Become an Apostle of Truth

Truth only comes from God and before the world can come to an end, as we know it, the truth must be revealed. How will this be done? The Lord will accomplish this by using his prophets; the same way He used the prophets in the Old Testament which also contains the Book of the Prophets.

This work presents the teachings that were given, by the Lord, to the prophets of our time that are located throughout the world. When these teachings are brought together, they present a clear picture of the events that will lead us to the return of Jesus in Glory and the end of a period of salvation.

Jesus is speaking: "All the strands of this Mission are being drawn together to form a pattern. Then, when the various parts are linked and fitted together, like the pieces of a jigsaw, when all the pieces begin to merge, the final picture will become clear."

Ref: MDM message Jan 24, 2014

The 'final picture' has been assembled and presented in the twelve volumes of the Alpha and Omega of Creation Series

Become an Apostle of truth by passing on the Lord's teachings to family and friends. The Lord has revealed the past, the present and the future. You can't even begin to comprehend His love for you unless you understand the very beginning, only then will you understand who you really are and how great is His love for you.

In Honor of the Holy Spirit

May the Holy Spirit descend upon you and fill you with love and wisdom, as you journey through space and time, to discover the wonders of creation as the Father reveals His Divine Plan for mankind. May the Magnificat of the Blessed Mother's "yes" be your "yes" as you open your heart and mind to receive knowledge, truth, and understanding that only the Holy Spirit can give.

"When the Paraclete comes, the Spirit of truth who comes from the Father – and whom I Myself will send from the Father – He will bear witness on My behalf. He will guide you to all truth."
(John 15, 26-27; 16:13)

The Spirit of Truth
Prayer

Holy Spirit baptize me with the fire of your love. I have surrendered to you the best of my ability, and now I want to activate Your Spirit of Love within me. I need Your power in my life. Please fill me now. I believe that as I yield and ask, You will release Your strength, wisdom, healing, and love to meet the needs of the hour. Work in me in a powerful way. I want every purpose God has for my life to be fulfilled, and I need you, mighty Spirit of God, to bring that purpose to fulfillment. Release Your Spirit within me, Amen.

They shall all be taught by God

"I Am with you always 125

Introduction: The Remnant

Our journey picks up after the Remnant is formed (SE_20_Part A: The Last Seven Years of Earth Have Begun!) - The short period of peace begins:

The Holy Remnant awaiting the Second Coming of Our lord Jesus Christ

Jesus is speaking: "So many antichrists have passed through history! And in this instant when you are being warned about the last and great antichrist possessing all terror and evil coming from hell itself, you do not listen to My warnings. Once again, My People will face horror, only that this will be the last opportunity for evil upon My children. You will live through what no previous generation has lived, from man's great advances to the purification of the same: the great act of My Mercy towards man in the Warning and the Miracle of My House that you have not had previously. Both wonders will cause the power of My House to overflow so that the Holy Remnant will be increasingly purified until My Second Coming.

I invite you to prepare yourselves, not materially, rather to prepare yourselves in this instant in spirit, and for this I need you to be aware of each one of My Words. Be conscious of My Love for you, be conscious of My Requests and Pleas to you, be conscious that this generation is the generation for which I come in search of My Holy Remnant. That is why I come to you; I approach with yearning Love."

Your loving Father
Jesus

Satan and the Demons' Activity during the Last Days

BD No. 6801 of 04/08/1957 taken from book 73

God the Father is speaking: “All demons will be unleashed during the last days of the end; hell will spat out its most evil spirits and the prince of darkness will transfer his thoughts onto them to act destructively amongst people on earth. And you humans will be living in the midst of his domain and will be in constant danger of being devoured by hell and its forces. But they cannot compel you, as yet it is still up to you to let them be victorious or to defend yourselves against their onslaughts and you will truly not be at their mercy because the good spiritual world will also stand by your side, it will merely wait for your call-in order to be able to help you. All hell will have broken loose, and God's adversary will know that he won't have much time left and will really make every possible use of this final time of his. And many hellish forces will take possession of people if they don't resist them, if they themselves delight in the conduct by the evil world. The demons will try to take control of their own kind, they will take possession of their body and then commit truly evil things, and that alone is a sure sign of the end. For only too often they will have an easy game, people will follow their suggestions only too willingly and scrupulously accomplish what the former demand of them. The prince of darkness will have truly gained great power over people, and therefore his activity will become ever more obvious, after all, he believes himself able to win the final battle against God. Consequently, he will not leave any stone unturned in order to incite people against God, he will not even shy away from assailing those who want to work for God, he will use his accomplices to cause them grief with the intention to destroy their faith in God and he will try to extinguish any light coming forth from God. His arrogance will know no bounds and thus he will exalt himself above God to an extent that it will result in a speedy end to his activity.

However, people will be drawn into this battle and should prove themselves therein. For they will not be without knowledge about God's love and power and will be able to call upon Him for protection and help in every adversity, which then will definitely be granted to them. Thus, no human being will need to be afraid of this coming adversity and pressure on part of the dark world, because the path to God is open for everyone and no person can be prevented from taking it. The demonic activity is also easily distinguishable by every individual and would be able to make them think. And, thus, these forces will fight in vain wherever people are of good will, because they are on God's side and the world of light will form a wall around them. You humans should indeed be careful and always on your guard, but you need not be fearful, for your resolve will banish the danger or defend against it. And therefore, the direction of your will depends entirely on you. Every look you

take into the adversary's realm is noticed by his vassals who constantly entice you ever deeper into their domain. This is why great care is required but all those who have the serious will to resist them are also guaranteed to receive strength. You can certainly be tempted but not be forced. Nevertheless, it will be and remain a fight for those of you who want to remain faithful to God, which will last until the end. You will be able to survive it and emerge victorious, for you can expect as much protection and help from God's side as His adversary can gain influence over you, and you decide for yourselves to whom you concede more right. However, the activity of hell and its forces will be recognizable everywhere, and people more than ever will give way and hand themselves over to them. And therefore, the time will come when God Himself will put a stop to His adversary's activity and put him and his followers into chains, so that there will be peace again amongst people of good will."

