted by Exposing the Darkness, "After two years of genocidal COVID tyranny, based on the weaponization of the public health system, deployment of weaponized psychiatry to fight dissent and eliminate mentally ill 'useless eaters' was expected."

Considering Psychology Today has suggested anti-vaxxers may have a mental health problem, it's not out of the realm of possibility to imagine a day when refusing a COVID booster puts you on a euthanasia list. For now, it's supposedly voluntary, but we all know what a slippery slope that can be, especially when doctors are compensated for every patient, they put six feet under.

In at least one case, family members have stated they suspect the patient may have been coerced or tricked into signing the euthanasia form. In 2018, an Ontario man with an incurable neurological disease released audio recordings of

hospital staff trying to get him to agree to euthanasia, when what he wanted was assisted home care.

Learn to Recognize Soft Coercion

For decades, we've embraced technologies with our mind set on convenience and/or safety. That's always how they rope us in. That's how they'll lure us into embracing the loB as well, digital identity and CBDC's as well. We have to get smarter about this and start thinking long term, because those who want to enslave us sure do. They're planning decades into the future.

The march toward CBDCs in the U.S. started last week when the Federal Reserve Bank of New York's Innovation Center, or NYIC, announced that it would be launching a 12-week proof-of-concept pilot for a central bank digital currency, or CBDC.

It's important to realize that we will lose everything worth living for if we continue down this path without privacy safeguards and personal autonomy rights in place. Even then it's a risk, as few laws are foolproof. Just look at how the U.S. Constitution is being trampled, even though it's supposed to be inviolable.

As long as the corrupting influence of the globalists remain, we can be sure that they'll continue their efforts to hack our bodies and brains, and to come up with ways to eliminate those who oppose them.

Scientists - Success at the End of An Earth-Period

Ref: BD 6081 17.10.1954

God the Father is speaking: "The end of a developmental period will always have come when people have left the divine order, in as much as they feel themselves entitled to intervene in God's plan of Creation because they don't believe in God as a creative power and deem themselves capable of controlling everything in existence themselves, people certainly received the creative spirit as a birthright from God and can considerably increase this inheritance, with divine assistance they can also achieve the seemingly impossible and still remain within the divine order, as long as they receive the strength for their creativity from God. But they will instantly step out of this order if all their plans are purely worldly orientated, if they set themselves apart from God as the creative power and thus conduct their experiments purely rationally, if they use the divine creation itself as test objects and thereby turn themselves into henchmen of God's adversary whose objective it is to destroy divine creations. At the end of an earth period the world is always full of earthly wisdom.

Science believes to have found the key to all fields and the spiritual path will only rarely have been taken, which God has indicated in order to attain the right knowledge. Without Him, however, all paths are dangerous, without Him the results are doubtful, and people more or less enter danger zones, because they are guided

by the one who does not want progress but destruction, which lets people believe that they are constructively active while they are digging their own graves and contribute towards the ruin of the old earth. For the apparently scientific progress is his work, the work of God's adversary, he impels people into extreme intellectual activity without divine support. They will harness natural forces yet in a different way than is intended by God's will. They will leave the divine order and the consequences of this will reveal themselves.

God, however, has foreseen humanity's will and activity since the beginning and therefore keeps referring to what will come to pass time and again, for He knows when and where the consequences of human thought and activity will express themselves. He informs people about their wrong thinking and wants to persuade them to entrust themselves to that power which stands above everything. He wants to warn them of His adversary's influence. He wants to advise them to remain within the divine order. He considers those who acknowledge Him as God and Creator of eternity and enlightens them about Himself and His opposing power."

Science Experiments Contribute Towards the End of the Earth

BD No. 4731 of 09/01/1949 taken from book 54

God the Father is speaking: "There is a set limit to how far people can go in their conduct towards what My creative spirit has brought forth. Thus, as soon as they presumptuously want to change natural creations, every one of which was given its purpose by Me, then people's attitude towards Me becomes irrational, they underestimate My wisdom and My might, believing themselves able to dismiss both and thereby sin against Me Myself as well as against what I have created. And then the limit I have set will be transgressed, and thus humanity will destroy itself, because their scholars will draw the wrong conclusions and the consequences of their experiments will be disastrous. People believe that they have the right to explore everything I kept hidden from them in recognition of their immaturity for such knowledge. ***The earth in its core is and will remain inexplorable for people until the end.*** Furthermore, forces of gigantic power are kept bound by Me in the earth's core so as not to endanger the earth's continued existence, only those eruptions ensue from time to time to allow these powers a brief outburst in order to give spiritual substances capable of development the opportunity to take shape above the earth and thus start their path of ascent. These forces unleash themselves with My approval, and therefore their effects are intended in My eternal plan of Salvation.

The extent of an eruption will always be limited when it happens in accordance with My will, but human determination will never be able to stop it, human will can never be the cause of it since no-one is able to explore cause and effect. ***Yet in the last days people will presumptuously penetrate the earth deeply for reasons of research in order to release unfamiliar energies with the intention of***

utilizing them profitably and won't consider the fact that they lack the knowledge and intellectual capacity for such experiments.

Hence, they will have no respect for My works of creation, they will penetrate an area which is quite naturally closed to them and wanting to investigate it can be called an impertinence, from a purely earthly point of view. But from a spiritual point of view, it will mean entering the territory of the lowest spirits whose banishment I recognized as necessary, and which will then therefore be unlawfully invalidated by people, that is why revoking My eternal order will have unimaginable consequences.

Their manipulations will aim to utilize earth forces against which every resistance gives way, and which therefore can be used for all experiments. But people won't consider that these forces are capable of disintegrating everything within their reach, they won't take account of their power against which human will and intellect are futile. They will open locks which can never be closed again once they have been breached, for the area people want to enter is unfamiliar to them and they don't know its laws. The earth's core cannot be researched in this way and every such attempt will backfire, not just on the researchers but on the whole human race. For the limits I have set may not be exceeded according to My eternal order, which always favors progress but never destruction, and thus its infringement also has to have the opposite effect!

Satan himself will put these thoughts into the people of the last days; he will urge them to undertake this plan, for he knows that the destruction of creation will end the spirits' progress, which is his endeavor in his blind hatred against Me and all spirits striving towards Me. Yet even this plan, albeit evil, will be an inadvertent service, he will fall in with My eternal plan of Salvation. A new earth will arise where the development will continue, whereas everything satanic will once again be banished into the abyss."

The \$1 Billion Mission to drill down to the Earth's Mantle

By Tom Levitt, for CNN Updated 2:54 PM ET, Tue **October 2, 2012**

“Mission Impossible – A team of international scientists are planning to drill into the Earth's mantle in an attempt to answer questions about the origins and evolution of life. The drills will need to get through around 6 km of oceanic crust to reach the mantle.

Humans have reached the moon and are planning to return samples from Mars, but when it comes to exploring the land deep beneath our feet, we have only scratched the surface of our planet.

This may be about to change with a \$1 billion mission to drill 6 km (3.7 miles) beneath the seafloor to reach the Earth's mantle -- a 3000 km-thick layer of slowly deforming rock between the crust and the core which makes up the majority of our planet -- and bring back the first ever fresh samples.

It could help answer some of our biggest questions about the origins and evolution of Earth itself, with almost all of the sea floor and continents that make up the Earth's surface originating from the mantle.

However, in order to reach those samples, the team of international scientists must first find a way to grind their way through ultra-hard rock's with 10 km-long (6.2 miles) drill pipes -- a technical challenge that one of the project co-leaders Damon Teagle, from the UK's University of Southampton calls, "the most challenging endeavor in the history of Earth science."

Science without God is very dangerous, the results are doubtful, and they are digging their own graves which will lead to the destruction of the old earth. The \$1 billion drilling mission to reach the Earth's mantle has started:

Doubting God's Existence in the End Time

BD No. 4069 of 06/25/1947 taken from book 50

God the Father is speaking: "It requires an exceptionally keen intellect to scientifically prove that God's existence can be doubted or denied. And the attempt will be made to solve this biggest problem by scientific means.... the question: Does God exist? That humanity is deliberating this most important question is also a sign of the end time, but far more in a negative sense, since people are willing to partake in this controversial issue and its line of argument because their faith, if it exists at all, is very weak and the slightest reason suffices to shake it.

Does God exist? No question is more important, and providing it is asked seriously by seeking people I Am prepared to enlighten them so that the seeker will be truly satisfied with the knowledge he receives and which he now also confidently upholds. However, if the question is not raised by seekers but by people who think they know better, who only accept the answer which suits them, and who do not want to prove that I Am but that I Am not, they will never arrive at a truthful result, in spite of sound evidence. They already belong to the opposing power which wants to take over the reign itself and push Me aside.... And this is the beginning of the end, because according to the law of eternity I will strip My adversary of his power

as soon as he oversteps his legitimate limit, which will be the case when he attempts to displace Me entirely from people's thoughts.

The battle for Me will be harsh, impressive words intend to convince My Own that they are chasing after a figment of imagination, all religious dogmas and doctrines will be pulled to pieces and not entirely steadfast people will gradually suffer defeat, because the adversary knows how to use his words effectively. And since the majority of people lack knowledge, since they are spiritually blind themselves, they cannot detect the adversary's inaccuracy, but they cannot look for and find the truth within themselves either. And they will falter and fall if they do not join Me in the last hour, if they do not (in the last hour) ask Me for clarification which I very gladly grant to anyone who asks, providing he is of good will and wants what is right and truthful. But anyone who trusts in himself, who wants to solve this most important problem intellectually as well, will get lost in the darkness because he is chasing a deceptive light, he believes the convincing words of worldly scholars and admires their keen intellect and conclusions, and he will abandon Me and condemn himself.

Because I know of this conflict since eternity, because I want to help the weak as well as those who are looking for Me, I Am bringing them the truth in advance. And anyone who applies this truth, who becomes worthy to receive it and voluntarily aspires for it will outshine the keen intellect of worldly scholars, he will become knowledgeable, he will receive the ability to reason, his spirit will become enlightened, and nothing will be able to take away his faith, his conviction, because he is taught by Me Myself and has the evidence that I Am and that I want to win all My living creations for eternity. And he will remain loyal to Me until the end."

The Advanced Civilization of Adam

Knowledge of Adam

Ref: Conchiglia –San Juan Diego July 28, 2014

The Holy Spirit is speaking: "I want to reveal to you things that relate to the "First Man, Adam and the Innocent Woman."

I start by saying and reaffirming that if "the sons of God" although few are still living on Earth, it is thanks to the love and loyalty of the "Innocent Woman." Repeat this to put it even more in evidence the most grave sin of the "First Man," created in the Image and Likeness of God the Father and established as

"Lord over the Earth," was so filled with pride up to the point to believe to have the right to replace Him and to proceed without Him because of "self-awareness."

Imagine only a small part of all the gifts that God the Father bestowed and infused onto His "Man created," you must make a great mental effort that at the beginning will disturb you but then it will shine bright in your heart and in your mind and now you will make an extra mental effort to control your anger and your pain to learn about the plundering undergone on you and for which, you cannot even understand the whys and wherefores when Jesus spoke to His sons and brothers, defined them Gods.

Reflect on this, even with its Women besides him even before the Original Sin, accomplishes the continuation, the "Project of God" in view of all the generations to follow that are Humanity? The "First Couple," since before, did not have the material and spiritual examples of which you take advantage with a legacy of millennia and millennia if not more because you will lose count of the years. You, to know and learn about anything you need to avail yourself of teachers, of books, testimony of every kind and on any field the study of computer science has helped you much. But the "First Man and First Woman" by who have they learned? They had manifested the "infused knowledge in every field." Manifest, once adults. They did not need to ask because they already knew everything.

The Man and the Woman, as adults, were able to achieve anything their mind conceived and to their advantage they had a long lifeline to bring any project to completion. So, they and their children, and their children's children generation after generation, would constitute the marvelous Humanity to glorify God the Father, the Creator.

Think about this, turn your thinking, for example, to distinguished Scientist. You are well aware that even through you are physically alike, he is mentally superior. The comparison scares you, because you can barely remember what you have studied as a child while he is able to do extremely complicated calculations, to plan a trip into space. Now, this kind of man, imagine him in other fields of knowledge and practicality, for example in Medicine, in Sculpture, of Music and any other that comes to mind. Logic leads you to think and say, that every man is bright to do a specific job according to their own aptitudes and faculties. And yet, all men

have a thinking brain to do calculations and all men have hands, to be able to do any form of art and more.

And in this last example, I bring you this daughter, Our Conchiglia; even you can take pen and paper and start to write what God tells your heart and mind. But enough with the examples, as of tomorrow resolve to do anything and in any area! Yes, it is a provocation, because none of you can do all things and, in all areas, even though you have examples of examples, books about books and testimony of witnesses of countless generations before you, but finite in their time.

Every man who is born must learn from those who were born before him. If you follow this logic, every man should know everything that billions and billions of men over the generations, from the "First Man" have learned.

But no, you have never been as limited as in this generation and the material and spiritual decay is horrible in the Eyes of God the Father. Can you at least in small part realize that the "First Man" had every Gift, each feature and all wisdom and knowledge and that by the "sin of Hybridization" (by combining the genes of two different species or subspecies) has messed up the Man that you are today? Do you realize how you should have been, because it was the Will of the Father and how you are limited instead? Do you realize the why, Lucifer did not accept the Man as he was created by God and the fact that it had to be, Lucifer, second being of Light only to God to bow down and worship Man as created in the Image and Likeness of God in everything? The rebellion against God took place in the whole awareness both in Heaven with Lucifer and on Earth with the "First Man" in the spiritual and material level, you are now "their sub-product" enslaved, never to evolve and that since fifty million years.

Adam who was filled with arrogance and rebellion against God gave life and started the 'alien race' and not the other way around as self-proclaimed scholars speculate. The evil alien race, you call them devils. The alien races that love Me, you call them angels. You have considered and still consider them, superior beings to you, most advanced but instead, in the beginning, 'you are superior', 'pure children', before hybridization. Because of wars and resulting catastrophes once again Planet Earth had to start again and almost all memory lost, and those who were 'your younger siblings' preserving the Love for Me have evolved and will appear as your older siblings. On Planet Earth now cohabits 'good' alien beings (Angels) and 'evil' alien beings (Demons), the good ones to defend and protect Planet Earth from yourselves and the wicked ones to manipulate and destroy your habitat to conform it to their biological nature. Meanwhile they experiment on you, the good ones to improve your DNA, the wicked ones to study and figure out how to manipulate you better and thus destroy the body and the Soul and so finally take possession of Planet Earth, the most beautiful garden of the Universe.

It is time to break this "satanic chain," but this chain has so many rings and each of you has a ring on hand. All together you have to decide to break the evil ring that you have in hand only like this will man regain his power, Gift of God, and still be able to start on the path traced by God and it is always the same, since the Beginning, namely the glorified Man in the Image and Likeness of God full of good physical and spiritual health and many years of life and no more death, cry or lament for the former things will have passed. Here, take a deep breath, calm the heart and immediately start the True Life in God."

Man Experiments with Genetic Manipulation

Ref: Conchiglia (July 12, 2014) Movimento D'Amore San Juan Diego

God the Father is speaking: "The wolf and the lamb shall forge means that the wolf will eat grass like the lamb. It also means that at the beginning of Creation all animals were peaceful and friends of man and fed on grass as I had established, in the perfection of what I had created.

The evil beings, descendants of Cain, have put in place many types of hybridization (to generate a new form of animal or plant by combining the genes of two different species or subspecies) on animals that they might kill each other and kill the men. Experiments and achievements became disastrous and unfortunately are still carried out.

Know that man existed before the dinosaurs. These huge animals have not been created by Me but are the results of genetic manipulation exerted on harmless animals. The extent of these alien manipulations was to create ferocious animals to destroy 'men sons of God.'

The first experiments, led to create by means of hybridization huge herbivorous dinosaurs but perfected only after the abomination (death of Abel) and so followed the carnivorous and exterminator dinosaurs. The same experiments were also performed on the birds, some became huge, and killers of other species and men and the same thing happened to the fish. Insects are not My Creation.

God the Father is speaking: "These animals did not come from me."

What is repugnant comes not from Me anything that damages Man and Nature does not belong to me. Think about the little things in order to understand the big things. Some might say that the birds feed on insects, and I tell you that they were established for the grain, the same which fed the birds that you hold in a cage. Some might say that it is natural that the big fish eats the small one and I tell you that for both the plankton was established.

How many of you have a dog that I have established as man's friend? Look at them; puppies are all alike, tender and affectionate. But if man makes sense and loves animals My creatures, does not train them to be ferocious that brings them to kill, yet trains them to be good company and to help man in many areas because he knows that animals are generous and faithful.

The descendants of Cain have put in place many types of hybridization on animals that they might kill each other and kill man. Experiments and achievements became disastrous and unfortunately are still carried out.

From Adam on, everything has been corrupted by those who have followed suit. Remember that 'Cain hybrid (children of the flesh) fruit of Adam,' was the first to kill 'a Son of God, Abel.' And from then until now because of Original Sin the killers can no longer be counted.

Planet Earth is now invaded by hybrids spiritually vilest is soaked with the blood of billions upon billions of men."

Destruction of the Moon - Asteroids

Ref: Conchiglia June 24th, 2014, July 9th, 2014

God the Father is speaking: "In the beginning of Creation, Planet Earth was completely still and did not rotate upon itself and also her 'true Moon' was still.

When Satan decided to appropriate the Earth through his servants **destroyed the 'true Moon' dispersed in many shattering asteroids.** They replaced the 'true Moon' with a 'new artificial moon' made it their base of operations, and from there through the magnetic energy induced a huge attraction *causing the inclination of the Earth and the consequent rotation.*

Can you imagine the scene, comparing the action of your hand on a top that from being still then starts spinning with all the negative consequences that resulted?

Nature is also controlled in the same way to slow down and keep at bay the food chain. Because of the 'night-darkness' Nature does not produce fruit and man is forced to work much and tire much to draw nourishment from the earth and hence survive in slave form.

They persist on your body because they are unable to intervene completely on your 'reason-brain' and 'feeling-heart-Soul' because they have not found the access key that I only know. For this reason they modified your DNA...to take away many years of life.

The 'Star Wars' exists; asteroids are directed specifically to destroy, if it were not for the Celestial Militia led by Saint Michael the Archangel. Humanity on Earth would have become extinct long time ago unimaginable to you because the Earth is now under the yoke of Satan. Multitudes of men are under the yoke of Satan. Only the children of God are not spiritually subjected, however, they are physically and materially. They have a free spirit, but the chains of society penalize and pursue them. Humanity is not free because it has departed from Me. Scientist have discovered the fact that the powers are strongly concealed. Not only is the 'satellite moon' inhabited and used as a base of operations to and from the Earth, but other planets also."

Part 1 <https://youtu.be/kpLY0YwMACE>

Part 2 <https://youtu.be/5wvqvRfgD8w>

When Satan destroyed the "true Moon" it dispersed into many shattering asteroids that crashed into the earth and destroyed the dinosaurs and most of Hybridized Humanity as it was in the Project of God. Then there were lightning flashes, rumblings, and pearls of thunder, and great earthquakes that were so violent they dived the earth into many cotenants.

Satan Splits and Divides - the Continent

Ref: Conchiglia - San Juan Diego July 10, 2014

God the Father is speaking: "God creates and combines Satan divides and seeks to destroy what God creates. So he did and does since the beginning of his "non serviam." *In the Beginning Planet Earth was configured from a single land mass surrounded and embraced by the water* and life proliferated in every sense and language spread common to all. Then, the continents took shape, because of the wickedness of beings servants of Satan divided one from the other, **now distant from the other, the continents were surrounded by water and a large part of Humanity perished.** They were lost their and knowledge as well, other languages were invented, and men no longer understand each other. In this terrible phase, Satan does not realize immediately that he contributed to eliminate from the face of the Earth most of Hybridized Humanity as it was in the Project of God."

Jesus is speaking: "Once the monsters were destroyed, Humanity was preserved and multiplied again from the lineage of Noah, judged just by God. Thus it was returned to the first nature of the first man, still made of matter and spirit, and remained so even after sin had stripped the spirit of divine Grace and of its innocence." MV - Epistle of St. Paul to the Romans: 135 -141

Let's stop and review what the earth was like at time of Adam just before the flood: **First**, the earth was one large land mass. **Second**, the earth did not rotate which meant that there was no darkness that covered the earth. **Third**, it did not rain on earth; the ground was watered from below. **Fourth**, man lived a very long time, a thousand years+. **Fifth**, man had full knowledge about everything. **Sixth**, man experimented with the DNA of small animals, birds, and man that generated disastrous results – the dinosaurs. **Seventh**, man had abnormal relations with beings that produced giants and abnormal people. **Eighth**, man created a society without God. **Ninth**, man was full of violence that increased on the earth in the days before the flood. The whole earth was filled with violence, Gen. 6:1. The people grew weaker and wiser. They were full of hatred, envy, lust and pride. **Tenth**, the devil had taken the people over completely. They sold out to Satan. It seemed that they had no more control over themselves. Men went into apostasy before the flood. They had a satanic religion. They were controlled by the wrong spirit. It was because they refused to give up sin. All of creation, through the fault of the foolish vanity of man, who was the masterpiece of creation, became acquainted with the ugliness of the Sin and of sins against God and against one's neighbor.

Life continued after the destruction of the dinosaurs and the breaking up of the earth into separate continents. **God the Father is speaking:** "My might and wisdom, My love for all created beings always and forever animated with the apostatized spirits, which were to accomplish their return to Me on this said work of creation called Earth. And according to their narrow field of vision they also only described the narrow region which they themselves occupied. And an account was given of the earthly process of development since Adam and Eve, the ancestral parents which, however, does not mean that the same happened in other places on earth, since these were still so far apart for the first human beings and partly separated by large areas of water, that every territory was a world in itself where the once fallen spirits were able to mature and embody themselves in a human being.

Yet the first people, Adam and Eve, had to take the test of will, and as a result of their fall the whole human race became weakened. The disobedience against My divine commandment had, due to My adverse spirit Lucifer, likewise arisen in those original spirits, and the hereditary sin, which consisted of changing the pure, divine love into selfish love, was repeated in these human beings too, for My adversary tempted all people, and his enticement succeeded because people still had too little knowledge of him who wanted to cause them to fall again. And people spread across the entire earth, but Adam was and remained nevertheless the founder of the human race, and people were informed of the descendants of his house and the following generations were recorded until the birth of Jesus, Who descended to earth as a result of the inherited sin in order to redeem humanity.

Since Adam, after Lucifer, had been the first fallen original spirit, he was also the first to be embodied as a human being, and if he had observed My easy

commandment, he very quickly would have shed his external form, and all other original spirits would soon have given up their resistance as well, they unconditionally would have given themselves to Me, and their return to Me would have been guaranteed. Yet his disobedience was another opposition to Me, it was a repetition of the first sin of rebellion against Me. However, owing to Adam's fall Lucifer had regained power, and he used it on each generation which, being as weak as Adam did not resist and remained weak until Jesus arrived in order to help them."

UFO's

UFO's

In the Book of Zechariah 14: 1-21 it reads: **When that day comes, there will be no more cold, no more frost. It will be a day of wonder – the Lord knows it – with no alterations of day and night; in the evening it will be light. When that day comes, running waters will issue from Jerusalem, half of them to the eastern sea, half of them to the western sea; they will flow summer and winter. And the Lord will be king of the whole world.** This verse is talking about the new earth which is also how it was when the existing earth was first created. Now, let's begin our journey into the world of UFO's:

To begin our journey into understanding UFOs you have to begin with Adam and the advanced civilization that existed during his time of existence and the generations that followed. Only then will you begin to understand what UFOs are, where do they come from and what role do they play in today's world. Let's begin:

UFO - Clarification

BD No. 8698 of 12/13/1963 taken from book 91

God the Father is speaking: "You will receive light on all subjects through My divine revelations; no question will remain unanswered if you ask Me with complete confidence that I will give you an explanation. Therefore, nothing needs to stay unexplained; you need to only ask yourselves in order to receive a truthful answer.

Time and again doubts arise in you because you believe that you are allegedly able to prove the existence of so-called spaceships (whether or not evidence could be produced of the existence of so-called spaceships) which come to earth from other stars. But if you seriously investigate these alleged appearances,

you will not be able to provide one hundred per cent proof. You will find that these statements are always based on mere presumption or self-suggestion, for which no proof can be found. The explanation rests in the fact that people fall victim to the adversary who, in the last days, is able to resort to lies and deception because people themselves want to experience sensationalism, and nothing is too fantastic for them, and so their thoughts are completely confused. If people had spiritual knowledge, they would know that there is no prospect of contact between the individual stars, that the inhabitants on other stars will never be able to leave their sphere and approach other worlds. The claims made by these people are pure inventions and no person will ever be able to prove his claim to have been in contact with inhabitants from other stars. However, people can fall prey to the adversary's works of deception and, due to their imagination, can be receptive to delusions which originate from him, but these cannot have physical consistency since My adversary lacks the power to produce material objects.

Nevertheless, where actual physical objects have been sighted by people these objects have their origin on this earth.

They are test objects of researchers who, with intensified effort, intend to dominate earth's outer space. Rumors that are spread about extraterrestrial beings, which supposedly come from other stars, are deliberate lies because no human being will be able to prove they have spoken

to such alleged 'star-dwellers'. The circle of those who affirm such appearances will never include spiritually enlightened people because they are My adversary's absolute servants, whom he can use for his purposes, always provided that it does not concern earthly test objects which could be seen by anyone, which then, however, will be portrayed as extraterrestrial objects by unenlightened people, or by people enslaved by My opponent. Time and again I emphasize that there is no contact between individual stars and that there is good reason for it. If you humans even assume that these alleged messengers from other stars want to come to earth to save you, then they would also have to actively help you humans on My behalf. Consequently, if I had given them this task, they would always have to establish and maintain the connection with those who are My Own, with those whom I will lift up to heaven in the end. In that case My Own would see these objects and their occupants too, this will never happen because I will explain this misconception to them and inform them of the pure truth.

But those who make and believe such assertions cannot be spiritually enlightened, they always pursue purely earthly goals and believe My adversary's promises, who wants to prevent people from making heartfelt contact with Me, which is the only guarantee for their rescue at the forthcoming end of this earth. You should believe that it is truly possible for Me to protect every individual person and at the end of the earth lift him up to heaven because the destruction of earth, as it

exists now, is inevitable. And believe that I have countless angels in readiness for this, but that they will never appear to people beforehand as inhabitants of other stars. And since I convey the pure truth to earth because you humans are in need of it, I would truly also inform you of this if it corresponded to the truth. But I will continue to warn you about My adversary's artful deception in the last days before the end, who uses earthly activities to deceive people, as well as suggestions to cause mental confusion, because people will blindly believe what is presented to them as long as they are not permeated by the longing for truth, for then they would also always receive the truth."

UFO - Mysterious Appearances - (Flying disks)

BD 6674 22.10.1956

Jesus is speaking: "Bear in mind that you live in the last days. Hence you should not be surprised that My adversary will use every means to prevent you humans from returning to Me. And thus, he causes great confusion by trying to lead people's thoughts astray, by doing his utmost to suppress the spreading of truth, by igniting deceptive lights wherever possible and spreading darkness so that the paths leading to Me and the light may not be found. You, who have put yourselves under My banner, cannot deny that this is the end time. Admittedly, My adversary's followers disagree, thus due to their attitude they belong to him already, and his efforts to darken their spirit are not aimed at them. But he tries to hold on to those he fears to lose, and those he has lost already he tries to regain, and he will do anything to achieve both. He misleads them under the cloak of being likeminded, and thereby only tries to achieve that they distance themselves from the pure truth and accept his as truth disguised error, thus to spread darkness across the light of truth. During the last days you have to take his increased influence into account, and thus you have to be on your guard and not allow yourselves to be taken in by his deceptive lights.

This is all I have to say about peculiar appearance to which you humans pay too much attention, which throw you into confusion and make you question, doubt and argue, which remain unsolved mysterious phenomena to you. Do you really believe that I need such things to reveal Myself to you? I will truly use every opportunity to reveal Myself to you humans, but then I will use a human vessel into which I can pour My spirit. Then I Myself or My beings of light will speak through this vessel to people directly, and whatever I say to them will only ever be a serious admonition to let go of the world and to shape themselves to love, in order to then guide a loving heart into truth, into My eternal plan of Salvation, in order to impart the correct knowledge to him. A true child of his Heavenly Father will be satisfied with what his Father says to him, and only ever wants to fulfill His will. Then it will achieve beatitude. Why do you long to make contacts in order to gain knowledge which is irrelevant to achieve this blissful state? Every such desire is My adversary's suggestion, and you readily place yourselves at his disposal as soon as you carry out such wishes, as soon as you call upon forces in the universe without knowing which master, they serve.

Take the simple path. Unite yourselves with Me through love and ask Me for an explanation, and it will be given to you. But do not speak to unknown beings, for My adversary works with cunning and trickery, he will not even shy away from

uttering the name of Jesus, since he will use every means in the last days. This is why I warned you of the time when 'false Christ's' and 'false prophets' will cause trouble, then you have to be on your guard. Never forget that you live in the last days, that people themselves will indeed carry out the final destruction on behalf of My adversary, but that in My eternal plan of Salvation, based on this very human will, the end of the earth period is taken into account. Never forget that I have constantly proclaimed this end through seers and prophets and that it will now take place as surely as one day follows another. And My adversary wants to portray this certain end as unbelievable, he wants to deceive you by persuading you through his messengers that it can be stopped, that the earth can be protected from this destruction and thus wants to awaken the belief in you that 'God's messengers' are working to prevent this destruction. Everything takes its course in accordance with the eternal plan. You humans should only strive for maturity of soul, and you can only attain this through love, through living in accordance with My will, through heart-felt contact with Me. Then you will live in the light and pay no more attention to deceptive lights."

UFO - Flying Saucer: Project Blue Book

Ref: by Tim Matthews - <http://greyfalcon.us/restored/FLYINGSAUCERS.htm>

Project Blue Book Special Report Number 1463-64 dated May 5th, 1955, and release in October determined that: On the basis of this study we believe that no objects such as those popularly described as flying saucers have ever flown over the United States.

We now know that this was a lie: CIA officials knew that the British and Canadians were already experimenting with "flying saucers". Project Y was a Canadian-British-US developmental operation to produce a non-conventional flying-saucer-type aircraft, and Agency officials feared that the Soviets were testing similar devices. 65

The downgrading and the debunking of UFO reports was deliberate and took place at exactly the same time that the US was working upon advanced flying saucers. Once this is understood and established the official attitudes towards flying saucer sightings make more sense. Secrecy, and perhaps even paranoia, appears to have gripped the intelligence community and the USAF: even now, some forty-five years after Silver Bug was test-flown former project workers remain tight-lipped. We can only conclude that silence in this case indicates particularly advanced technologies and the need to keep a lid on the details relating to them.

One could easily make a case that the development and debunking of flying saucers was undertaken at Wright-Patterson Air Force Base and it is to be hoped that this document will encourage people with information about US saucer projects to come forward. It is up to UFO researchers to reorient their thinking, to come to terms with man-made flying saucer reality and the ongoing cover-up relating to it....

Is this the real FLYING SAUCER?

a craft that will outrun and outmaneuver present jets and eliminate vulnerable runways needed by our air guardians

The case for man-made UFOs is stronger than ever whereas the evidence for "alien flying saucers" is wholly untenable.

We have introduced here a new line of research and a new perspective on UFO reality. Beyond the fantastic claims and mystification of UFOs by too many UFO "researchers" the painful truth is ***that flying saucers were, and are, a tremendous human technical achievement.*** The truth is that serious research exists only beyond the unfortunate skeptic-believer dialectic.