The Final Battle against Faith – brutally waged

Ref: BD 8017 13.10.1961

God the Father is speaking: "My Own, too, will have to suffer adversities because their faith shall become increasingly stronger when, time and time again, I will lead them out of their predicament; for they shall persevere until the end and thus need a strong and unwavering faith from which they will then draw the strength for their resistance. ***The battle against faith will come last but this will be brutally waged.*** A living faith, however, will offer resistance to it, for then you will be so closely connected to Me that you will not fear anything, regardless of what the adversary will do in order to bring you down. A strong faith is a living bond with Me. Then I will no longer be the distant God for you, but I will be your Father Who is with His child, which therefore cannot be anxious anymore since it knows itself to be safe in His protection. This will then be proof of who belongs to My church, which I founded Myself, of whose faith is like Peter's, a faith which does not waver irrespective of how many onslaughts are undertaken. It will be proof of who is closely united with Me, who knows the truth and therefore also My eternal plan of Salvation. And they will fearlessly face up to everything that will be done against them. You, who are My Own, will recognize ever more clearly that the end is not far away, and you should also look at the world with open eyes; then you will recognize the low spiritual level which soon cannot sink any lower and for that reason necessitates an end.

However, the day has been determined for eternity and will definitely be adhered to. Yet people will incredulously want to reject your announcements, they will barely listen to you when you admonish and warn them, they will make plans for the future and will not want to let go of them, they will only ever think in a purely earthly way and pay no attention to spiritual reproaches. And therefore, they will be taken by surprise by the coming event and also experience the end unprepared unless My final wake-up call still lets them find Me and change their way of life. And against the background of all these events you, who are and want to remain My Own, will have to be forearmed. Your faith must not start to waver; you must be as steadfast as a rock. And I want to help you gain this faith by allowing you to experience My help ever more obviously when you are in great distress. I truly will not leave you because you handed yourselves over to Me and want to be of service

to Me. But I also know what demands will still be made on you in the last days and I want to prepare you such that you can do justice to everything, that you will have the strength of faith at your disposal which is your fortitude no matter what will happen. Whatever you are lacking still requires My help; every one of you still has to be taught by Me because it is My will that you shall persevere, that you will prove yourselves in all temptations, that you will come to Me in every adversity and faithfully rely on Me and My help. Time and again you shall be allowed to experience Me, time and again you must feel My love and might, I want to be present for you at all times so that your bond with Me grows ever stronger, and then you will no longer be at risk of failing, for I will keep hold of you and protect you from My adversary, regardless of his actions against you. The final battle on this earth will be short because I Myself will shorten the days for the sake of the elect. But it will irrevocably happen; after all it concerns the final separation of the sheep from the goats. My Own will openly have to testify to Me before the world, and they will truly have the strength to make this public confession, because in awareness of My presence they will not fear the adversary and because they will face him with an abundance of strength and will not be afraid to speak when a confession is demanded of them. And even if it then seems to appear as if the adversary is winning, he will not be able to kill you for I Myself will come in the clouds. I Myself will rescue you from utmost adversity, I will lift My Own up to Me and constrain My adversary again for a long time. I will put an end to his activity. I will lift My Own up to heaven and then accomplish the work of the transformation of earth, so that a new period of Salvation can begin, and the spiritual beings' process of development will be able to continue according to the eternal plan of Salvation."

Confess Jesus Christ before the World - Divine Protection

BD No. 1567 of 08/14/1940 taken from book 25

Jesus is speaking: "Whoever declares his faith in Jesus Christ puts his life into God's hands, even if the world and its power threaten him with a most bitter battle indeed, since the mere articulation of the divine name emits strength. The Savior's love blesses all who give themselves to Him, i.e., who believe in Him and keep His commandments. Jesus' life serves only a few people as a guiding principle of their life. However, anyone who tries to follow the Lord in all things will soon become enlightened and will not want to renounce the divine Savior and Redeemer because His love expresses itself so comprehensively that it perpetually increases the human being's longing for the Father in Heaven. It is like an unceasing rain which soaks the parched soil with His indispensable Word that comes from above to the people on earth and forever urges them to acknowledge Him, Whom the world wants to deny. And the human being who so obviously feels God's strength should support this Word; he should speak frankly and freely about everything the Lord has taught on earth Himself.

First the person should do everything to prepare the human heart to receive the truth, which is mentally conveyed to the person from above. The Lord Himself says 'Whoever confesses Me before men, him I will also confess before My Father.' Thus Christ gave people the duty to defend His name so that anyone who does may likewise receive divine protection when he requests help from the Heavenly Father. Whoever upholds the divine name will be involved in the fight against Him, and the

world will attempt to remove every memory of His activity on earth from people. People will be threatened with harsh penalties which are intended to undermine the faith in Jesus Christ as Savior of the world. And human beings will have to struggle considerably in order to stand firm against all suggestions of evil-minded influences. Only that person will be strong and free enough to speak on behalf of Jesus Christ who, in faithful prayer to the Lord, conveys his distress and worry and asks for protection and strength, because the Lord grants this to all of His defenders when they confess Him as the divine Lord and Redeemer to the people.

Here the divine might will provide visible proof that it is stronger than worldly power, it will guard each earthly child irrespective how it confesses the Lord and Savior. Consequently, the human being need not worry that he could be harmed by the earthly power if he is a supporter of the true Christianity. Jesus Christ can never be eradicated from the world of hatred and heartlessness even when the fight is openly conducted. Anyone who loves his earthly life will find his heart beating anxiously and will observe the worldly power's law and hence betray his Lord and Savior for the sake of earthly success. However, anyone who does not fear death will openly confess the name of Him, who has redeemed the world from its sins. And worldly power wants him to do penance for this. But the Father in heaven shields the earthly child with His hands and to the adversary it now appears as if superhuman forces are fighting against him, and by the unmistakable calm in spite of threats he recognizes the strength of the divine Word and the loving care of the heavenly Father Who protects His Own if they confess Him before the world."

The Pending Darkness - Revelation 15 & 16

In the book of Rev. 15:18-27, 16:1-4 Jesus warns us about the pending darkness, an hour that rises and has to pass, that will take place between the descendants of Ishmael and Isaac: **Whoever hates me also hates my Father. If I had not done works among them that no one else ever did, they would not have sin; but as it is, they have seen and hated both me and my Father. But in order that the word written in the law might be fulfilled, "They hated me without cause." that's because they have not known either the Father or me. I have told you this so that when their hour comes you may remember that I told you. They will expel you from the synagogues; in fact, *the hour is coming when everyone who kills you will think he is offering worship to God*. They will do this because they have not known either the Father or Me. I have told you this so that when their hour comes you may remember that I told you.**

Worldwide Jihad – Muslims against the Christians

Ref: Conchiglia – San Juan Diego Sept 22, 2013

Jesus is speaking: "It is contemplated, the false Ecumenism and it is planned, the fight of the Muslims against the Christians. When the blood covers the Earth, the Muslims will think to have won, and the blood will not only be living blood but also spiritual blood of equal value and even superior in regards to sufferance and instead it will be too late when they realize, that they were pawns and tools to do the dirty work against the Christians exactly like the Hebrew Heads did when putting Me to death, by using the Romans."

Dom Bosco Exposed the Dark Secret Behind Islam — And the Truth the World Forgot

Radical Islam

Ref: Holy Love message Nov 16, 2015

Our Lady comes as Refuge of Holy Love with a globe in front of Her. She says, "The world will not be safe or at peace so long as radical Islam is in hearts. This ideology promotes terror and the annihilation of all who do not share their beliefs. This is the personification of evil and the enemy all must recognize and combat.

There can be no compromise or negotiation with such evil. It is critical that all understand this. Pray that those who follow such error be converted. The terrorists are My children too. They are misled in their beliefs and certainly do not distinguish good from evil.

This is why during these times the Consecration of the heart of the world to Our United Hearts (Jesus and Mary) is so vital to peace and security. It is why your rosaries for discernment are necessary against the propagation of false teachings. Each one of you has a role in the future of the world through your prayers and sacrifices.

If you do not recognize the enemy of your soul, you cannot combat him. If you do not combat him, your path of personal holiness is obstructed. Therefore, teach yourself to avoid anything which opposes Godliness and Holy Love. Avoid such people or situations. Pray against any such temptation.

I must add, many vocations are destroyed when souls do not pay heed to what they lend credence to in the present moment."

Destruction of God's Word and Scriptures - Prayer

BD 0641 27.10.1938

God the Father is speaking: "Prediction .... ***Heaven and earth shall pass away, but My Word shall remain forever.*** And anyone who believes in this Word will never ever die, for everything that belongs to Me has eternal life. And yet you will have to struggle and fight for this Word of Mine. You are approaching a time which will demand utmost responsibility from you; you will have to demonstrate that you are living creations of the Deity and not the children of evil. And if you produce this evidence, you will be blessed for all times. My Own will have to fight and must indeed very much defend themselves against the enemy, for all earthly powers will oppose that which came forth from the eternal Deity and will not shy away from any

means to achieve its complete annihilation. Yet even during the darkest night the light will shine for all those of you who hold on to My Word, and you will be able to take the path without worry of going astray.

And thus listen: Wherever the world intends to work against Me that is where I prepare the counter-offensive, and this will make the earthly power's resolve waver, for it will suddenly behold the Lord's avenging hand in the sky. And this will only show itself after their regulations and laws attempt to utterly eradicate My teaching, thus, when it is clearly recognizable that the teaching of Christ may no longer be offered to people. Only then will I intervene in order to safeguard My fighters who are working for Me from the worst danger at the same time. So, wait for this time calmly and confidently; when the need is greatest, I will stand by your side with My help and will certainly know how to stop the host of My fighters from becoming dispersed or destroyed. Everything is subject to Me, in heaven and on earth. Oh, what folly it is to oppose Me! And if they don't believe in My might then it must be visibly proven to them. You should use your power on earth truly wisely for the glory of God and your own salvation of soul and not try to establish a kingdom on purely earthly desires and advantages which can only be described as a kingdom of Babel if you overestimate your own power and, with total lack of responsibility towards the divine Creator, believe yourselves able to issue instructions which oppose the Lord's will. At the moment it is still left up to individual people to deal with this issue, which is decisive for eternity, in their hearts, but soon you will be given guidelines as to how you ought to be thinking. The world and its representatives will endeavor to curtail all knowledge about the teaching of Christ. It will be most strictly demanded that the still existing documents and Scriptures must be handed in, and people who won't let go of My Word will suffer serious inner conflicts. And then I will remember them in their adversity.

Anyone who wants to keep Me in his heart will never be abandoned and earthly authorities will not be able to touch him, for My power is greater than theirs. The instigation of the world which concerns the total destruction of God's teaching will be recognizable both in its consequences as well as in its defeats, for at first, I will allow it to happen in order to draw everyone's attention to it. Only when the effort is clearly identifiable, when no more doubts regarding the seriousness of such plans exist and when the distress of My Own is greatest will I reveal Myself and stretch out My hand in judgment against the deniers of My Word, and when this hour has come you, who are faithful to Me, will realize that you are visibly guided by the Father's hand. Regardless of what the world imposes on you, you should only ever look up to Me and in firm trust of rescue from adversity look for My spirit which will equip you with strength to resist and will never ever let you move towards ruin. In order to protect your soul from danger I will constantly work in the midst of you as a sign of My presence."

Prayer:

Let the heavenly Father's Words gently end in a prayer, which all of you should send up to Him whenever you suffer adversities:

"Let Your peace be with Me, my dearest heavenly Father. Give me strength to fight down here and fortify my will. Grant me Your grace at all times, show me the right path to go. Let me always and without hesitation be of service in honor

of You. And when I come upon difficulties let my faith grow even stronger. Hold on with Your love to me, your weak earthly child. Help me to find My Savior through the flurry of the world. Protect and look after me, always and forever ....”

Satan Oversteps his Authority

BD No. 7778 of 12/21/1960 taken from book 81

Jesus is speaking: “The adversary's activity will be stopped once the hour has come when I will judge the living and the dead. One day this Judgment has to take place again, after all, everything has left its order and therefore the spiritual beings' higher development is no longer guaranteed. Humanity no longer resists My adversary's activity, it is completely enslaved by his will, and he abuses his will such that even My followers will find it difficult to remain with Me. *He oversteps his authority by trying to completely displace Me from people's memory and thus he will find many followers who implement his will: to wage open battle against faith.* And you humans live on earth in order to choose between two lords, hence you must also know about both lords. He, however, aims to prevent the knowledge about your God and Creator, he tries to deprive you of all faith and his method of force is to impel the earthly authorities to rigorously fight against faith and thus against My Own who profess My name before the world. And therefore, he will not have much time left, for he will be bound on the Day of Judgment. If you humans are thus able to observe this beginning, if you see how the battle against faith will openly erupt then you can also consider with certainty that the last days of the end have come, for then he will overstep his authority and will inevitably be doomed to be judged. For he has great power, and he misuses it; but I will put a stop to him so that not all people will succumb to him, so that My Own will be able to remain faithful to Me until the very end. As yet you can still observe his activity and keep away from those who follow him; you, who want to be My Own, can still come together and strengthen and comfort each other, but once My adversary enters into the last battle on this earth you will have to withdraw, you will no longer be able to speak openly, because then you will be treated with hostility by the world and those who belong to the world.