Surely it is to the military-industrial complex and not the heavens above that we should look for the origins of the flying saucer."

UFO - Unidentified Flying Objects

BD No. 8840 of 08/16/1964 taken from book 93

Jesus is speaking:
 "What you are told about unidentified flying objects can be flatly dismissed by you as error (lies), for it is merely the fanciful and wishful thinking of those who thereby hand themselves over to the adversary because they do not have the bond with Me Who could explain it to them. The

need of worldly people who refuse to acknowledge a definitely approaching end is great and they look for ways to escape it. All this fits in with the signs of the last days that they hope to be rescued by inhabitants of other worlds without considering that there is no connection between the earth and the inhabitants of those worlds. It is certain that people who claim to have seen such objects to some extent link up with the powers of the underworld, that they become captivated by the remaining power of the prince of darkness which he uses more than ever during the last days and that these people focus on him.

He manifests himself in the form of appearances which can be described in minute detail, which is also a sign of people's attitude towards Me. Profoundly

devout people will not experience such appearances, for they will believe in the rapture of My Own before the end which, however, will not take place by sending My messengers to earth but I Myself will come in the clouds, as I have told you. **Those supposed representatives are forces of darkness who have great power indeed at the end by assembling visible illusions which, however, vanish as swiftly as they appear, and which can only be sighted by people who are already subject to the adversary or who have not yet found the right kind of relationship with Me.** For anyone who holds on to Me is taught by My spirit, and that in all truthfulness indeed. But what do you humans expect from those appearances?

You also believe in the channeled promises you receive from mediums and thus live more than ever in darkness. What you believe you see are not visible creations from Me but mere illusions by the one who takes advantage of the wishes and desires of people who want to preserve their lives and with this desire strengthen his power. And the occupants of these 'visible' objects which briefly materialize themselves only to vanish again are also from his world. The adversary has great power at the end. You are told this time and again by Me. And in view of the end, he will also use this power to entice those who do not firmly hold on to Me and as a result of their will are easily influenced. Yet you will hear no such messages from circles belonging to Me, for the adversary has no access where I Myself let My light shine.

However, anyone who is already on his territory will be able to cite ever more 'evidence', which is all but deception and illusion. Accept My Word that no connections exist between the inhabitants of different worlds and that, when the end has come, no-one will be able to escape it but will either be bodily lifted to heaven by Me Myself or fall prey to banishment once more. But for this I truly do not need messengers from another world or you, who should spread the truth across the world, would also receive the relevant information. Hence, abide by what I tell you and do not allow yourselves to be deterred, for My adversary is your enemy too, who tries to ruin you but will not succeed with those who are faithful to Me, whom I will rescue from all adversity on the day of Judgment."

UFO - Unusual Phenomena Part 1

BD 7205 10.11.1958

God the Father is speaking: "You can always rely on being correctly instructed when you turn to Me Myself for an explanation. You will also sense it mentally, that is, your reasoning will already move within the truth because this is what you are looking for. Thus, feeling wise you will already be on the right path even if you are still occupied with apparently unsolved problems.

For the prerogative of those who unite with Me, the Eternal Truth consists of the fact that they feel an inner resistance as soon as they are affected by misguided thoughts. You have to expect many unusual phenomena during the last days and then can decide for yourselves whether to ascribe them to Me or to My adversary, who will conduct himself equally extraordinary to gain his victims. And you will also have to learn to differentiate. You should not forget that the world is his domain and therefore he will also show himself in the world and by means of worldly

machinations. But you should know, too, that there is no power which could prevent My working and thus change My eternal plan of Salvation, which includes an end of this earth period. For I pursue a goal which only serves to release the fallen spiritual substances from the abyss. And I truly know when the right time has come.

One thing is certain: My adversary's plans do not agree with Mine, he does not pursue the same goal, i.e., to help the fallen spirits, instead, he only ever intends to render My plans ineffective, to put a stop to them and at the same time defeat Me Myself, which he will never achieve. On the one hand, he now urges people to experiment in various ways in order to destroy creations, because he believes that he thereby can release the captive spiritual substance and gain it for himself, and on the other hand he makes people believe that they need not fear the danger of an end in order to stop them from consciously working on improving their soul which, in view of the end, is nevertheless pursued by those who follow the signs of the time and therefore also know how late it is. For that reason, he works with much cunning and causes confusion, which will also affect those who do not want to belong to him.

He tries to make people believe in apparently real things which will retain their appearance until suitably minded people have sighted them, people who, due to their attitude and thoughts, are susceptible to God's adversary's influence, who do not even want to think about an end of this earth, who would also rather believe in the most incredible actions or provisions to prevent such an end than to accept the truth, which is proclaimed to them time and again. Their attitude provides My adversary with a good response, they believe to be within the range of good forces and yet have become subject to My adversary, for he uses them to spread misguided teachings and satanic work.

My adversary is entitled to immense power at the end. It is the countermeasure for My unusual, merciful work on people whom I still want to help to find Me. I work in unusual ways indeed, but I do not affect people's senses unnaturally; I work inwardly and want to gain influence on people's hearts. My adversary, however, makes an impression on people's senses, people's intellect, and he only strengthens the desire for an indestructibility of earth and a prevented end at the last minute. My adversary counteracts Me and My proclamations and that alone should expose him, it should demonstrate who is at work when people's minds are troubled by inexplicable events by which My predicted end of the earth becomes questionable. My Word is truth, and thus My adversary cannot refute these proclamations, irrespective of how cunning and crafty he intends to proceed. And people themselves could recognize who tries to influence them if only they would always take the path to Me, Who truly will not withhold the truth from them."

UFO - Unusual Phenomena Part 2

BD 7206 12.11.1958

God the Father is speaking: "Anyone who mentally ventures beyond earthly spheres will also be influenced by forces of the beyond, for he is constantly surrounded by such forces. But this influence is of a spiritual nature, because contact between this world and the world of the beyond gets established through the human being's will. However, you humans must differentiate between establishing contact with Me through prayer and contact with the spiritual world due

to your will to gain knowledge from these spiritual powers, thus opening yourselves up to the influence of this spiritual world. No such established contact will remain unused, irrespective of whether I Myself or spiritual forces react to it, because the initiated connections from earth to the spiritual world are extremely important for the development of the human being's soul. For the effectively spiritually blind human being shall acquire spiritual vision, and his spiritual eyes can only be opened through an inflow of light which either flows to the human being from Me directly or also through the spiritual beings of light. Hence, any link from earth to the spiritual world is welcomed by the beings of light, who are aware of peoples' state of darkness on earth and would very gladly like to give them light in accordance with My will. However, they are governed by My will to give what is beneficial for people. And My will also stops them where too bright a light might damage a person by dazzling his eyes and rendering him incapable of perception.

On September 11th, 2018, just five days after the Sunspot solar observatory was shut down, a woman from Salem, Indiana named Gina Maria Colvin Hill photographed very unusual activity near the sun. What she photographed is being described as "large disk-shaped UFOs as well as a huge fleet of smaller UFOs that accompany the massive disk-shaped UFOs." ...

My adversary, however, uses deceptive lights precisely because he wants to impair people's vision, because he wants people's eyes to become entirely incapable of recognizing the soft light coming from Me, which has a beneficial effect and brightly and clearly shows the right path to Me. Therefore, he endeavors to let as many deceptive lights shine as possible in order to confuse people. He endeavors to lead people into a direction where they apparently can gain information, where the human being believes to get hold of knowledge and yet receives completely misleading spiritual values. My adversary has many such means which he uses to cause ever greater mental confusion in people. He often ignites such glaring deceptive lights that people will be engulfed by darkest night if they have looked into this light for a long time, since it will not provide them with permanent enlightenment but suddenly return them into total darkness again. And countless dark forces are supporting him by participating and appearing as supposed beings of light, by prompting people to establish the above-mentioned links with the spiritual world by way of improper thought transferences which either flatter people or promise them advantages, so that they will follow these thoughts and thus enter a region which is governed by dark powers. Just the intention of wanting to acquire knowledge without turning to the right source can lure people into a dangerous region from which they can only save themselves again with great difficulty. The will to step out of the ordinary, to experience the extraordinary and wanting to excel with exceptional knowledge leads people into this dangerous position where dark forces overpower him and thus dazzle his vision.

And in view of the end there is an increased risk, for the universe is full of poison-spitting spirits which are loyal vassals to My adversary in order to corrupt people. His influence is powerful because the human being does not resist him, but he could become master over him by just entrusting himself to Me Myself in Jesus Christ, who had defeated him through My crucifixion. But instead of calling upon Me the human being calls upon other powers in the universe, and he will indeed be heard by these powers and helped, frequently in a way which brings ever greater darkness instead of brightness. He moves increasingly further away from the truth, he allows himself to be captivated by delusions, by illusions brought into being by My adversary. He offers immature spirits the opportunity to express themselves and accepts their information as pure truth. He is most dreadfully deceived by My adversary and always believes himself to be enlightened. But he will not accept the truth which consists of the fact that My Word cannot fade away, that it will come to pass and that My Word has announced an end ever since the beginning of this era. And this end will come, and no one will be able to stop it. And anyone seeking protection will only find it with Me, yet a person will call for help in vain if he turns to powers which promise him protection but are unable to provide it. For these powers only aim to corrupt you, to withhold the truth from you and not to let you find the light. And if you listen to them, you will then also go astray and remain in their power for an infinitely long time."

UFO Convention

BD 7742 11.11.1960

God the Father is speaking: "One thing is certain: I will protect My Own in the hollow of My hand when the end has come. I truly have enough angels to whom I can entrust My Own, whom I instruct to build a protective wall around them. And thus, you can all know yourselves protected in My care, come what may. Therefore, I want to caution you not to abandon yourselves to and expect help from beings whom you suspect to be outside of My spiritual kingdom, who thus have not yet reached the perfection of beings of light to implement My instructions. I want to warn you about looking for contact with inhabitants from other worlds, which you can only establish spiritually but who cannot offer you the guarantee of imparting truth to you. Time and again it has to be said that only 'perfect beings' may and are able to carry out tasks which guarantee you protection and assistance.

Beings who have not yet achieved this perfection will always still reside, for the purpose of their development, on such works of creation to which they are bound by natural law. Thus, you have to distinguish between beings of light who accomplish My will on My behalf and dwell with Me in the kingdom of light, and beings who are still constrained, who have not yet achieved complete spiritual

freedom as long as they still live on all kinds of celestial bodies for the purpose of spiritual maturing. You should not rely on mediumistic messages from those worlds which are and remain unreachable for you humans on earth and vice versa. Do not count on help from those worlds when the end of the earth comes in accordance with the eternal plan. For I Myself will protect and rescue My Own from their adversity, because only I know who belongs to My Own. Do you believe that you will be rescued by merely mustering sympathy for these dwellers of other stars?

What misconception do you suffer from; you lack all clear understanding of My plan of Salvation, which will certainly be implemented when the time comes. And would I not inform you of it Myself if it were My will that you should entrust yourselves to these beings whom fellow human beings want you to believe in? Since I convey the truth to earth, I would not withhold this information from you if it were true. Yet you would rather doubt My Words than the reports which are passed on to you through My adversary's influence. And I want you to know the truth. I repeatedly want to assure you that My Own will be protected and that innumerable angels will take care of them, because they comply with My will and also have the strength to help you. And therefore, it will not require earthly means of help, for My love, might and wisdom will become clearly evident at the end, albeit My working will and can then be contrary to natural law because My Own believe that everything is possible, and the unbelievers will be devoured by the earth.

But I do not require My Own to believe in appearances or reports which come to people by means which do not correspond to My will. Why don't you contact Me? Why do you call on beings whose degree of maturity you cannot estimate? Why do you entrust yourselves to these beings and believe that they will protect you when the last day of the end has come? I only require your faith in Me in Jesus Christ, and anyone who intimately unites with Me Myself in this faith truly will not need visible or invisible helpers, for My angels with an abundance of strength and might will constantly stand by his side and always act in accordance with My will. And he will not want to establish contact with inhabitants of other worlds whose degree of maturity is unknown to him either, for this can only take place by way of mediumship which, due to its great danger, should not be taken by you humans. For you are truly able to hear Me Myself if it is your will and you ask Me for the truth. And then you will surely be instructed truthfully."

Fermi Paradox: Where Are the Aliens?

By Elizabeth Howell April 26, 2018

The Fermi Paradox seeks to answer the question of where the aliens are. Given that our star and Earth are part of a young planetary system compared to the rest of the universe — and that interstellar travel might be fairly easy to achieve — the theory says that Earth should have been visited by aliens already.

As the story goes, Italian physicist Enrico Fermi, most famous for creating the first nuclear reactor, came up with the theory with a casual lunchtime remark in 1950. The implications, however, have had extraterrestrial researchers scratching their heads in the decades since.

"Fermi realized that any civilization with a modest amount of rocket technology and an immodest amount of imperial incentive could rapidly colonize the entire galaxy," the Search for Extraterrestrial Intelligence (SETI) Institute in

Mountain View, California, said on its website. "Within ten million years, every star system could be brought under the wing of an empire. Ten million years may sound long, but in fact it's quite short compared with the age of the galaxy, which is roughly ten thousand million years. Colonization of the Milky Way should be a quick exercise."

[Unsettling Theories About Potential Aliens \(& Solutions to The Fermi Paradox\) - YouTube](#)

Fermi reportedly made the initial remark, but he died in 1954. Publication fell to other people, such as Michael Hart, who wrote an article titled "An Explanation for the Absence of Extraterrestrials on Earth" in the Royal Astronomical Society (RAS) Quarterly Journal in 1975. (Some say this is the first such paper to explore the Fermi paradox, although this claim is a bit hard to prove.)

"We observe that no intelligent beings from outer space are now present on Earth," Hart wrote in the abstract. "It is suggested that this fact can best be explained by the hypothesis that there are no other advanced civilizations in our galaxy." He noted, however, that more research in biochemistry, planetary formation and atmospheres was needed to better narrow down the answer.

While Hart was more of the opinion that we were the only advanced civilization in the galaxy (he argued that in Earth's history, somebody could have visited us already unless they started their journey less than two million years ago), he outlined four arguments exploring the paradox:

- 1) Aliens never came because of a physical difficulty "that makes space travel infeasible," which could be related to astronomy, biology or engineering.
- 2) Aliens chose never to come to Earth.
- 3) Advanced civilizations arose too recently for aliens to reach us.
- 4) Aliens have visited Earth in the past, but we have not observed them.

The argument has been challenged on many grounds. "Maybe star travel is not feasible, or maybe nobody chooses to colonize the galaxy, or maybe we were visited long ago, and the evidence is buried with the dinosaurs — but the idea has become entrenched in thinking about alien civilizations," wrote Fermi paradox researcher Robert H. Gray in a 2016 Scientific American blog post.

Frank Tipler, a professor of physics at Tulane University, followed up on the argument in 1980 with a paper titled "Extraterrestrial intelligent beings do not exist," also published in the RAS Quarterly Journal. The bulk of his paper dealt with how to get resources for interstellar travel, which he suggested could be achieved by

having some kind of self-replicating artificial intelligence moving from star system to star system and create copies using materials there.

Since these beings aren't on Earth, Tipler argued we are likely the only intelligence out there. He also said that those who believe in extraterrestrial intelligence are similar those who think about UFOs, because both camps believe "we are going to be saved from ourselves by some miraculous interstellar intervention."

Today, the topic of extraterrestrial intelligence is a popular one, with several papers appearing every year from different researchers. It's also been fueled by the discovery of exoplanets.

'Christ is here; Christ is there'

Ref: Conchiglia August 14th, 2010

Jesus is speaking: "My beloved flock, My esteemed and loved Pastors. Some Powerful of the Church, in agreement with some of the Powerful Countries in the world, have a monstrous plan and I ask you to join to be the force that counteracts Evil so that their monstrous project is not put in place. My Sons and brothers, to achieve the New World Order, it is necessary to establish a One World Religion. They will dazzle in any way the spirit to make you believe that it is good and instead is the work of Satan. Through satellites scattered all around planet Earth **they will project holographic images on your sky, over you're Countries that will be seen in the sky.** My false image will be seen real, and it is not. For every religion there is a misleading projected image for all to fall into the trap and into confusion.