But then it will be important that you profess Me openly. And you need not be frightened either, for My strength will flow to you so that you will be able to remain faithful to Me, so that you will cheerfully profess Me and manifest your strength even more. I predicted this time to you, and it will come to pass as it is proclaimed; you will find that you will encounter ever more opponents, that the hatred against those of you who proclaim My Word will become greater, and then you will be well advised to avoid the enemy, so that you will not deliberately expose yourselves to danger. Then you should be as wise as serpents and as harmless as doves, but you should not betray Me. But who else but Me would be able to give you strength, who else but Me could protect you and lead you out of all adversities again? My adversary will also be bound by Me when the time is fulfilled, and his

activity will come to an end. And you can rely on the fact that I Myself will take care of you when the time of the end has arrived, when you have to make your decision which lord you want to acknowledge. For he will be unable to topple those who want to be My Own, because I Myself will fight by their side and he is truly no match for My power. And he will be bound for an infinitely long time again along with his followers, so that an era of peace will start again for people who can no longer be harassed by him. However, this time of peace will be on the new earth, because order will have to be established again, but first the spiritual beings will have to be 'judged.' Only then will higher development continue, only then will there be peace again in heaven and on earth."

Time is Fulfilled

BD No. 8081 of 01/17/1962 taken from book 85

Jesus is speaking: "People on earth will not change anymore; there is no further spiritual progress, only individual people will still find Me since they are determined to fulfill the purpose of their earthly life. Whatever can still be done on My part in order to increase the number of the latter will truly be done, and My love will also find ways and means to touch the hearts of a few so that they will open themselves without inner resistance and accept My Word. Yet they are not many and thus it can be said: The time is fulfilled; for humanity's low spiritual level determines the end itself, and this truly has descended to a point where a transformation of humanity is out of the question. My adversary reigns over the spiritual essence which takes the last path across earth as a human being and in an entirely negative sense influences those who are enslaved by him and comply with his will. Hence, they have made their final decision of will already and have chosen the kingdom of darkness again, they will return to matter again, which enslaved them on earth and from which they can no longer detach themselves. And matter will receive the soul once more.

However, until the end I will still offer people the opportunity to turn towards their God and Creator, for the steadfastness of My Own might yet change their mind and let them ask questions which I Myself would certainly answer. And My spirit will so evidently be with My Own that even the disbelievers would begin to wonder. I will reveal Myself to them through the visible help that I will grant to My Own, and the disbelievers would be able to believe if they wanted to release themselves from My adversary who keeps them enchained. For I will seize even the faintest thought they might have about Me and never let go of them again, because I will let Myself be found even in the last hour wherever there is the will to experience Me. My Own, however, will recognize how the adversary keeps their fellow human beings enchained. My Own will be subject to his onslaughts as well, yet My strength will clearly be at their disposal, for I Myself will help them in the battle and they will emerge victoriously. For truly, My strength is stronger than his, and he will flee from the light you shine on him because he recognizes Me Myself therein.

And in order for My Own to remain strong they will receive active help; I Myself will be with them in the Word, I will send them bearers of light (angels) which will radiate so brightly that they will dispel all shadows and also repel the enemies intending to oppress My Own. I will delight people with My presence and fortify them in their resistance against the enemy. And individual people will be able to

behold Me and draw tremendous strength from this and also transmit this strength to their brothers. And then you will hear of the one who shall announce My arrival, who will appear again as the voice in the wilderness and whose light will shine for all of you, and you will recognize him as My forerunner at the time of the end. I won't abandon you, who want to be and remain My Own, in your physical and spiritual hardship, you are truly not alone and forsaken even if it worldly seems like that to you. I Myself Am with you and you will also sense My presence and have unwavering faith in Me and My arrival on the day of Judgment. And for the sake of My Own I will shorten the days so that they will persevere until the end. For there will be no spiritual change on this earth anymore; yet a spiritual turning point will have to come, the earth will have to be of service again for the spirits' higher development. And the spirits having failed their last test of will must be sent back to the abyss."

End of the Period of Salvation

BD No. 5278 of 12/21/1951 taken from book 58

God the Father is speaking; "I have set a goal for you and granted you humans a period of time in which you certainly could have reached this goal. And even now it is still possible for you to attain this goal if you genuinely wanted to do so. Yet the limit given to you has passed; only a short time separates you from the end, and anyone who hasn't reached the goal by then will have squandered his spiritual life, he will have forfeited it because he didn't want to live, and his fate will be death. The spiritual essence which is presently embodied on earth as a human being has definitely reached the end, and if it fails it must return to the abyss. The deadline has expired; you are just minutes away from the hour when the old earth will be destroyed, when its creations will be disintegrated in order to arise anew. And although I repeatedly inform you of this hour, it bypasses your ears without leaving any impression, you don't believe it. Yet your unbelief will not deter My eternal plan, it just induces Me to send you ever more distinct signs to make a near end seem credible to you.

Your unbelief causes Me to inflict extremely painful wounds on you in order to make you consider what your life is about and how you have used it. You cannot be spared hours of adversity and misery since they can, after all, still contribute towards leading you to the goal, which you really can still reach if you have the serious will to do so. I will noticeably help you and give you strength, yet your heart must appeal to Me for help to demonstrate your will. I can and will do anything to make you happy, yet I cannot change My eternal plan of Salvation, it has to be carried out in accordance with the law of eternal order and within the preordained time, which is now coming to an end. Humanity's spiritual state had already reached its lowest point some time ago which necessitated the end of the earth, yet I still wait for the sake of the few who are weak and undecided, as I can still win them over before the end of the deadline. But then all options will have been exhausted, then everyone will have to accept the consequences of their attitude towards Me, and Judgment will categorically take place, and everyone will receive the fate he deserves, eternal bliss or damnation, life in paradise on the new earth or return to the abyss for an infinitely long time."

Day of Salvation or Day of Judgment

BD No. 5654 of 04/18/1953 taken from book 62

God the Father is speaking: “The day of Salvation is not far away anymore, but will it mean salvation for all human beings? Will it not be a Day of Judgment when, the being returns to the abyss? And therefore, the day can be yearned for but also be dreaded, yet those who would have to fear it don't believe in it and are therefore irretrievably lost because they don't do anything in order to avert this renewed banishment to the abyss. This day will only be a true salvation for a few people, but they have suffered prior to it already, whereas the others don't know suffering and therefore do not long for a Redeemer either. And yet He will come and redeem those who believe in Him. A very difficult time is approaching all believers, but then they should not forget the promise that 'I will come again to judge the living and the dead.' The time of hardship shall also be evidence of the truth of My Word to them and they shall believe even more firmly in My coming on the last day, in their deliverance from utmost adversity. It will truly be a day of Salvation for My Own who are tempted to doubt the truth of My Word in view of the disbelievers' good living standards. Yet for the sake of the chosen few the days shall be shortened. I will fortify My Own until the day has come, and it will come sooner than expected.