My sons and brothers, I have always said that false prophets would arise and you were cheated by saying, Christ is here, Christ is there. Do not fall into their trap My children. When I arrive, it will be like a flash and I will be seen only and exclusively by those pure at heart, My true children that is enough. All My true children will recognize Me. How will I be seen? In the same way I left. It is written by My Witnesses in the Gospel."

UFO - Spaceships – "Monkey of God"

Ref: Conchiglia Aug 14th, 2010, November 30th, 2013 (Refrigerator – icebox)

Jesus is speaking: "I cannot delay daughter. The risk of losing too many Souls is great and every Soul is precious to Me more than the entire Universe. I started talking by saying – as in Heaven so be on Earth. Well, it is no secret that Satan is also called the 'Monkey of God' as it seeks to imitate God, but in evil. There are spaceships of every type. Depending on the vibration of the Soul, vibrates the

ship. They are made of pure light, visible or invisible to your eyes depending on the circumstance.

The Beings of light with light spaceships watch over you ready to intervene to help My people in case of need. Unfortunately, the 'Monkey God' has many scientists' followers on Earth, in addition to the invisible followers. The devils incarnate, scientists have also built spaceships stealing knowledge from spacecraft fallen onto the Earth. Their spaceships are primitive in comparison to those of light although they may reduce their vibrations to become visible to you My Children.

Unfortunately, people see in the sky and see the one and the other. The deception of the devil is in progress. We try to distinguish them by simplifying a bit saying, 'Starship of God' and 'starship of the devil.' Starship of God is in your skies since time immemorial (so old that it seems always to have existed) and over the millennia they have always been monitored, often hiding in the clouds, read the Scriptures. The Holy Book is a witness to many of these facts. The occupants of these crafts will never do anything to harm you Cosmo has realized and evolution that you cannot even imagine and if you tried the report would be 'from 1 to several trillion pages.' At the time of need, one will be taken and the other will be left. Read the Gospel.

Instead, the spaceship of the devil, become visible flaunting their presence confusing the children. These spaceships, primitive in comparison to the other, however evolved so as to deceive many of those scientists who say they are experts. These devil ships are driven by the devil-driven terrestrial scientist and unfortunately also perform abductions to do their genetic experiments in complicity with alien intelligent beings but without soul. You would call them highly intelligent biological robots without a soul. These are beings that cooperate with the several Countries, and occult Powers. Your Countries and occult Powers are attempting to steal as much knowledge as possible from them while in return, try to steal your Soul, which they do not have because they are intelligent biological beings' robots without feelings and without emotions.

Planet Earth now cohabits, 'good' alien beings and 'evil' alien beings. The good ones to defend and protect Planet Earth from yourselves: and the wicked ones to manipulate and destroy your habitat to conform it to their biological nature.

Meanwhile they experiment on you, the good ones to improve your DNA, the wicked ones to study and figure out how to manipulate you better and thus destroy the body and the Soul and so finally take possession of Planet Earth, the most beautiful garden of the Universe. The experiments of these evil alien beings take place in the depths of the earth and the oceans abducting humans and animals; to provide them with 'organs as raw material and food' that is why millions and millions of people around the world disappear, without a trace.

The 'organic material' is retained in huge refrigerators. The Poles are artificial refrigerators.

The evil alien beings are shapeshifters and can live among you without being aesthetically distinguishable, in fact they hold positions of power and control throughout the World, and you are working in various forms of slavery leaving the bare minimum for your physical sustenance and keep you alive until the maximum exploitation afterwards, you are no longer useful.

The technology they developed; you cannot even begin to imagine. I said, they are ahead fifteen thousand years, and they do not tell you. Your DNA is pretty much blocked. If it was unlocked you would live hundreds and hundreds of years, communicating with thought, without any disease, seeing better and further, listening better and further. They have every means to heal the body but do not make it available to keep you as slaves and dependents, they have every means to make it rain and give water to every corner of the World, they have all the energy available at no cost just for them, they have invasive nanotechnology to make you sick and die when and how they want, they have matter disintegrators if only they want to, eliminate the problem – the scourge of garbage in every corner of the world, they have sophisticated instruments to read your mind and read your past, they have everything needed to make living copies of you, and to enter into you, and to impregnate you. The doubles are only artificially similar or surgically manipulated.

They have the technology to reach the depths of the earth and the oceans, in the blink of an eye. They cause ocean currents so that you are unable to approach their stations. Under your cities there are other cities with all sorts of medical and military laboratories where they keep millions of missing people as slaves and catastrophes and wars are opportunities for recruitment, without anyone noticing. Their aim is to reduce the world's population to the minimum necessary for them, so you work for them and are better controllable and manageable because they want Planet Earth only for themselves. And even if everything I have told you disgusts you and bewilders you start to see, through this torn veil.

My children remain vigilant. Countries and occult Powers will make you believe, this is their project, that you are about to be invaded by aliens and yet it is their intention to do everything at a *holographic level*. Then you would see that in reality does not exist. The reason? Steal money, so much money to build weapons to counter you and make you their slaves by fright and take you all under their power. In fact, their diabolical experiments also consist of, making Humans their robots ready to perform their every remote command mentally transmitted to wherever distance you are. The devil through the Countries and occult Powers and his cohorts wish to take possession of Planet Earth and Humanity.

I have said this many times through this My daughter and your Conchiglia. The chaos is everywhere. You are all in danger. You are not prepared spiritually. You are not pure in heart but contain much sin and then many will fall into the deception of Satan. Even selected officials must be vigilant and not fear falling. And yet, many of them will fall. Confusion and malaise will reign totally if you do not immediately kneel to say 'mea culpa' and ask for forgiveness to God the Father, to me Jesus, to the Holy Trinity, and also to My Mother Mary and also to all those you have offended and slandered and unjustly robbed and murdered by judgments taking the place of God. My sons and brothers convert.

Now you understand better why purification is inevitable. 'These beings have to leave' and leave space for the children of God, to my children that love Me. So be not afraid, regardless of what is said because I treasure you like the apple of My Eye and the Angels, the real ones, who have always protected you be it those who are embodied and perform holy duties on Earth be it those who are disembodied and are pure spirits that guide you and support you.

Through your love, your prayers and your charity you have the possibility to counteract Evil so that the monstrous project of the Demon fails.
You are tired Conchiglia stop your hand, rest now."

NASA's Project Blue Beam

By Serge Monast (1994)

The infamous NASA [National Aeronautics and Space Administration] Blue Beam Project has four different steps in order to implement the new age religion with the Antichrist at its head. We must remember that the new age religion is the very foundation for the new world government, without which religion the dictatorship of the new world order is completely impossible. I'll repeat that: Without a universal belief in the new age religion, the success of the new world order will be impossible! That is why the Blue Beam Project is so important to them but has been so well hidden until now.

Engineered Earthquakes & Hoaxed 'Discoveries'

The first step in the NASA Blue Beam Project concerns the breakdown [re-evaluation] of all archaeological knowledge. It deals with the set-up, with artificially created earthquakes at certain precise locations on the planet, of supposedly new discoveries which will finally explain to all people the "error" of all fundamental religious doctrines. The falsification of this information will be used to make all nations believe that their religious doctrines have been misunderstood for centuries and misinterpreted. Psychological preparations for that first step have already been implemented with the film, '2001: A Space Odyssey;' the Star Trek series, and 'Independence Day;' all of which deal with invasions from space and the coming together of all nations to repel the invaders. The last films, 'Jurassic Park,' deals with the theories of evolution, and claim God's words are lies. <http://i.am/jah/evolut.htm>

The Big Space Show in the Sky

The second step in the NASA Blue Beam Project involves a gigantic 'space show' with three-dimensional optical holograms and sounds, laser projection of multiple holographic images to different parts of the world, each receiving a different image according to predominating regional national religious faith. This new 'god's' voice will be speaking in all languages: In order to understand that we must study various secret services' research done in the last 25 years. The Soviets have perfected an advanced computer, even exported them, and fed them with the minute physio-psychological particulars based on their studies of the anatomy and electromechanical composition of the human body, and the studies of the electrical, chemical, and biological properties of the human brain. These computers were fed, as well, with the languages of all human cultures and their meanings. The dialects of all cultures have been fed into the computers from satellite transmissions. The Soviets began to feed the computers with objective programs like the ones of the new messiah. It also seems that the Soviets - the new world order people - have resorted to suicidal methods with the human society by allocating electronic wavelengths for every person and every society and culture to induce suicidal thoughts if the person doesn't comply with the dictates of the new world order.

NASA [National Aeronautics and Space Administration] Blue Beam Project
PART 1: [What is going on in our skies? Is Project Blue Beam Real?](#)

The Blue Beam Project will pretend to be the universal fulfillment of the prophecies of old, as major an event as that which occurred 2,000 years ago. In principle, it will make use of the skies as a movie screen (on the sodium layer at about 60 miles) as space-based laser-generating satellites project simultaneous images to the four corners of the planet in every language and dialect according to the region. It deals with the religious aspect of the new world order and is deception and seduction on a massive scale.

Computers will coordinate the satellites and software already in place will run the sky show. Holographic images are based on nearly identical signals combining to produce an image or hologram with deep perspective which is equally applicable to acoustic ELF, VLF and LF waves and optical phenomena. Specifically, the show will consist of multiple holographic images to different parts of the world, each receiving a different image according to the specific national, regional religion. Not a single area will be excluded. With computer animation and sounds appearing to emanate from the very depths of space, astonished ardent followers of the various creeds will witness their own returned messiahs in convincing lifelike reality.

Then the projections of Jesus, Mohammed, Buddha, Krishna, etc., will merge into one after correcting explanations of the mysteries and revelations will have been disclosed. This one god will, in fact, be the Antichrist, who will explain that the various scriptures have been misunderstood and misinterpreted, and that the religions of old are responsible for turning brother against brother, and nation against nation, therefore old religions must be abolished to make way for the new age new world religion, representing the one god Antichrist they see before them.

Naturally, this superbly staged falsification will result in dissolved social and religious disorder on a grand scale, each nation blaming the other for the deception, setting lose millions of programmed religious fanatics through demonic possession on a scale never witnessed before. In addition, this event will occur at a time of profound worldwide political anarchy and general tumult created by some

worldwide catastrophe. The United Nation even now plans to use *Beethoven's 'Song of Joy'* as the anthem for the introduction for the new age one world religion. If we put this space show in parallel with the Star Wars program, we get this: combination of electromagnetic radiation and hypnosis which have also been the subject of intensive research. In 1974, for instance, researcher G. F. Shapits, said of one of the research proposals that, '...in this investigation it will be shown that the spoken words of the hypnotist may also be converted by electromagnetic energy directly and to the subconscious part of the human brain without employing any mechanical device for receiving or transporting the message, and without the person exposed to such influence having a chance to control the information input consciously. It may be expected that rationalized behavior will be considered to have been taken out of their own free will.'

Artificial Thought & Communication

The advancement of techniques propels us toward the third step in the Blue Beam Project that goes along with the telepathic and electronically augmented two-way communication where ELF, VLF and LF waves will reach each person from within his or her own mind, convincing each of them that their own god is speaking to them from the very depths of their own soul. Such rays from satellites are fed from the memories of computers that have stored massive data about every human on earth, and their languages. The rays will then interlace with their natural thinking to form what we call diffuse artificial thought.

That kind of technology goes into the 1970s, 1980s, and 1990s research where the human brain has been compared to a computer. Information is fed in, processed, integrated and then a response is formulated and acted upon. Mind controllers manipulate information the same way a computer for grammar manipulates information. In January 1991, the University of Arizona hosted a conference entitled, 'The NATO Advanced Research Workshop on Current and Emergent Phenomena and Bimolecular Systems.' What does that mean exactly? It means this: We refer to one paper that was delivered at the conference which stands out for its different attitude towards the development under discussion at that time. It was, in effect, a protest and chilling warning to the attending scientists about the potential abuse of their research findings.

Their findings, of course, stated that the United States has already developed communications equipment which can make the blind see, the deaf hear and the lame walk. It can relieve the terminally ill from pain without the use of drugs or surgery. I'm not talking about science fiction. A man might retain the use of all his faculties right up to the moment of his death. This communications equipment depends upon a completely new way of looking at the human brain and neuromuscular systems and radiation pulses at ultra-low frequencies. Some of this equipment is now operational within the Central Intelligence Agency (CIA), and Federal Bureau of Investigation (FBI). It will never be used to make the blind see, the deaf hear and the lame walk because it is central to the domestic political agenda and foreign policy of George Bush and his puppet-masters of the new world order.

Domestically, the new communications equipment is being used to torture and murder persons who match profiles imagined to be able to screen a given population for terrorists; to torture and murder citizens who belong to organizations

which promote tolerance and peace and development in Central America; to torture and murder citizens who belong to organizations who oppose the development and deployment of nuclear weapons, and to create a race of slave cult automatons, or what is popularly called 'the Manchurian Candidates.' Overseas experimentation is taking place on hostages held by the United States and Canada, Great Britain, Australia, Germany, Finland and France. Additionally, there has been a long series of bizarre suicides among British computer scientists, all of whom have had some connection to the United States Navy.

What is possible to ask before such a psychology of terror is this: would any government, corporation or psychiatrist willfully promote such horror today? The answer is quite obviously, 'Yes.'

Government agencies and the corporations that work with them toward a new world order are prepared to promote anything that will help them achieve their objective of total social control. As for the question of why: For one thing, if you terrify the public and make them fear for their safety, they will allow you to implement draconian law enforcement practice, disarm them and keep extensive records on them, and they only have to tell you that it is all to protect you, of course. Secondly, it promotes the decay of the present democratic forms of political systems and leads societies to search for alternative methods of political ideology. Of course, the alternative has already been planned. It is called the New World Order and it will not have your safety or interests at heart. As George Bush said, 'Read my lips.' Fear has always been used by powerful elite to control and subjugate the masses.

The old maxim, 'divide and conquer', is being played out to the limit worldwide to ensure that everyone is frightened for their personal safety, and to be suspicious of everyone else. This, too, is mind-control. To go further in regard to the new technology which is at the base of the NASA Blue Beam Project, we have to consider this statement by psychologist James V. McConnell which was published in a 1970s issue of Psychology Today. He said, 'The day has come when we can combine sensory deprivation with drug hypnosis and astute manipulation of reward and punishment to gain almost absolute control over an individual's behavior. It should then be possible to achieve a very rapid and highly effective type of positive brainwashing that would allow us to make dramatic changes in a person's behavior and personality.'

Now, when we talked before about that kind of ray and the telepathic and electronically augmented communication, the kind of rays that are fed from the memories of computers which store massive data about humans, human language and dialects, and we said that the people will be reached from within, making each person to believe that his own god is speaking directly from within his or her own soul, we refer to that kind of technology and that kind of thinking that same psychologist was espousing, that is: we should be trained from birth that we should all do what society wants us to do rather than what we want to do for ourselves; that because they have the technology to do it, no one should now be allowed to have their own individual personality. This statement and these ideas are important because it is the basic teaching of the United Nations that no one owns his or her own personality. And that same psychologist claims that no one has any say-so about the kind of personality they acquire and there is no reason to believe you have

the right to refuse to acquire a new personality if your old personality is considered 'antisocial.'

What is important in this declaration is that the new world order will be set up over the current system, meaning the old way of thinking and behavior and religion will be considered the 'old' and incorrect way of thinking and that they can change it at one of the eradication camps of the United Nations to make sure that anyone with this 'antisocial' behavior will be disposed of quickly so that other modified individuals will be able to fulfill the needs and agendas of the new world order without being distracted by the truth.

Could this be the greatest mind control project ever?