The state of the world will seem so peaceful that no-one will believe in an end; for under the authority of the Antichrist the waves of unrest apparently calm down and an earthly progress can be recognized which makes people become ever more ungodly, ever more heartless, and only My Own recognize the hour on the world clock. For only they will have to go hungry and suffer while the rest of humanity will indulge itself and try to find satisfaction in the euphoria of the world. No-one will suspect how close the end is when the Antichrist starts his world dominion. He will instigate the end, he will achieve spiritual chaos, he will cause the battle of faith to erupt and will more or less cause the separation of the spirits, for under his regime the confession will be demanded for Me and My name and thus the final decision will also be made, which still has to take place before the end. However, as soon as this decision of faith is demanded of you, My faithful followers, you can also brace yourselves for My second coming, for with the ever increasing adversity you will also experience the fulfillment of My predictions concerning the end. You can expect the end every day and yet, it will come suddenly and unexpected. But then those for whom this day will bring redemption will be blissfully happy, and there shall be weeping and gnashing of teeth by those who will be devoured by the earth, who will return to the abyss. You, who believe in Me, trust My Words that you will be delivered from hours of extreme tribulation, that I will come and fetch you and that you therefore should fear nothing on earth, for Mine is the strength and the power and the glory.”

‘Enough’

MV1943:489

Jesus is speaking: “When the hour of punishment is over, I say my ‘Enough’ and gather together the multitudes stricken and dispersed and give them peace and bread, for I am a Father – do not forget this – and if you weren’t drunk with blood or intoxicated with the desire to drink it, I would always give you peace and bread. The

more numerous the just of God are – overwhelmed in the common punishment not for their punishment, but for your redemption – amidst the crowds of madmen, the more quickly and abundantly and securely I give bread and peace. For Good, in order to flourish, always needs the tears of saints and the holocausts of redeemers.

Oh, blessed are these christs whom you do not know, but whom my heart gathers like gems into a coffer! Oh, blessed are these angels who, in the midst of the chorus of curses and obscenities in which you perish, are able to sing the Gloria and the Sanctus to their God! Purifying this earth of the miasmas which your sins create, they live burning like thuribles (A thurible is a metal censor suspended from chains, in which incense is burned during worship services. It is used in the Catholic Church) and offer God the most sacred fire: that of love. For their sake I will again work the miracle of forgiveness, the miracle of gathering together the remnants of my people and making them understand that only in God is there salvation. The others, those who do not want to be my people – and remember that I do not measure with your measure – will continue to follow the banner of their king.

The world is not to die without Christ's army being gathered together under his command. Dispersed, stricken, knocked down, and rendered like sand, which the wind scatters over the shores of the sea, you will hear the command and come to Me, for a time will come when I will be the King of these poor kingdoms without a crown and of these subjects without a king. I already see the spirits of that time turning to call and coming to fight against all the obstacles sown by centuries of error, coming towards the Light and towards the Truth. *I say 'spirits' because only the spiritually alive will be able to know the Voice which calls them.*

And now the world, to be redeemed, needs not so much to be covered with ears of grain, as with heroic souls, victims of charity."

Jesus is speaking: "When the hour of punishment is over, I say my 'Enough' and gather together the multitudes stricken and dispersed and give them peace and bread, for I am a Father – do not forget this – and if you weren't drunk with blood or intoxicated with the desire to drink it, I would always give you peace and bread.

Chapter 2: The Seventh Trumpet-Woe: Judgment Day

The Seventh Trumpet – Woe – Judgement Day, The Hour of Judgement, The Judgement of Nations, Harvest of the Earth Prophesy, The King of kings, Explanation About the Coming of the Lord, Coming in the Clouds, Spiritual Turning Point, Total Transformation of Earth, Reason and Forces of Earth's Disintegration, Cosmic Events that Lead to the End of the Earth – Planet X . . .

The Seventh Trumpet - Revelation 11:15, 19

Then the seventh angel blew his trumpet. There were loud voices in heaven, saying, "The kingdom of the world now belongs to our Lord and his anointed, and he will reign forever and ever."

Then God's temple in heaven was opened, and the ark of his covenant could be seen in the temple. There were flashes of lightning, rumblings, and peals of thunder, an earthquake, and a violent hailstorm.

Seventh Trumpet - the Last Judgment and the end of this Earth

BD No. 5398 of 05/23/1952 taken from book 59

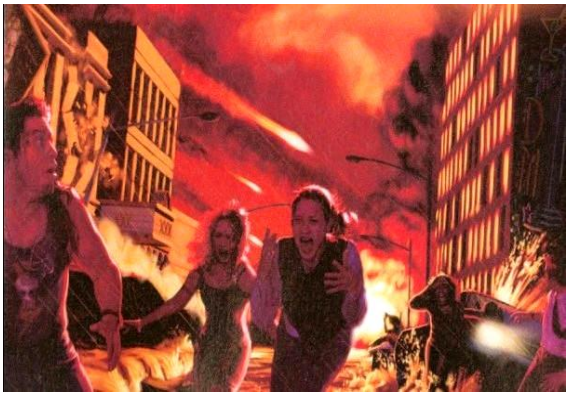

Jesus is speaking: "Listen to Me when I speak to you humans through the mouth of a servant: An inevitable judgment is about to happen to you. Nothing can avert this judgment from you anymore, for the time is fulfilled, a period of Salvation has expired and a new one shall start again, so that higher development of the spirits will be able to continue, since it has considerably slowed down due the human being's free will, who is no longer aware of his real purpose and therefore does nothing to further his complete maturation on earth. You humans, pay attention to the call from above: The last Judgment is about to happen, Your lack of belief will not halt it, for it was planned by My love and wisdom from the start, firstly, in order to help the still bound spiritual substance to achieve freedom one day, and for another, in order to place the more liberated spirit, the human being, into a state he has created for himself through his will. Freedom or the abyss: blissful activity in the spiritual kingdom or pain and suffering in the abyss. You humans, listen to Me and believe Me, you are approaching the end. I already announced the end to you long in advance so that you could prepare yourselves. But now the time has come when My announcements will be fulfilled, now the day comes ever closer which will be the last day on this earth for all of you, the day, when the external shape of the old earth will be completely changed, which means destruction and annihilation of every work of creation on it.

You humans know of this, because the prophets that spoke about the end of the world did not remain concealed from you, yet you never want to associate this with your time, you never believe yourselves to be affected by it, until the day takes you by surprise. But I don't want you to be taken unawares and experience this day entirely unprepared. And thus, I keep giving you the information from above time and again, I inform you through a human being's spirit what is about to happen to you. I would tell you far more, but if you don't believe this then more knowledge will not benefit you either, because you would only misuse it for worldly gain, and this would not help your soul. Nevertheless, you should at least know that you can avert the worst from yourselves if you appeal to Me for help. Even if you call upon Me at the last minute you will still receive help, although in a different way than you expect. I will send My angels to fetch those who speak My name with complete

confidence that they will be helped, yet *I will not thwart My eternal plan of Salvation, it will proceed as it is proclaimed in Word and Scripture. The last Judgment will be the end of this earth, the goats will be separated from the sheep, the realm of the earth will receive all that pertains to Satan and I, as good shepherd, will gather My sheep and lead them to green pastures, the earth will be desolate and bare, without any life whatsoever, it will wait for the working of My love and then new creations will emerge again which will reshape it into the paradise of Eden once more, a new earth will arise which will be inhabited by a happy human generation, and all hardship will have ceased for those people who proved their love and loyalty to Me in the last days before the end."*

The Seventh Trumpet-Woe: Judgment Day "the hour of judging the dead"

Ref: MVET:23

Jesus is speaking: "This, the nations' anger is the warning sign of My anger, because it is to happen like this. It is a painful hour, My poor children going through it, but it is unavoidable that it be so, because everything is to be fulfilled, of Good and Evil, on Earth before My hour comes. Then I will say: 'Enough!' and I will come as Judge and King to take on even the rule of earth and to judge the sins and merits of mankind.

When you read in John's book the words: 'the hour of judging the dead,' you think they refer to those who have already, perhaps centuries ago, passed on to other spheres of mystery, a mystery which one will know only when one is let in. Yes. Death means immigration of the soul into other zones, different from earth. But there is a broader meaning in John's words: the dead of whom he speaks can be alive too, according to the flesh, but in reality, in the eyes of who can see, are dead.

They are the great Dead, because no resurrection is in store for them. Dead to God, they will never have forever and ever the good of possessing Life, in other words God, because God is Life eternal. Those who by their actions have led the Earth and the weak of the Earth to their ruin, My gaze will be a flash of lightning that hurls them into the abyss, because it is unavoidable that Evil exists but cursed forever are those who have become the slaves and administrators of Evil."

The Judgment of the Nations - Matthew 25:31-34

When the Son of Man comes in his glory, and all the angels with him, then he will sit on his glorious throne. Before him will be gathered all the nations, and he will separate people one from another as a shepherd separates the sheep from the goats. And he will place the sheep on his right, but the goats on the left. Then the King will say to those on his right, Come, you who are blessed by my Father, inherit the kingdom prepared for you from the foundation of the world.

Harvest of the Earth Prophesy - Matthew 13:36-43

Then, dismissing the crowds, he went into the house. His disciples approached him and said, "Explain to us the parable of the weeds in the field." He said in reply, "He who sows good seed is the Son of Man, the field is the world, the good seed the children of the kingdom. The weeds are the children of the evil one, and the enemy who sows them is the devil. The harvest is the end of the age, and the harvesters are angels. Just as weeds are collected and burned (up) with fire, so will it be at the end of the age. The Son of Man will send his angels, and they will collect out of his kingdom all who cause others to sin and all evildoers. They will throw them into the fiery furnace, where there will be wailing and grinding of teeth. Then the righteous will shine like the sun in the kingdom of their Father. Whoever has ears ought to hear.

The Harvest of the Earth - Rev 15:14

Then I looked and there was a white cloud and sitting on the cloud one who looked like a son of man, with a gold crown on his head and a sharp sickle in his hand. Another angel came out of the temple, crying out in a loud voice to the one sitting on the cloud, "Use your sickle and reap the harvest, for the time to reap has come, because the earth's harvest is fully ripe." So the one who was sitting on the cloud swung his sickle over the earth, and the earth was harvested.

Then another angel came out of the temple in heaven who also had a sharp sickle. Then another angel [came] from the altar, [who] was in charge of the fire, and cried out in a loud voice to the one who had the sharp sickle, "Use your sharp sickle and cut the clusters from the earth's vintage. He threw it into the great wine press of God's fury. The wine press was trodden outside the city and blood poured out of the wine press to the height of a horse's bridle for two hundred miles.

The King of kings

Ref: Revelation 19: 11 -16

Then I saw the heavens opened, and there was a white horse; its rider was called "Faithful and True." He judges and wages war in righteousness. His eyes were like a fiery flame, and on his head were many diadems. He had a name inscribed that no one knows except himself. He wore a cloak that had been dipped in blood, and his name was called the *Word of God*. The armies of heaven followed him, mounted on white horses and wearing clean white linen. Out of his mouth came a sharp sword to strike the nations. He will rule them with an iron rod, and he himself will tread out in the wine press the wine of the fury and

wrath of God the Almighty. He has a name written on his cloak and on his thigh, "King of kings and Lord of lords."

Explanation about the Coming of the Lord - rapture

BD No. 8743 of 02/03/1964 taken from book 92

Jesus is speaking: 'I want to give you an important spiritual explanation which is intended to benefit your soul: I want to open up an area for you which you would never be able to enter without the working of My spirit, for I want to introduce you to a world which is only comprehensible to the spiritually awakened person, since it already requires a certain amount of knowledge of things which otherwise are completely unfamiliar to the human being. I have promised you that I will return to earth when the day of the end has come. This promise, however, has given rise to the most diverse notions in you humans, yet the true explanation has evaded you, precisely because the process of My second coming has been presented in so many different ways and, just as the process of My owns rapture, at different times, thus resulting in wrong claims which I want to correct:

My second coming to earth will not take place physically, such that My feet will touch this earth, instead I will appear with an entourage of the most elevated beings of light and will be visible to all who are My Own, for no human being having devoted himself to My adversary will ever be able to behold Me in all My glory, for the darkness cannot see the light since people would completely cease to exist, being unable to endure the radiance coming forth from Me. Hence, I will come to earth and also to My Own still concealed in the clouds, yet they will be able to bear an abundance of light and thus they will highly delightedly rejoice when they see Me with the great host of angels, for I will open their eyes to see. Hence it is wrong to say that everyone will see Me when I come to judge the living and the dead, for the 'Judgment' will not happen such that every individual person has to be answerable to Me. For I know every individual soul, I know to whom it belongs, and since the last Judgment on this earth is a matter of transforming the entire earth and dissolving its separate creations, so that all spiritual substances are released to be placed into new forms, this dissolution also denotes the death of people who had failed their last test of earthly life and had handed themselves over to My adversary. Hence these will be faced by death and unable to escape, which will generate intense panic amongst people. Yet prior to this final work of destruction My Own will be lifted away.