The NASA Blue Beam Project is the prime directive for the new world order's absolute control over the populations of the entire earth. I would suggest you investigate this information carefully before dismissing it as fanatical lunacy. If we go further in the different reports we have presented, we find that the mind-control operations and technology include a transmitter that broadcasts at the same frequency as the human nervous-system, which transmitter is manufactured by the Loral Electro-Optical System in Pasadena, California. Loral, a major defense contractor, has previously conducted research on directed energy weapons for Lt. Gen. Leonard Perez of the U. S. Air Force who was searching for a weapon that could implant messages into the minds of the enemy while urging his own troops on to superhuman deeds of valor! The device employs electromagnetic radiation of gigahertz frequencies [microwaves] pulsed at extremely low frequencies (ELF). It is used to torture people both physically and mentally from a distance.

Weapons of this type are thought to have been used against a British woman protesting the presence of American Cruise Missiles at Greenham Common Airbase during the 1970s. This weapon can be used to induce total sensory deprivation by broadcasting signals into the auditory nerve at such high power that it blocks the ability of the individual to hear themselves think!

The process employed by such ELF technology are described in various U. S. Defense Department publications, including one entitled, ' The Electromagnetic Spectrum and Low Intensity Conflict,' by Captain Paul E. Tyler, Medical Commandant, U. S. Navy, which is included in a collection entitled, 'Low Intensity Conflict and Modern Technology Edict,' by Lt. Col David G. Dean, USAF. The paper was delivered in 1984 and the collection published 1986 by Air University Press, Maxwell Airforce Base, Alabama. Another pulse microwave device can deliver audible signals directly to an individual while remaining undetectable to anyone else. The technology is very simple and can be built by using an ordinary police radar gun. The microwave beam generated by the device is modulated at audio frequencies and can broadcast messages directly into the brain. Now here we come to the NASA Blue Beam Project. The broadcasting of subliminal two-way communication and images from the depths of space correspond directly to that kind of technology.

The third step in the NASA Blue Beam Project is called the Telepathic Electronic Two-Way Communication. Lt. Col John Alexander's article continues:

"If it is possible to feed artificial thought into the mutagenic field via satellite, the mind control of the entire planet is now possible. An individual's only resistance would be to constantly question the motivation behind their thoughts and not act upon thoughts which they consider to be outside their own ideological, religious and moral boundaries."

Once again, it is wise to consider how television, advertising, modern education and various types of social pressure are used to manipulate those boundaries. It has been reported by Lt. Col Alexander who said, in the summary of his Military Review article,

'The information on those kinds of technologies presented here would be considered by some to be ridiculous since it does not conform to their view of reality. But some people still believe the world is flat.'

Now, this means a lot, because if people do not believe this kind of technology is possible, or that it is science fiction, those people put themselves in great jeopardy, because on the night when those thousand stars will shine from space, during the night when the new messiah will be presented to the world, they will not be prepared and will have no time to prepare to save themselves against that kind of technology. They don't believe and they won't take time to prepare.

(This is exactly what happens to people who are convinced by Satan into believing that he doesn't exist, so they have no defense against him. - JAH)

Universal Supernatural Manifestations via Electronics

The fourth step concerns the universal supernatural manifestation with electronic means. It contains three different orientations.

One is to make mankind believe that an alien (off-world) invasion is about to occur at every major city on earth in order to provoke each major nation to use its nuclear weapons in order to strike back. This way, the United Nations Court will require that all those nations which launched nuclear weapons to disarm when the invasion is shown to have been false. And how will the United Nations know that the invasion was false? They will have staged it, of course.

The second is to make the Christians believe that the Rapture is going to occur with the supposed divine intervention of an alien (off-world) civilization coming to rescue earthlings from a savage and merciless demon. Its goal will be to dispose of all significant opposition to the implementation of the New World Order in one major stroke, actually within hours of the beginning of the sky show!

The third orientation in the fourth step is a mixture of electronic and supernatural forces. The waves used at that time will allow "supernatural forces" to travel through optical fibers, coaxial cables (TV) electrical and phone lines in order to penetrate to everyone at once through major appliances. ***Embedded chips will already be in place.*** The goal of this deals with global satanic ghosts projected all around the world in order to push all populations to the edge of hysteria and madness, to drown them into a wave of suicide, murder and permanent psychological disorders. After the Night of the Thousand Stars, worldwide populations will be ready for the new messiah to re-establish order and peace at any cost, even at the cost of abdication of freedom.

Phasing Out Cash & Independence

The techniques used in the fourth step are exactly the same used in the past in the USSR to force the people to accept Communism. The same technique will be used by the United Nations to implement the new world religion and the new world order. A lot of people ask when this is going to happen and how they will accomplish the visions of the Night of a Thousand Stars, and the events that will point to the days when it begins.

According to the many reports we have received, we believe it will begin with some kind of worldwide economic disaster. Not a complete crash, but enough to allow them to introduce some kind of in-between currency before they introduce their electronic cash to replace all paper or plastic money. The in-between currency will be used to force anyone with savings to spend or turn in their cash because they understand that people who have money and are not dependent upon them might be the very ones who will mount an insurrection against them. If everyone is broke, no one can fund a war of any kind: ***paper currency will cease to exist.*** This is one of the first signs.

But to implement the worldwide electronic money system, everyone in the world who might have money in the future, will have to have a way to transfer money electronically. Before that time, everyone will have spent all of their cash, reserves and assets. Everyone has to be 100% dependent upon the Council for their existence. To prevent any kind of independence, the new world order has already implanted microchips in wild animals, birds, fish, etc. Why? They want to make certain that the people who will not accept the New World Order will not be able to hunt or fish anywhere in the world. If they try, they will be tracked and traced by satellites, then hunted down and imprisoned or killed.

The new world order is already changing the laws of all nations to make everyone dependent upon a single food and vitamin supply. They are changing laws about religion and psychiatric disorders in order to identify anyone who is potentially threatening to the NWO. Those who are found defective will be sent to **eradication camps where their organs will be taken and sold to the highest bidders.** Those who are not killed outright will be used as slave labor or used in medical experiments. The goal of a dictatorship is to control everyone, everywhere on the planet, ruthlessly and without exception. That's why the new technology being introduced everywhere is a technology for the control of the people. The technology of the 1940s and 1950s was used to help the people have an easier and more productive life.

The new technology is designed and built to track down and control people everywhere. This technology is being manufactured for a specific purpose and to refuse to see and recognize that purpose, which is to enslave the entire populations of the world, is to deny the emergence of the Antichrist and the establishment of the new world order religion and government. If you cannot see, if you cannot learn, if you cannot understand, then you and your family and friends will succumb to the fires of the crematoria that have been built in every state and every major city on earth, built to deal with you. No one is safe in a totalitarian police state!"

Holographic Figures will be Projected in the Firmament

Ref: message to Jennifer 12/12/14 Urgent call of Jesus, the Good Pastor, to His flock.

Jesus is speaking: "Peace to you, sheep of my flock.

During the time of my adversary, all the technology of this world will be at his service. Already trial runs and installation into electronic apparatus is underway of technologies that will emit waves into the brain that will modify human behavior.

By means of those telephones that you call cellular's, all my adversary's malice and deception will be spread; that being of iniquity will communicate holographically with humanity by means of the cellular and all technology will be used to subjugate the human population.

My children, the evil use of technology is robbing the soul of my youths and it will be they who are the most vulnerable in the time of my adversary, because the young are more prone to use this technology of death. During the time of the New World Order, all technology will be used to manipulate the human will.

Big Brother, as this technology will be called, will take control of the mind of all those that use it; electromagnetic waves charged with spiritual venom will make all the persons who use these technologies, now act as savage wild beast, they will be handled like marionettes. Subliminal messages will affect the cerebral waves, reducing these users of the technology into guinea pigs.

All of this technology, which is about to come out onto the market, has as its purpose to manipulate the human will. Big Brother will enslave the immense majority of humanity; you will be spied upon, day and night, without being aware of it, you will be tracked wherever you may be, and should someone attempt to rebel, his or her brain will be electrocuted to bring about death.

Remember that in the time of my adversary, all will be managed with the microchip; I tell you this so that you understand everything. Satellite technology is being tested to serve the interest of my adversary during his time. Holographic figures with spiritual images will be projected in the firmament.

My adversary will display himself as the Christ and Messiah for the Catholic, Jewish and Christian world; as Buddha for Oriental's, as Krishna for Hindus, as Mohammed and Allah for the Muslims. The holographic images will move and speak, and the immense majority of humanity will fall for the deception and render cult and honor to my adversary as if he were God Himself.

Listen to my Word: he will work great prodigies, even so great as to make fire descend from the sky to the earth in the sight of men. 'They gave power to the statue of the beast even to the point of making it talk and having it slay all those who would not adore it' (Apocalypses 13:13-15).

My children, prepare because the days of anguish are near; remember that all is a deception of my adversary and his agents of evil to get you killed; see, I forewarn you so that when this happens you not render cult to the beast, because if you do, you will be eternally lost.

Seal yourselves with my Blood and hide in my Wounds; take all spiritual contaminates to the Wound in my left hand; do not accept the mark, neither use the technology of death about to come out, for it will be at the service of my adversary.

Seal with my Blood, again I say to you; televisions, computers, telephones, cellular's, radios, transistors, and all the gadgets my adversary can use to filter his voice to you.

Remember that you will be as sheep in the midst of wolves; be, therefore, as meek as doves and as astute as serpents; do not get separated from our Two Hearts so that you may be able to arrive safe to the gates of the New Creation.

My peace I leave you, my peace I give you. Repent and convert, for the Kingdom of God is at hand."

This image represents holographic images combined with real mass destruction. All created by man to support a one world government and a one world religion under the rule of the antichrist. The deception of the devil is in progress. The new technology is designed and built to track down and control people everywhere.

The Nature and Purpose of the Moon

Re: Earth and Moon by Jacob Lorber: 121

God the Father is speaking: "The moon is a celestial body more solid than your Earth. As a child of the Earth, she was formed of the components of the Earth. The reason the moon has been assigned to the Earth is to collect the magnetic power that the Earth radiates, and to reflect that power back to the Earth in accordance with the Earth's needs. That is why the orbit of the moon around the Earth is so eccentric, because the orbit of the moon is dependent upon the greater or lesser quantity of magnetism that is present on Earth. On the other hand, the orbit of the moon, as the collector of this substance, is determined in accordance with the requirements of the Earth for this natural life substance. Such is the moon's main task.

Planets smaller than the Earth do not require a moon; instead, there are very high mountains, as for instance those on Venus, Mercury, Mars, and many other smaller planets. The larger planets must, however, be provided with one or even several moons, so that these moons may carry out the services mentioned. As on Earth, there are also human beings on the moon, and there are also many other creatures. There is, however, not one moon that, on the side facing its planet, is provided with air, water, or fire, or any of the other necessities required for organic life.

The moon is actually a "moon" only on the side facing the Earth; on the opposite side, however, it is not a "moon," but a completely firm continent. That is why the part which is "moon" is not solid, but very loose, almost like the foam of the ocean that has firmed up a little, and whose firmer parts project like hills, whilst the softer parts have caved in and appear niche-shaped and crater-shaped towards the center of the celestial body. In some of these niches and craters, atmospheric air is trapped, unable to escape, and may easily be taken for water when viewed through a powerful telescope. None of the heights or the shallow craters contain any atmospheric air, but only ether, the same as that which is found in free space between the sun and the planets.

That is why this side of the moon is not inhabited by any organic being; rather, ***her inhabitants here are of a spiritual kind.*** These spiritual inhabitants were very obsessed with worldly things during their physical life on Earth and were banished to the moon for their betterment. When, after a long time, these inhabitants realize that an obsession with worldly matters does not bear fruit, and when they listen to the teachers who are sent to them, then those who are willing will be guided to a state of higher freedom. Those who are less obedient will incarnate on the opposite side of the moon, and there be obliged to work out a meager and pitiful living. There they must struggle not only with severe cold and darkness, but also with unbearable heat, because the duration of one moon night is equivalent to fourteen full Earth days, and the moon day is just as long. At the end of each moon night, it becomes as cold as it does at the North Pole on Earth. And from midday towards the end of the moon day, it is so hot that no living being can remain on the surface of the moon.

The human inhabitants on the opposite side of the moon, as well as the other living creatures, live below the surface. They have to remain in their subterranean dwellings for half the day as well as half the night. There are no houses or cities,

their dwellings being located individually in the depths of the moon's soil, and also in caves and mountain crevices.

Moreover, there are no trees that bear fruit, but only root plants, such as potatoes, beets, carrots, and so on as on Earth. These plants are planted at the beginning of the day and ripen by its end. At the onset of dusk, the people come out of their caverns, harvest the crop, and carry it into their subterranean dwellings, and they nourish themselves with this crop throughout the night and also through the following full day.

There is only one kind of domesticated animal, a type of sheep, which is to these people what the reindeer is to the northern inhabitants on Earth.

In rivers as well as in lakes, which are plentiful on the moon, live a multitude of water animals. There are also several small kinds of birds, similar to your sparrows, and also a host of insects and animals that live on the soil.

Beware that in the future you do not become an inhabitant of this wretched celestial body, because this yellow-gleaming schoolhouse of life is a stern prison. It would be considerably easier to die fourteen times in one day on Earth than to live for one day on the moon, for the inhabitants are considerably worse off than those who are buried in the cemeteries on Earth, because they do not know they are buried. The inhabitants of the moon must live with full consciousness in their graves, and frequently they are buried in their subterranean dwellings by cave-ins or sudden flooding."

The Human Beings on the Moon

Ref: Earth and Moon by Jacob Lorber 125

God the Father is speaking: "The human beings on the moon are, as on Earth, of both sexes. They were, however, created a thousand years later by an authorized angel. They have a height of a little more than roughly twenty-four inches (60 centimeters) and have a great resemblance to the Nordic dwarves. They have big bellies, the inner organization of which serves two purposes; one is the digestion of nourishment through a conventional stomach, and the other the collection of a kind of light gas in a second stomach, which affords them a threefold advantage.

First, this gas makes the inhabitants of the moon so light that they can jump over any river effortlessly. Wherever there are rivers or inland seas of large breadth, they can easily swim over the surface.

The second advantage is that, on expelling this air, they can produce popping sounds, whereby they can make their presence known to one another in their subterranean dwellings. They also employ this air for their lung-speech, which is, of course, very weak and low-pitched. Initially, moon dwellers detest this kind of speech, and it is only made use of by the spirit which is placed in the moon dweller for his betterment. When this spirit of an earthly person finally becomes completely one with the soul of a moon person, this union leads mostly to the painless casting aside of the body of the moon person.

A third advantage of this stomach air is that the inhabitants can heat their subterranean caverns during the cold nights by frequently discharging such air. Their cavern dwellings are hollowed out from the inside in such a **way that they almost resemble an obtuse bell**, whereto the entrance may be reached from the ground by some kind of stairs. This expelled light air gathers under this **air-tight**

residential bell, making it tolerably warm; it also prevents the free ingress of the exceedingly cold atmospheric air. The atmospheric air is taken in by the light gas only in such quantity as is absolutely necessary to sustain physical life. The stomach air serves the same purpose during the unbearably hot periods of the day, when the moon dwellers have to stay below in the ground; but with the difference that the gas will now, by the influence of the stomach for nourishment, change into a cooling oxygen gas. This protects the bell dwelling from the intrusion of hot air.

Another peculiarity of these human beings is that their eyes fulfill a double function. The first is just like that of people on Earth, namely, sight. The second function is that their eyes serve as a light in the dark dwellings. This attribute may also be found on Earth with certain animals. Another peculiarity of the moon people is their extremely acute sense of hearing; they can easily hear the faintest noise from a considerable distance. That is why their auricles are extremely large and firm.

The male is considerably stronger than the female. When the strength of the male is compared to that of a female, it is like a fully grown man on Earth compared to a ten-year-old child. That is why moon men display the greatest tenderness towards their weak wives; they carry them mostly on their shoulders in such a manner that the legs of the female hang down over the chest of the male on both sides of the neck. This is the reason why, on the moon, you will always see two human beings, one sitting atop the other.

The woman has almost no work to do. She is fed by the man, even to the point that the man first chews the food thoroughly and then places it into the woman's mouth. Outside of the dwelling, the woman leaves the man's shoulders only when it is absolutely necessary, and in the last days of pregnancy, when she is close to delivery. During her whole life on the moon, a woman bears children only twice, once during the day and once during the night. She always bears four living children, four boys during the day, and four girls during the night. The children can walk immediately; the boys soon become accustomed to carrying the girls. And children die on the moon as they do on Earth. When they are a hundred or more moon days old, they are "possessed" by alien spirits.

All moon people have second sight and are taught about the recognition of God in their innermost by the angel-spirits that enter them. This instruction serves the inherent spirit of the Earth human being at the same time. Harm that a human being on Earth inflicted on his soul, on account of his obsession for earthly things, will thereby be removed through the soul of a human being on the moon. A human being that has been reformed under such circumstances has, therefore, only a patched soul, and this will always be distinguishable from entirely pure spirits. He will never be able to enter into their free society but will always have to conduct himself as the moon does towards the Earth. The moon always accompanies the Earth, but it may not approach the Earth as friend to friend.

Only those spirits which did not need to be placed into moon people, but who, as moon spirits, already had a genuine disgust for the Earth will be guided from the moon to higher regions and may be taken into the spiritual children's kingdom which, for them, is the highest attainable level of bliss. It is impossible for them to attain greater heights. Because of their limited attributes, they do not have the ability to endure a higher state, just as human beings on Earth would not be able to survive in the finest ether while alive in the physical body.

Behold, such is the fate of worldly-minded human beings. He who does not voluntarily renounce the world out of love for Me, and from whom worldly obsessions must be driven out by means of coercion as a result of My mercy, has not acted voluntarily and will therefore remain a slave. But who would deem the coerced deeds of a slave his own earnings? If, however, a slave fulfills all his tasks, he is worth his bread as nourishment, so that he may live, because he willingly worked, even if by compulsion."

Aliens on the Moon

Massive UFO fleet is hiding behind the Moon claims government whistleblower.

Posted by Debby "Many Nations" on October 13, 2015

Dr. Eric Norton, who has worked for over ten years as an outside consultant for both NASA and the National Security Agency watching the skies for threats such as asteroids or comets claims that in 2012, he saw a massive fleet of extraterrestrial spaceships hiding behind Earth's natural satellite. (the Moon)

Dr. Norton added: "This would be a concern if revealed to the public. It would not only change the game forever, and we're not just talking about the breakdown of all religions and total over all of everything we have ever known about the universe and space but we are talking about the breakdown of society itself. WE are talking about a subject matter that even up until today carries with it a level of disbelief amongst the majority of the world-wide community."

UFOs are being seen all over the world and high-ranking Government, Air Force, Army, Navy officials, also Astronauts are now coming forward as witnesses to the UFO, ET (extraterrestrial), and free energy secrecy that has been withheld from the public for many years. The truth will be disclosed, let's begin:

The Artificial Moon Surface

[Michio Kaku: "The Horrible Discovery of Chandrayaan-3 JUST STOPPED THE WORLD"](#)

Is Our Moon an Artificial Satellite

Ref: <https://www.inquisitr.com/1917650/our-moon-is-an-alien-ufo-spaceship-parked-in-orbit-around-earth-ufologists-claim/>

“UFOlogists have proposed that the moon, believed to be a natural satellite of Earth, is, in fact, a huge spaceship, a gigantic UFO, parked in orbit around the Earth by an advanced technological civilization.

The proposal that the moon is an artificial satellite of Earth, specifically an alien spaceship, a massive UFO, parked in orbit around the Earth, is known as the Spaceship Moon Theory, Artificial Moon Theory, or Alien Moon Theory.

According to proponents of the Spaceship Moon Theory in the UFO community, there is evidence to suggest that the moon was built by an alien civilization with science and technology much more developed than ours.

The Spaceship Moon Theory claims that the moon, as an alien UFO parked in orbit around the Earth, has a hollow inside. In other words, the moon is a hollowed-out artificial structure containing an underground base serving also as the interior of a gigantic UFO spaceship.

The startling hypothesis was first proposed in 1970 by two Russian scientists, members of the Soviet Academy of Science, Michael Vasin and Alexander Shcherbakov, in an article, “Is the Moon the Creation of Alien Intelligence?”

Vasin and Shcherbakov suggested that the moon was a natural space body converted into an artificial structure by alien engineers who melted the original solid core, deposited the molten lava on the lunar surface, and created an inner lunar space protected by an artificial shell below the outer shell we know as the lunar surface.

The alien race then placed their gigantic UFO in orbit around the Earth for reasons we can only speculate about.

Part of evidence that Vasin and Shcherbakov presented in support of the theory that the moon has an inner shell made of strong high-tensile engineering material was that lunar craters formed from impact of large space rocks are generally shallower than expected and that the bottoms of the craters tend to be flat or convex.

According to the theorists, this suggests that large meteors impacting on the lunar surface are unable to dig deeper because they hit an impenetrable inner shell made of a high-tensile material.

Vasin and Shcherbakov thus suggested that the moon consists of a natural rocky outer layer that is only about five miles thick and an inner shell that is up to 20 miles thick. Below the inner shell is a cavity that could contain an “atmosphere” to support alien life.

Other proponents of the hollowed-out Spaceship Moon Theory include Don Wilson, who published a book *Our Mysterious Spaceship Moon* in 1975, and George H. Leonard in his 1976 book, *Someone Else is On the Moon*.

One of the major reasons for believing the moon is hollow, according to Spaceship Moon theorists, is its calculated mean density of 3.3gm/cm³, compared with Earth’s 5.5 gm/cm³.

Proponents of the Spaceship Moon Theory claim that the unexpectedly low mean density of the moon caused NASA Scientist Gordon MacDonald to remark,

"[T]he data require that the interior of the Moon is more like a hollow than a homogeneous sphere."

MIT's Sean C. Solomon is also quoted as having written that "the Lunar Orbiter experiments vastly improved our knowledge of the Moon's gravitational field... indicating the frightening possibility that the Moon might be hollow."

An incident that Spaceship Moon theorists often cite as proof that the moon is hollow occurred on November 20, 1969, when the Apollo 12 crew conducted the Passive Seismic Experiment by crashing the Apollo 12 Lunar Module into the Moon, the impact created an artificial moonquake that caused the moon to reverberate "like a gong" for nearly an hour.

A similar observation was made during the Apollo 13 mission, with instruments recording reverberations that lasted for more than three hours, compared with a few minutes for the Earth, even in large earthquakes.

According to a NASA document relating to the 1970 Apollo 13 mission, "Nothing comparable happens when objects strike Earth."

"Back in November 1969, the Apollo 12 astronauts had sent their Lunar Module crashing into the Moon following their return to the command craft after the lunar landing mission. That Lunar Module struck with a force of one ton of TNT. The shock waves built up to a peak in eight minutes and continued for nearly an hour. The information from these two artificial moonquakes led to reconsideration of theories proposed about the lunar interior. Among puzzling features are the rapid build-up to the peak and the prolonged reverberations. Nothing comparable happens when objects strike Earth."

Spaceship Moon theorists claim that as a natural satellite, the moon is an outrageous anomaly, being obviously too big to have been captured naturally in the Earth's orbit, as Isaac Asimov acknowledged in his book *Asimov on Astronomy*, published in 1974.

The video below, produced by a Spaceship Moon theorist, lists some of the moon anomalies claimed to indicate that the moon is a gigantic alien spaceship.

The debate about the origin of the moon, supposedly a natural satellite of the Earth, continues to rage, and proponents of the Spaceship Moon theory point out that the seemingly intractable difficulties in accounting for the moon as a supposed natural satellite of the Earth point to its artificial, or more precisely, alien technological origin.

As far as UFOlogists are concerned, recent sightings of UFO fleets over the moon suggest there could be a massive underground hangar for spacecraft in the moon.

UFOlogists also point to testimonies by highly qualified NASA astronauts, such as Leroy Chiao and Buzz Aldrin.

UFOlogists poring over Google Moon images claim regular discoveries of anomalies on the lunar surface that indicate that the moon has a hollow inside that serves as an alien base and interior of a giant UFO spaceship.

UFOlogists have also held that the reason why NASA has not returned to the moon since the Apollo missions is that aliens are there."

UFO - Satellite Moon Base

Ref: Conchiglia June 24th, 2014, July 9th, 2014

God the Father is speaking: "In the beginning of Creation, Planet Earth was completely still and did not rotate upon itself and also her 'true Moon' was still.

When Satan decided to appropriate the Earth through his servants destroyed the 'true Moon' dispersed in many shattering asteroids. They replaced the 'true Moon' with a 'new artificial moon' made it their base of operations, and from there through the magnetic energy induced a huge attraction causing the inclination of the Earth and the consequent rotation.

Can you imagine the scene, comparing the action of your hand on a top that from being still then starts spinning with all the negative consequences that resulted?

The satellite moon is used as a "base" by different alien races, including terrestrials who serve them that have the power of the Earth and Humanity on Earth. From the artificial Moon satellite control your body and take away your 'vital energy' and you feel tired, and the body needs to rest. Human life has been reduced by many years.

Nature is also controlled in the same way to slow down and keep at bay the food chain.

Because of the 'night-darkness' Nature does not produce fruit and man is forced to work much and tire much to draw nourishment from the earth and hence survive in slave form.

They persist on your body because they are unable to intervene completely on your 'reason-brain' and 'feeling-heart-Soul' because they have not found the access key that I only know. For this reason, they modified your DNA...to take away many years of life.

In relation to your social classes: work, leisure, fun, diseases, all sorts of troubles...concealment and destruction of ancient testimonies to hide the Real Time Spent, to hide the discoveries, the inventions and all knowledge. They constantly destroy for you to constantly rebuild and like this you remain always from the beginning and not evolve.

Many places on Earth are inaccessible and humanly uninhabitable since it is their particular territory, inaccessible to intruders and curious 'you.' Under the Poles and under the oceans there are dimensional passages and underground bases that communicate among them, tunnels and underground cities in every direction of the Planet, a secret world just at the center of the Earth. As in heaven so is on Earth.

The stadiums and subways are strategic covers through which they act undisturbed to build tunnels, bunkers and railroads. The real life in the Vatican, which is the 'headquarter of the Planet' takes place in the basement of St. Peter's and from those underground, connect to the headquarters of all the Heads of Stat of the World.

The alien races in agreement among them and to Scientists in every field control Education to ensure that the propagation and teaching of wrong things, lest we evolve in any field, less knowledge and more control and thereby power.

Scientists are nothing more than pawns they use under strict control. Initially unaware of being prisoners in their hands, threatened and blackmailed, and guinea pigs themselves, make them go forward in their discoveries and experiments to see to what extent they are evolving.

The 'Star Wars' exists; asteroids are directed specifically to destroy, if it were not for the Celestial Militia led by Saint Michael the Archangel. Humanity on Earth would have become extinct long time ago unimaginable to you because the Earth is now under the yoke of Satan. Multitudes of men are under the yoke of Satan. Only the children of God are not spiritually subjected, however, they are physically and materially. They have a free spirit, but the chains of society penalize and pursue them. Humanity is not free because it has departed from Me. Scientist have discovered the fact that the powers are strongly concealed. Not only is the 'satellite moon' inhabited and used as a base of operations to and from the Earth, but other planets also.

They make you believe that it is inaccessible and uninhabitable to keep you away from there. Thousands have been eliminated 'some Scientist' and there are many ways they have used and use to silence them, subdue, disappear, lobotomize. For the more they lose the memory inoculating memories and seaming strange but not to stir up too much suspicion, leave some of them to go ahead with some research and if they invent or discover something good that could benefit Humanity then they intervene and, either seize the invention, or buy it only to hide it, or use it against you to destroy the body and the Soul and to destroy the ecosystem not suitable to their conformation, **because they have a genetic and physical structure different from yours although their appearance presents a picture similar to yours.**

As I said, the gradual removal of the 'artificial moon' thanks to the intervention of the Celestial Militia (angels) is causing the slowing of the rotation of the Earth's core. **This removal of the 'artificial moon' from Earth is causing the melting of glaciers created artificially as a refrigerator, because it reduces the power of magnetic energy and this will also cause, that the Earth will stop spinning on itself and go back to being firm on its axis, as in the beginning of its creation.**

[Note: When the earth returns to how it was in the beginning of creation, it will be the end of all life above, on, and below the earth. Now the **New Earth** will begin its creation process.]

The Earth will no longer be covered by the 'umbra's cone-shaped shadow' caused by the 'artificial moon' and will enjoy the diffuse light and warm temperatures, no longer too hot nor too cold. The melted glaciers will give way to the green nature and the rising

of the water will restore deserts and Nature will take again to smile.

Many changes will be, because the correction of the Earth's axis will result in a shift of 46 degrees as I showed you in a vision years ago so the land will move back to meet each other as the beginning and the survivor Humanity will again begin its ascendant journey. They will again speak a common language to all and will comprehend each other and thereby they will share the knowledge with simplicity, and I thank the new and luscious Nature which will be returned to gleam in the origin of Creation and in this magnificent nature and new environment, Man, also renewed in the spirit will finally resume its proper evolutionary path which will lead you to the starting point as during the Origin of Creation.

That is why the moon will be no more Conchiglia, as you have already been told, for Humanity to live in peace on Earth. I have so many other things to say but now rest.”

Why are we heading back to the Moon, only this time to stay!

UFO – Bible verses

Acts 9:3

Now as he went on his way, he approached Damascus, and suddenly a light from heaven flashed around him.

Revelation 16:14

For they are demonic spirits, performing signs, who go abroad to the kings of the whole world, to assemble them for battle on the great day of God the Almighty.

Matthew 24:38-42

In those days before the flood, they were eating and drinking, marrying and giving in marriage, up to the day that Noah entered the ark. They did not know until the flood came and carried them all away. So will it be also at the coming of the Son of Man. Two men will be out in the field; one will be taken, and one will be left. Two women will be grinding at the mill; one will be taken, and one will be left. Therefore, stay awake! For you do not know on which day your Lord will come.

2 Corinthians 11:14

And no wonder, for even Satan disguises himself as an angel of light.

Ephesians 6:12

For we do not wrestle against flesh and blood, but against the rulers, against the authorities, against the cosmic powers over this present darkness, against the spiritual forces of evil in the heavenly places.

2 Thessalonians 2:9

The coming of the lawless one is by the activity of Satan with all power and false signs and wonders.

Revelation 12:12

Therefore, rejoice O heavens and you who dwell in them! But woe to you, O earth and sea, for the devil has come down to you in great wrath, because he knows that his time is short!"

Joel 2:2 A Day of darkness and gloom, a day of clouds and thick darkness! Like blackness there is spread upon the mountains a great and powerful people; their like has never been before, nor will be again after them through the years of all generations.

Isaiah 13:5

They come from a distant land, from the end of the heavens, the Lord and the weapons of his indignation, to destroy the whole land.

Zechariah 5:1-11 Again I lifted my eyes and saw, and behold, a flying scroll! And he said to me, "What do you see?" I answered, "I see a flying scroll. Its length is twenty cubits, and its width ten cubits." Then he said to me, "This is the curse that goes out over the face of the whole land. For everyone who steals shall be cleaned out according to what is on one side and everyone who swears falsely shall be cleaned out according to what is on the other side. I will send it out, declares the Lord of hosts, and it shall enter the house of the thief, and the house of him who swears falsely by my name. And it shall remain in his house and consume it, both timber and stones." Then the angel who talked with me came forward and said to me, "Lift your eyes and see what this is that is going out."

Ezekiel 1:23

And under the expanse their wings were stretched out straight, one toward another. And each creature had two wings covering its body.

Ezekiel 1:22 Over the heads of the living creatures there was the likeness of an expanse, shining like awe-inspiring crystal, spread out above their heads.