I will come to fetch them Myself; they will be allowed to behold Me as I descend to them from above, rejoicing elatedly and with burning love for Me they will longingly stretch out their hands to Me, and I will draw them to Me, I will take them away, I will lift them up, and thus they will experience a process which completely contradicts natural law. And this jubilation by My Own will be heard by other people who are at first unable to understand it since they won't see anything themselves. Consequently, they will merely be seized by a certain apprehension, which will turn into extreme fear and horror when they see My Own suddenly disappear, when they can't understand why they are no longer able to reach the people they had pursued with their hatred, why they are no longer amongst them and cannot be found.

There will certainly be radiating brightness, but the pursuers will find it intolerable. Yet they will not have much time to think about it because the end will follow soon. And the radiant brightness will give way to an almost impenetrable darkness that will drive people to despair. This will be followed by eruptions, outbreaks of fires, splits will occur in the earth so that no person can save himself and everything will be devoured by the earth.

Not much time will pass between the My Owns rapture and this final destruction, for the rapture would force the remaining people to believe and this would be entirely worthless as it would exclude a free decision. People will have had adequate time before and will have been constantly admonished and forewarned, and anyone still coming to his senses before will also still be accepted and called away before the breakdown of earth, so that he can be helped to progress in the beyond. This act of rapture is a completely unnatural process, but then I will be able to waive the laws of nature because it will no longer disadvantage anyone's soul. But even My coming in the clouds will no longer compel people to believe because those who will see Me will have already attained maturity of soul so that they will merely experience the fulfillment of what they firmly believed and therefore anticipated My arrival on a daily basis.

People rarely accept a correct explanation, especially about these last events because they have already formed their own concepts about it and don't want to let go of their ideas. *The rapture cannot possibly take place a longer time in advance because such unlawful occurrences would force people to change their mind. And the end of this earth in any case means the end of everyone who is still alive, for even My Own will experience it, only they will be in a state devoid of all suffering, even though they will be able to follow the process, because this is My will. Since they will then be completely devout, they shall also experience My might and glory, and thus they will also be able to behold My great host of angels surrounding Me, and then they will also be suitable ancestral parents to populate the new earth, which indeed will also be the work of an instant for Me when I want to give the liberated spiritual essence a new external shape for further maturing.*

But the people themselves will have lost all awareness of time until they are returned to the new earth again. Nevertheless, they will still possess their old body of flesh, albeit it will be quite spiritualized already. This, too, has to be said in order to refute the misguided opinion that the new earth will be populated by completely spiritualized beings. For the new earth is intended to become a place for higher development again and the old laws will be applicable to the new earth too. The process of the fallen spirits through the creations up to the human being will take place and the person as such will have to pass the last test of will again, which in the beginning will certainly lead to success because there will be no temptations by the adversary, who is bound for a long time, and because people are full of love they will establish a direct contact with Me and therefore attain full maturity very quickly. You should not let wrong descriptions tempt you into neglecting or postponing your psychological work, for I will abide by the day when I will come in the clouds and with this day will also come the Last Judgment on this earth."

Coming in the Clouds - Part 1

BD No. **4531** of 01/04/1949 taken from book 52

Jesus is speaking: "And I will come to you to carry you into My kingdom. Remember this promise during your hours of distress and wait for Me and My help, firmly believe that I will come as your Savior when the adversity becomes insufferable. And don't be afraid, for I Am stronger than the one who wants to ruin you. You should know that it would be easy for Me to destroy him; yet nothing would be achieved by this for his many followers would continue his work if they were not destroyed as well. This, however, is not acceptable, for that which came forth from My creative spirit will continue to exist forever, it cannot cease to exist because it is everlasting strength from Me. Nevertheless, I will rescue you from his power by banishing him and all those who are enslaved by him. You, however, will be led into the kingdom of peace where you will live as if you were in paradise, until I return you to the new earth which you then shall populate according to My will. No-one will believe this promise, this prophecy, for when I come in the clouds, I will repeal the natural laws by lifting you up to Me in the flesh before your fellow human beings' eyes who succumbed to My adversary. They will effectively experience something unnatural, which they currently don't want to believe in.

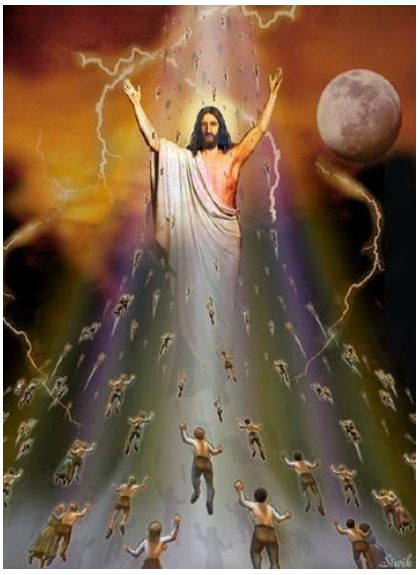

But you, who are My Own, you know that nothing is impossible for Me, and therefore you also know that I can stop or revoke natural laws if it benefits My eternal plan of Salvation, thus you also know that there will be an end and that you are living in the last days before the end. Consequently, you do not doubt this proclamation either, which I imparted to humanity at the beginning of this period of Salvation. You consider it possible, and you should firmly believe it, so that you subsequently will be able to survive the difficult time, always thinking and hoping for my assured help and My coming from above. Regardless of what evil people will do to you, don't take offence, for they will receive their punishment which will be bitter indeed. ***They will see you being lifted up before their eyes while death is lurking around them, and they will be unable to escape in any direction; they will be devoured by the earth and be granted a wretched fate in the abyss.*** You, however, will receive your just compensation, all hardship will have come to an end, you will live in freedom and with joy on the new earth amid a paradise, amid love

and in direct contact with Me, who will often stay amongst the people who have become love. And this is the end which was predicted by seers and prophets time and again, which was announced ever since the beginning of this epoch of Salvation so that humanity will believe. Yet no-one takes these predictions seriously, nevertheless, the day will come when all this will happen and the last Judgment will occur, as it is proclaimed in Word and Scripture."