Ezekiel 1:14 And the living creatures darted to and fro, like the appearance of a flash of lightning.

2 Kings 2:11-12

And as they still went on and talked, behold chariots of fire and horses of fire separated the two of them. And Elijah went up by a whirlwind into heaven. And Elisha saw it and he cried, "My father, my father! The chariots of Israel and its horsemen," and he saw him no more. Then he took hold of his own clothes and tore them in two pieces.

Joel 2:5

As with the rumbling of chariots, they leap on the tops of the mountains, like the crackling of a flame of fire devouring the stubble, like a powerful army drawn up for battle.

Genesis 11:7

Come, let us go down and there confuse their language, so that they may not understand one another's speech."

Space Travel

Human Space travel to other worlds will never happen!

God the Father is speaking: "Your sphere of activity is and always will remain the earth, all attempts toward other spheres will fail, you will perish if you dare to enter regions which were closed to you by Me.

You will ask yourselves why I do not intervene with My might when humanity arrogantly dares to penetrate the universe. But a limit has been imposed on their projects; they will not be able to implement their experiments for long, for even these actions merely hasten the end, the forthcoming Judgment. I will let them have their way, so that time and again they will have to realize that their capability will never suffice in order to complete their projects."

Only God is Ruler of the Universe

BD No. 8457 of 04/03/1963 taken from book 89

God the Father is speaking: "Another sign of the approaching end is that people will continue to make ever new attempts to penetrate the mysteries of creation but never in a spiritual way by which alone they can receive an explanation. They intellectually try to ascertain what is still concealed from them, they undertake experiments to explore what exists beyond earth, they want to discover natural laws and only make use of them again for the sake of earthly profit. They exclude Me Myself, the Creator and Provider, the Ruler of the universe, and believe that they can conduct unauthorized research of creations which exist outside of earth.

They will carry on with their experiments despite the fact that they fail time and again because it will never be possible for people to occupy other planets without losing their lives. But even then, I will still respect their determination; I will not stop them so that they will recognize the futility of their projects themselves. And

although they will believe that they can interfere with My creations they will lose sight of their own intellectual limitations.

They could gain unlimited knowledge by spiritual means but only the souls would benefit from this, people, however, only look for earthly advantages and for this reason will not choose the path which could lead them to correct understanding. But all their attempts will fail and only ever cause harm to people who will offer themselves as test objects. Humanity's place is and remains the earth; just as all other celestial bodies are self-contained. The beings who occupy every star, be it the earth or other celestial worlds, are subject to the natural laws I decreed to every star. They will be unable to cancel any of these natural laws or associate with beings from other planets, and any attempt will be paid for with their lives, because it is presumptuous to ignore My laws, common sense alone should tell them to refrain from such experiments. This is already a sign of the approaching end, it is a sign of total disbelief in a God and Creator, or they would not dare to destructively interfere with His creations in the belief that they will be able to create works which travel at speed through the universe. They will be dead works without purpose and goal, they will only prove how presumptuous people are on earth and how dark their spirit is despite their most astonishing calculations, which will nevertheless be wrong as they will have to experience time and again.

People already intervene in all existing laws of nature, yet never for the benefit of their fellow human beings, they only cause physical and spiritual damage, for with their experiments they also change their natural living facilities, they poison the air, the water and thus the purely physical living conditions, but with their godless actions also cause immense damage to the souls which will never be able to mature on earth in such great distance from Me, their God and Creator. This great distance, however, is demonstrated by them, for only satanic influence determines their thinking and doing, only Satan provides them with this thought, because he himself tries to exclude Me and exerts a thoroughly negative influence on people.

The attempt to reach stars beyond earth cannot and will not ever be blessed by Me, but until the end I will still show mercy to those whose souls have not yet completely fallen prey to My adversary, otherwise every attempt would soon be doomed. But I fight for every soul, and as soon as they turn to Me in heartfelt prayer at times of earthly difficulty I will also help them and let them seemingly succeed, yet always with the aim that people should find their way back to Me and let go of their intentions when they have to recognize that they are dependent on a higher

Power, Which can never be understood by their intellect but nevertheless will be grasped by the heart.

You will still hear much more and perhaps even be surprised by the feats people are able to accomplish. But you should know that they receive their strength from My adversary who, like Me, tries to create works amongst My creations which he himself is unable to do and therefore uses the will of people, whom he can easily influence since they have little or no faith at all. Yet they are his final attempts, for his time will have run out and he will instigate his fall into the abyss himself, for when he has caused utmost confusion amongst people I will put an end to his activity, and nothing will remain of the works which people accomplished under his influence. Everything will disintegrate and I will once again restore order on earth, so that it can continue as a school of the spirit and fulfill its purpose in accordance with My will.”

Jesus is speaking: “The attempt to reach stars beyond earth cannot and will not ever be blessed by Me”

Separation of the Planets – Other Worlds

BD 6323 31.07.1955

God the Father is speaking: “Vast distances separate the creations which you behold as stars in the firmament, distances, which you humans cannot estimate and therefore not conquer either, because every single star is a world in its own right and these worlds are hermetically sealed in so far as that they have entirely different atmospheres which are always appropriate to the consistency of the planet itself as well as to their inhabitants. You humans should not believe that My creative spirit could not create and design versatile enough. You should not believe that you will find the same living conditions as on the earth you inhabit on other celestial bodies again, and you should even less believe that these celestial bodies could offer you the same living facilities that are necessary for your survival, if you ever reach the vicinity of such a star. Yet it would be a futile venture, you will never even succeed in establishing contact with other celestial bodies unless it happens on a spiritual level via thought transmissions from these worlds which will always only serve your spiritual progress but never concern humanly intended worldly research.

You humans can indeed develop considerable abilities, you can productively create and design on earth, you can ascertain the forces of nature and utilize them in every conceivable way; by virtue of your intellect, you can deeply penetrate the laws of nature and then become prominent with all your knowledge. Yet your sphere of activity is and always will remain the earth, and if you then try to utilize your intellectual

findings for the benefit of your fellow human beings My blessing will also support your work, your activity, for then My law of eternal order will be upheld. But you also have to stay within this order, you have to observe the laws I Myself have decreed and which are distinctly recognizable in all works of creation. And this also includes the cosmic distance of celestial bodies from your earth; it includes the isolation of every single star from the other which is characterized by a vacuum, by the stratosphere, which makes it impossible to support human life in this space and therefore should also make it distinctly obvious to you that I have isolated you Myself.

For even if you believe that you can overcome such 'obstacles', these attempts will fail, you will perish if you dare to enter regions which were closed to you by Me. Thereby you only prove that you are spiritually very arrogant in believing that you can render divine natural laws ineffective, you prove that you neither acknowledge these laws nor the Lawmaker, and you prove that you humans are ready for the total transformation of this earth because you lack the most important realization: that Someone is above you Who has the last Word, that you do not recognize this One or you would not undertake something that you, as inhabitants of this earth, are not entitled to do: to make other worlds the goal of your research, which are and will always remain totally inaccessible to you, because every star serves to mature the spiritual beings whose degrees of maturity are so different that they all need different creations. Creations, in which you humans cannot survive, and therefore there can never be contact between two worlds. My creative spirit and My creative will has truly done nothing without wisdom, but you humans will never be able to ascertain what exists outside your earthly sphere other than that the existence of countless celestial bodies and planets will be established by you with certainty, because this evidence is not harmful to your souls, but any further knowledge can only be spiritually disclosed to you."

Pale Blue Dot: when Voyager 1 looks back at Earth

On Feb. 14, 1990, the Voyager 1 spacecraft looked back at the solar system and took the first-ever picture of planet Earth from the depth of space. The captured Pale Blue Dot refers to the tiny planet Earth in a beam of sunlight. At that time, Voyager was 3.7 billion miles away from the sun.

Space Exploration is not God's Will

BD No. 7886 of 05/06/1961 taken from book 82

God the Father is speaking: "The strength which emanates from Me and My Word will touch your soul and you will find peace in Me. When you are ready to serve Me then the strength to accomplish My will, which I place into your heart Myself, will also flow to you. And you will think, want and act in accordance with My will. And thus you can always safely proceed on your way, My blessing will always accompany you, I will take you by your hand and guide you such as it is right for you and your fellow human beings' salvation of soul. Just put your trust in Me and truly, I will never allow your confidence in me to falter. For although your body does not feel the evidence of this strength, but your soul receives it in abundance instead and is grateful for all support, the soul matures and unites itself with its spirit, and this strives towards the Father-Spirit, and the unity with Me will become ever closer. And if I Am then able to speak to My child My presence will be confirmed too and peace has to enter its heart, every worry has to vanish, and the child only has to listen to what his Father has to say to him:

And I still want to reveal much more to you, for the end is swiftly approaching. You will still experience things which will make you doubt Me and My Word. *You will ask yourselves why I do not intervene with My might when humanity arrogantly dares to penetrate the universe. But a limit has been imposed on their projects; they will not be able to implement their experiments for long, for even these actions merely hasten the end, the forthcoming Judgment.* I will let them have their way, so that time and again they will have to realize that their capability will never suffice in order to complete their projects. They have handed themselves over to My adversary who will constantly influence their mind and also give them a certain amount of strength which, however, will always have disastrous effects on people as well as the works of creation My adversary wants to destroy. It is the time of the end, which is merely emphasized by such actions, for people's spiritual state itself will give rise to the end. My adversary wants to destroy the belief in My existence and My might, and such people are already subject to him due to the fact that they have lost all faith, deem themselves masters of creation and try to prove it. Yet they will not have much time left for that, because they hasten the end themselves since they revoke the laws of nature themselves and thereby pave the way for a work of destruction which will encompass the whole world and every living creation in, on and above the earth.

People's actions oppose God and that will also result in appropriate consequences. But I allow My adversary's rage, yet people themselves could resist it and would then not become subject to his rule. Time and again people are reminded of Me and My might and could quite easily take the path to Me. Their will, however, is free and thus I do not prevent their actions, but My might and My will shall also reveal itself to those responsible for the anti-God activity that can be witnessed by all people. They, too, will repeatedly be shown that a divine Power keeps expressing Itself Which proves their wrong thinking, for until the body dies, I invite every soul to return to Me, but I will not force it. And since My adversary cannot force it either, he influences all bad characteristics in a person even more and gains the soul for his disgraceful plan, since the craving for power and recognition is particularly strongly developed in people who do not believe in Me.

For these are My adversary's characteristics. It is his nature, which he passes on to them. But his time will soon be over, and My might, too, will soon visibly express itself. Yet I will never give you such obvious proof of Myself that you have to believe in Me. Time and again you must bear in mind that I expect your voluntary faith which you should awaken through love. And then you will also recognize the signs of the time; you will understand that you live in the last days when My adversary works in unusual ways, until the hour comes when he and his followers will be constrained, as it has been proclaimed in Word and Scripture."

Divine Truth - Science

BD No. 0242 of 12/30/1937 taken from book 5/6

God the Father is speaking: "Accept what you are offered, recognize God's will and be careful never to lose your trust in the Lord, your love for the Savior, and His divine grace. The arguments about the divine truth will be endless and the one who does not desire divine knowledge or presumes that he can uncover the great mystery by himself will always be the loser. If he is to be successful, he must beseech God for enlightenment, and it will certainly be granted to him. The human being can investigate earthly subjects, yet regardless of how much he achieves, he will still not come closer to divine truth, for one is entirely separate from the other. It is only accessible to the one whose heart detaches itself from everything of an earthly nature, who considers nothing else worth striving for than the acceptance of eternal truths. Everything on earth will seem distant and unreal to him, and he will search full of yearning for the profundity of divine truth and be constantly permitted to receive it from the Father's hand, but only if he turns his heart solely to the Father. So many attempts have already been made to penetrate this region, and yet, if only those with great knowledge at their disposal were successful, if they alone held the key to truth in their hands because of their knowledge, it would not benefit humanity. God has prepared His kingdom for all people and were the Lord not to judge the earthly children's heart but only their knowledge instead, barely a tiny fraction would acquire His kingdom. And if God the Lord has ordained that all those of good will can acquire His kingdom, and then you are, after all, offered far more than only to serve the sciences on earth. All of you are aspirants, and onus rests entirely upon you as to whether you will reach the Father, indeed, science is more likely an obstacle to bliss. On earth it makes you great and powerful, yet often very unsuitable to contact the Lord as a small and humble person, and how can you enter the Father's kingdom without His help? You only ever focus on the one goal of ascertaining the nature of Creation, you want to penetrate what is closed to you and inform the human race of it, even though you have so little knowledge yourselves, because you still have not understood the simplest fact, that you are small, if the Lord does not help you, that you will never understand the meaning and purpose of the universe with your own effort. You can only come closer to the true knowledge when you have found the path to God. And then you will gladly relinquish all fame on earth, for then you will know that all striving for earthly things is worthless, and that all earthly knowledge will not bring you closer to the eternal truth, for God distributes this only to those who desire deep down in their hearts to behold and experience God. The will to reach God elevates you far above all science. Where others make a lifelong effort to solve the mysteries of Creation, you will often receive

it overnight, providing you have the desire and allow yourselves to be instructed by the divine Teacher.”

Darkness – Knowledge – Truth – Love - Light

BD No. 8031 of 11/03/1961 taken from book 84

Jesus is speaking: “I will divulge significant knowledge to you if you allow Me to reveal Myself, for when I lived on earth I gave you the promise that I will guide you into truth, and that means that I want to convey the knowledge to you so that you will no longer need to live in spiritual darkness, that you will attain the realization, if only to a limited extent at first, which enlightens you about Me Myself and your relationship with Me. You enter the earth as a human being in complete ignorance, and this is a state of spiritual darkness which truly cannot make you happy. And in this darkness, you cannot find the path to Me; all the same, you should take this path during your earthly life because the only purpose for earthly existence is your return to Me. Thus, the darkness must first be dispelled; small sparks of light must flare up for you. You must slowly be introduced to the knowledge about your God and Creator and about your origin from Him. You need to be informed about His will and the consequences of fulfilling this will. You need to find out about the commandments of love for God and your neighbor and know that your salvation depends on your fulfilling them, that this is the purpose and goal of your earthly life, or you will never ever be able to return to Me. Hence you must also know that you’re God and Creator is a Being which acts in supreme perfection, which is love, wisdom and might within itself, that this Being imposes requirements upon you during your earthly life and that you must comply with these requirements. If this knowledge is made accessible to you in all truth it will illuminate your course of life like a light. And then it will be up to each individual person's will to let this light shine ever more brightly within himself, which will happen by fulfilling My will, by fulfilling the commandments of love. For ‘he that hath My commandments, and keep them, he it is that loveth Me and I will manifest myself to him. ‘ Then I will be able to broaden the field of his knowledge, I will be able to enlighten him in every way, he need only ever ask Me questions which I will answer for him, either directly or in the form of thought, which are conveyed to him from Me.

He will be able to receive extensive knowledge about Me and My Being, about My reign and activity, about all correlations which explain the origin of Creation, about the meaning and purpose of all works of creation and about the actual task of the human being who lives on earth. Through My revelations I can instruct the human being in detail and provide him with a considerable amount of knowledge so that he will be able to state that he has the right knowledge, that he has re-kindled the light within him which he himself had extinguished through his apostasy from Me, in which he fell into deepest darkness. And so, he will gradually approach his original state again, for the spiritual darkness only occurred through his apostasy and through his return to Me he will become enlightened again. Whether you humans have academic knowledge at your disposal is not decisive for your spiritual state, for it will remain incomprehensible to you even if it corresponds to the truth as long as love has not kindled a light within you which will be able to illuminate you from within, thereby enabling you to recognize the truth as such. However, you must attain the truth; otherwise, you will live your earthly life blindly

and be incapable of grasping any correlations. Love grants you the light, that is, if love is in you then you will be in heartfelt contact with Me, and then I Myself will enlighten you and you will not be able to help yourself but think correctly, you will understand everything and you will by no means be ignorant; however, without love you will never be able to be or to become knowledgeable, for only love is the light which guides you into truth, and without love you will forever remain in darkness.”

Love of the World-Satan's followers: Love of God-Overcoming Matter

BD 5039 11.01.1951

God the Father is speaking: “Only a person desiring to reach God lives a spiritual life, whereas a follower of Satan lives a purely worldly life on this earth, even if he seems to be a representative of God. Overcoming the world also means overcoming Satan, who is lord of the material world insofar as that the still immature spiritual substance bound in matter belongs to him, even though his power over it was removed from him. It is certainly still part of him because it shares his spirit, yet it is inaccessible to his influence while it is bound in its form. Nevertheless, it is his means in order to draw people, the souls which have to make a decision between God and him, over to himself. For the human being, who starts off spiritually immature, desires that which the world presents to his eyes. Yet he should rise above it. Then he will belong to the Father of eternity, but whose kingdom is a spiritual one. Therefore, anyone who loves the world and its pleasures, who strives for material goods and only lives for their acquisition, belongs to God's adversary, and also gives him authority over himself. But anyone who strives for God is no longer attracted to the world, he has surmounted the world, otherwise the desire for God would not have awakened in him. Consequently, turning away from the world is also a sign of a voluntarily aspired affiliation with God.

Satan uses the world to entice and therefore has a means of attraction which most people fall prey to because they love the world. Love of the world and love of God are not possible at the same time, and love of the world and neighborly love will also rarely be found together as the latter would indicate a lessening of the former, and thereby you recognize the followers of God and the followers of God's adversary. And as long as a person still pays attention to worldly possessions and still yearns for them, he will be unable to find inner peace, the peace of soul; for peace of soul comes from God, and God is only with someone who turns his back to the world. The human being is certainly placed into the world and has to fulfill his earthly task, and that will also force him to keep in touch with the world. Yet it concerns the desire of the heart, it concerns the innermost attitude towards the world's treasures which will completely lose their appeal if a person is imbued with the need to strive for the spiritual kingdom and its treasures. In that case he will indeed continue to exist in the world yet only to fulfill the duties which earthly life imposes on him. The world, however, will no longer attract him, and that is the sign that he has overcome the world and with it its lord, that he has detached himself from God's adversary so as to be able to establish contact with God. No-one can serve two masters, and his desire clearly demonstrates to which lord a person is of service. The earthly world and the spiritual kingdom are so far apart from each other

that what a human heart desires is easily distinguished. And Satan can never dominate a person who, through his will, has already been taken possession of by God”

Science and Religion are at War

Once you deny the Creator, you eliminate: the very existence of a soul, life after death, ethics, morality, meaning of life, and the full omission of free will. Your only purpose in life is to exist – you live and then you die. You can only have a purpose if you were created. And the purpose of our existence is to know, love, and serve the Creator during one’s life so we can be with Him for all eternity in His heavenly Kingdom.

The path of science has chosen to eat from the Tree of Knowledge – good and evil which leads to the valley of death for the spirit. Science embraces intellect and knowledge to discover many things about the universe, life, and man while their pride and ego boldly deny the existence of the Creator and His creation. **“Apart from God their labors are worthless.” (Psalm 127)** How much credibility can be given to scientific theories and findings if they are not discovered with the wisdom of the Creator? **If the Lord does not build the house, in vain do its builder’s labor! (1 Corinthians 3:9)**

The conflict of Evolution and Religion has become more of a religious war than defending Darwinism; it is no longer about scientific investigation. Evolution has now switched from defending Darwinism to a direct attack on religion. Science believes it must stamp out Intelligent Design at the source because it may lead to the Creation theory. In the end, one has got to win, and it’s got to be science. It’s the world view that comes first and thus shapes the interpretation of science. Our world views are becoming more and more godless which opens the door for greater science which would literally lead to an erosion of religion which eventually would fade away and more and more science would replace it. Utopia! We have already seen where Darwinism leads those who follow it, into the valley of death – the death of the spirit! Now, science is heading down the same path of destruction and little by little *removing our freedom* to explore science to its fullest. Scientist must conform to the set direction established by the Academy of Science which leads to a world without God.

The Creation Willed by the Creator

MV - Epistle of St. Paul to the Romans: 135 -141

Scientists close in on God particle, studies confirm: Published March 07, 2012, Associated Press - Researchers working at the world's largest atom smasher in Geneva have found tantalizing hints of the tiny, elemental bit of matter that has been labeled "the brick that built the universe" and "the god particle" -- but stopped short of announcing the discovery of the tiny particle.

God the Father is speaking: **“And to think to have had the infinite (amount of) species from the autogeny of a single cell is an impossible absurdity.** Ref: MV - Epistle of St. Paul to the Romans: 135 -141

“There was no autogenesis and there was no evolution, but there was the Creation willed by the Creator. The reason, of which you are so proud, should convince you that the initial thing cannot form itself from nothing, and from a unique and initial thing cannot come everything.

Only God can put chaos in order and populate it with innumerable creatures which form the Creation. And this most powerful Creator did not have limitations in His creating, which was manifold, nor in creating already perfect creatures, each perfect according to the purpose for which it was created. It is foolish to think that God created, wanting to give a Creation of shapeless things and expecting to be glorified by these, when individual creatures and all creatures would have reached, the successive evolutions, the perfection of their nature so that they would be suited for the natural or supernatural end for which they had been created.

And if this truth is certain for the lower creatures, with a natural end and limited in time, it is even more certain for man who was created for a supernatural end and with an immortal destiny of celestial glory. *Could one think of a Paradise whose legions of Saints, exalting around the throne of God, be an end product of a long evolution of beasts?*

Present man is not the result of an ascending evolution, but the sorrowful result of a descending evolution, as the sin of Adam has forever marred the physical-moral-spiritual perfection of the original man. He so marred it that not even the Passion of Jesus Christ, though restoring the life of Grace to all those baptized, can annul the residues of the sin, the scars of the great wound, that is, of those fomenters that are the ruin of those who do not love God or who do not love Him much, and is the torment of the just who would want not to have even the most fleeting thought drawn from the voices of the fomenters and who combat the heroic battle all their life in order to remain faithful to the Lord.

Man is not the result of an evolution, just as Creation is not the product of an autogenesis. In order to have evolution, one always needs to have a first creative fount. And to think to have had the infinite (amount of) species from the autogeny of a single cell is an impossible absurdity.

In order to live, the cell needs a vital ground with elements that allow for and maintain life. If the cell formed itself from nothing, where did it find the elements in order to form, live, and reproduce itself? If it did not exist even when it began to exist, how did it find the vital elements: air, light, heat, and water? What is not yet cannot create. And how then did the cell find the four elements at its formation? And who gave them to it, which fount had the seed of “life?” And when, supposing that this non-existent (cell) had been able to form itself from nothing, how, from its unique unity and species could there have come from it so many diverse species, as many as there are to be found in the sensible Creation?

Stars and planets, clouds of earth, rocks, minerals, the varied and innumerable species of the plant kingdom, the even more diverse and numerous species and families of the animal kingdom, from vertebrates to invertebrates, from mammals to the oviparous (producing eggs that develop and hatch outside the maternal body), from the quadruped (four-footed) to the quadrumanes (two feet), from

amphibians and reptiles to fish, from ferocious carnivores to docile o'vines, from those which are armed and covered by hard offensive and defensive armors to insects that even the slightest thing is enough to destroy, to the gigantic inhabitants of the virgin forests, to the assaults to which none resist but those of their own equal colossal (counterparts), to all the classes of anthropoids up to the protozoa and bacillus; all having come from a single cell? Everything from a spontaneous generation! If this were the case, the cell would be bigger than the Infinite One. Why did the Infinite One, the Without Measure in His every attribute, work for six days, *six epochs*, to make the sensible Creation by subdividing the creative work into six ascending, evolving orders of creation, this yes, towards an always greater perfection? Not so that He could learn how to create even more, but for the order which governs all of His divine operations.

This order would have been violated – and this would thus have made the survival of man, the last creature to be created, impossible – if man had been made first and before the Earth had been created in all her parts and made inhabitable through the order placed in its waters and in its continents, and made luminous, beautiful and fertile by the beneficent sun, from the shining moon and the innumerable stars, made into a home, a dispenser, a garden to man for all the plant and animal creatures which cover and populate it.”

Darwin's Theory of Evolution

MV-N 1943:591

Jesus says: “One of the points at which your pride founders in error-which, above all, degrades precisely your haughtiness by giving you an origin that, if you were less corrupted by pride, you would repudiate as degrading, is that of Darwin's theory.

In order not to admit God, who, in his power, was able to have created the universe from nothing, and man from the already created mud, you take the paternity of a beast as your own.

Don't you realize you are diminishing yourselves, for-consider this - won't a beast - no matter how exemplary, selected, improved, and perfect in form and instinct, and, if you wish, even in mental formation - always be a beast? Don't you realize this? This testifies unfavorably regarding your pride as pseudo-supermen.

But if you fail to realize, I will not be the one to waste words to make you aware of it and converted from error. I ask you only one question which, in your great numbers, you have never asked yourselves. And if you can answer Me with facts, I will no longer combat this degrading theory of yours.

If man is a spin-off from the monkey, which by progressive evolution has become man, how is it that over so many years in which you have maintained this theory you have never succeeded, not even with the perfected instruments and methods at present, in making a man from a monkey? You could have taken the most intelligent offspring of a pair of intelligent monkeys and their intelligent offspring, and so on. You would now have many generations of selected, instructed monkeys cared for by the most patient, tenacious, and sagacious scientific method. But you would still have monkeys. If there happened to be a mutation, it would be this: the beast would be physically less strong than the former ones and morally more degenerate, for with all your methods and instruments, you would have

destroyed that perfection of the monkey which my Father created for these quadrumanes.

Another question: If man came from the monkey, how is it that man, even with grafts and repugnant forms of cross-fertilization, does not now become a monkey again? You would be capable of attempting these horrors if you knew that it could give a privative sanction to your theory. But you do not do so because you know that you would not be able to turn a man into a monkey. You would turn him into a real ugly son of man, a degenerate, perhaps a criminal, but never a real monkey. You do not try to because you know beforehand that you would get a poor result and your reputation would emerge in ruins.

For this reason, you do not do so: For no other. For you feel no remorse of horror over degrading a man to the level of a beast to maintain a thesis of yours. You are capable of this and of much more. You are already beasts because you deny God and kill the spirit, which distinguishes you from the beast.

Your science causes Me horror. You degrade the intellect and like madmen do not even realize you are degrading it. In truth, I tell you that many of the primitive's are more men than you are."

Satan knows that He has not much Time Left

BD No. 5572 of 01/09/1953 taken from book 61

God the Father is speaking: "The present time is very much influenced by My adversary, although it doesn't mean that I withhold My might, My love and mercy. Yet people themselves grant him more right through their will, their attitude, their actions and words. Hence, they distance themselves ever more from Me and are unable to feel My emanation of love, which could release them from My adversary's influence. It is the time of the end, the time of which it is written he knows that he hath but a short time. And this is why he rages particularly conspicuously and yet will not be recognized by people. And My adversary fights especially vehemently where people quite clearly strive for Me. This should always be an explanation for you when the spiritual aspirants come into conflict with themselves or their environment. Spiritual aspiration, that is, looking towards Me, is an abomination to My adversary, it fills him with hatred and a fury of annihilation, it inspires him to carry out the most shameful plans and the consequences can clearly be felt amongst My Own, amongst those who loyally want to serve Me, amongst those who receive light and shall spread it throughout the world. For he will interfere with his deceptive light, the light from above irritates him and he tries to extinguish it. He fights for every soul he is at risk of losing, and since the majority of people follow him voluntarily every soul which recognizes and detaches itself from him makes him very angry.

This sign of the times is understandable to the person who knows the reason and purpose for bringing this earthly period to an end, who knows about the battle between light and darkness and the approaching end. And the closer it gets to it the more vehemently will he rage and cause confusion amongst My Own, for he uses every trick, every lie, he makes unscrupulous use of all weapons even if they result in the death of the soul he fights for. He will appear wearing a mask and will often

be difficult to detect, he will also turn up in the midst of My Own and deceive all those who allow themselves to be deceived by his disguise. And I will not stop him, for he has power and strength until the end of this world and can put it to the test, yet to the same extent I, too, Am on hand with My gifts of grace which, if they are used, will ensure victory over him on the day of Judgment. What has been proclaimed to you humans long in advance has to come true. And this includes the raging of Satan in the last days before the end. But there is always a path for all of you which will lead out of the confusion; there will always be a refuge for you to which you can hasten whenever you are in peril. Come unto me, all ye that labor and are heavy laden, and I will give you rest. Bring all your suffering, your anxious questions, your fears and problems, your considerations to Me. I Am always available to you, I want to help you and give you strength if you are weak, I want to lead you out of the tribulation of your souls. Anyone who seriously seeks Me need not be afraid to fall into My adversary's hands, since I Am already present to someone who desires Me.

Just a little time longer and the flame ignited by My adversary in order to conceal himself in this blaze will flare-up high; his time is not over quite yet, thus he will still work to the utmost extent, and he will make good use of this time. All the same, it will come to an end when it is My will. For I truly reign over heaven and earth, over the good and the bad world of the spirit and nothing can happen without My will or My permission. And it is My will that he shall be bound for a thousand years, that his power and control over the human race will be taken away from him for a period of time; it is My will that people shall live in peace one day, that those who have proven themselves to be My Own will be released from his domination; it is My will that My Own shall be victorious over him, thus I will not abandon them even in times of fiercest battle, I will always be present and not allow you to be pressed by him above and beyond your strength. I only ever want to be allowed to be present to you, that is, you should always continue to love despite all temptations from his side, because then I Myself can be with you and he will have to retreat from you, whom he then will have lost to Me for good."

"I Am the Beginning of all Things"

BD No. 0750 of 01/21/1939 taken from book 15

God the Father is speaking: "I Am the beginning of all things. Take this to heart when you are moved by the slightest doubt about the creation of everything you see around and above yourselves. If My power is thus sufficient to call every life form into being, what kind of strength would then be necessary to oppose this creative will? An equally destructive will perhaps? In that case a second Deity would have to be at work next to Me, whose expression of strength would run contrary to My own activity. Anyone who imagines the Deity as an imperfect Being can truly place many such gods next to this One, yet he will not have the right kind of concept about the one true Deity, which has created everything and controls all. Anyone who wants to recognize Me must believe and subordinate himself as a creation to the Creator. And he will become enlightened, and in this light, he will see Me as the Ruler of the universe. He will realize that no opposing force is able to counteract Me by working destructively where I Am creating.

Only the physical transformation of the earth's surface has been left to the human being's free will, so that people's creative urge, which I likewise have placed into their hearts, can occupy itself. Thus, they can more or less act at their own discretion, but they nevertheless will always have to recognize their own inadequacy and always be dependent on the omnipotence of the Creator and the activity of natural forces and cannot oppose them arbitrarily. Thus, nothing is more understandable than wanting to ascertain the almighty Creator and yet nothing is more impossible. Human intellect is not sufficient by far to fathom Me in My full elementary power, and it will be even less possible to categorize Me, that is, to put My Being and Becoming into any kind of form which seems acceptable to the human mind. This is a hopeless undertaking which could never produce a satisfactory result, for I was, I Am, and I forever will be an inscrutable Spirit Who harbors within Himself everything that can be found in the entire universe, to Whom creation is subordinate because it originated from Him, and Who is the beginning and the end of all things, the Spirit of Love from eternity to eternity."

Jesus is speaking: “And I say to you: ‘Take,’ do take this work and ‘do not seal it’ but read it and have it read ‘because the time is close’ and let those who are holy become holier. (John, Revelation, 22:10)

May the grace of your Lord Jesus Christ be with all those who in this book see an approach of Mine and urge it to be accomplished, to their defense, with the cry of Love: ‘Come, Lord Jesus.’

I will always be with you because it is pleasant to Me to be with those who love Me.” MV Vol5: 951