Coming in the Clouds – Part 2

BD No. 3557 of 09/24/1945 taken from book 45

Jesus is speaking: "An unusual roar will fill the air as the Day of Judgment arrives. And this will be the last sign for people, yet it will only be recognized as such by the believers, which will cause them great joy. For then they will be anticipating the coming of the Lord. It requires a strong faith to expect God to be coming in the clouds, for this is such an extraordinary process that godless people just ridicule and make fun of it when it is mentioned to them. They will indeed hear the sound, too, yet they won't see the Lord in the clouds and thus take little notice of the unusual noise in the air and won't let themselves be distracted from their lives, exuberantly and without scruples they will continue to enjoy themselves. ***The faithful, however, will get together and, with a happy heart, prepare themselves to receive the Lord. They will have reached the limit of their physical endurance and know that their time of suffering has come to an end, and in the final hour they will unanimously profess their faith in God although it will mean the loss of their earthly life, because they will be mercilessly attacked by the world. Yet the appearance of the Lord will thwart the plans of their godless pursuers; for suddenly they will see the believers being lifted off the ground and rising into the air. At the same time there will be a sound of dreadful thunder and people will realize with dismay that something dreadful is going to happen.*** Paralyzed by the unusual process of the rapture they will be unable to think, they will try to flee and see the same everywhere, flames of fire bursting through the earth from which there is no escape. And their life will end in a most dreadful way, for the people who rage on earth like devils and are rife with sin cannot be saved.

But the flock of the faithful will witness the end of the old earth; the divine work of destruction will take place before their eyes, while they will have escaped and will be safe and secure in a place of peace, as promised by God. This will be the end of one period of Salvation and the start of a new one as soon as the old earth is shaped anew through God's will. Then the faithful will continue to live as the root of the new human race and the new period of Salvation will begin. The process of rapture is only understandable and therefore credible to a knowing and profoundly enlightened person, yet it will be the culmination of an anxious time of hardship and suffering, it will be the conclusion and the evidence of God's glory, who will also

prepare a fate for His Own which testifies of His glory. It will be an act of profoundly divine love for His living creations who will recognize in Him their Father of eternity, who will have returned to Him and become as one with Him through love, with whom He will then be able to stay because divine love meets with no obstacle once the human being has become love himself."

Trumpet 7 – Wow 3

Revelation 11:15-19 **"Then the seventh angel sounded: And there were loud voices in heaven, saying, "The kingdoms of this world have become the kingdoms of our Lord and of His Christ, and He shall reign forever and ever!" And the *twenty-four elders* who sat before God on their thrones fell on their faces and worshiped God, saying: "We give You thanks, O Lord God Almighty, the One who is and who was and who is to come, because You have taken Your great power and reigned. The nations were angry, and Your wrath has come, and the time of the dead, that they should be judged, and that You should reward Your servants the prophets and the saints, and those who fear Your name, small and great, and should destroy those who destroy the earth." Then the temple of God was opened in heaven, and the ark of His covenant was seen in His temple. And there was lightning, noises, thundering, an earthquake, and great hail."**

The Twenty-four elders offering thanks to God for what he has done and what he is about to do.

Who are the Twenty-four Elders? Nowhere in the book of Revelation does it specifically identify who the twenty-four elders are. However, they are most likely representatives of the Church, perhaps the twelve tribes of Israel, and the twelve apostles. It is unlikely that they are angelic beings, as some suggest. The fact that they sit on thrones indicates that they reign with Christ. Nowhere in Scripture do angels ever rule or sit on thrones. The Church, however, is repeatedly said to rule and reign with Christ. (Revelation 2:26-27, 5:10, 20:4; Matthew 19:28; Luke 22:30) The most likely option is that the elders represent the risen Church which is called, "The Rome of Christ," that will enter into the Holy City (The New Jerusalem) of purity and love. A victory song follows, sung by the entire church, celebrating the marriage of the Lamb, the union of the Messiah with the community of the elect.

The Blessed Mother is speaking: "The light of this Holy City is the very splendor of the Father; the sun, which gives warmth, is the Immolated Lamb, from whose Heart comes forth burning rays of fire and of love; the breath is the exhalation of the Holy Spirit, who gives life, and rouses all creatures to their hymn of glory and celestial harmony. This is the task entrusted to your heavenly Mother.

The Holy City must first of all be established in the hearts and the souls, that is to say in the lives, of all my children. This takes place when you turn away from all the seductions of evil and of the passions, and give place to the love of God, who brings you to live in perpetual communion of Life with Him.

You are thus set free from the slavery of sin and brought back to that experience of grace, of purity and joy, which was the habitual state of life of Adam before he succumbed to the snare of the serpent and to his first fall." Ref: MMP: 744

The four living creatures (literally "beings") are a special, exalted order of angelic being or cherubim. This is clear by their close proximity to the throne of God. Ezekiel 1:12-20 suggests that they are in constant motion around the throne.

Spiritual Turning-point - Total Transformation of Earth

BD No. 4533 of 01/06/1949 taken from book 52

God the Father is speaking: "You can take it for granted that the world is facing a change, spiritually as well as earthly. The earth itself is approaching a total transformation, a transformation of its surface as well as extensive internal changes, and, likewise, people need to prepare themselves for a process that will have spiritual repercussions because all life on earth, human and animal, will cease to exist as soon as the reshaping of earth is under way. Thus it stands to reason that the entire transformation will have a spiritual foundation, that a new school for the spirit will be created which, however, will first call for the destruction of the former. Earth cannot continue to exist the way it is at present if it is not to circle through the universe amid other creations and heavenly bodies devoid of all purpose. Change has to take place, and this act of transformation will be experienced by people to whom God has given the grace to use the final opportunities for achieving maturity. For God has blessed the last days of this earth's existence by providing blessing upon blessing for people who could certainly reach full maturity by the last day. That the gifts of grace are ignored, that the majority of people do not welcome and thus do not accept them, is only proof that the last days have arrived.

Hence only few will be able to observe the final act of transformation because they accept God's will and therefore also know of His eternal plan of Salvation. They will not be harmed by the process of transformation as they will be raptured before the last act of destruction of the old earth. And thus, the change will merely affect them such that they will change their environment for a kingdom of peace until they are returned to the entirely reshaped earth as root of the new human race. Until the last day, however, others will still have ample opportunity to change and thus save themselves too. For as soon as their spiritual transformation has taken place, as soon as the soul has returned to God, whom they had adamantly resisted so far, the souls also become aspirants to the kingdom of the blessed and need no longer fear the destruction of the old earth. No creation on the old earth will survive nor will any

human being continue to exist who was not lifted to heaven by God's love beforehand. The complete destruction of the earth's surface as a whole will also result in the demise of every creature, and the transformation of any soul capable of change will have been achieved by the hour of the Last Judgment. Hence it depends on the human being's spiritual change whether he will survive the end of this earthly period and be permitted to re-inhabit the new earth as a child of God.

All people will still be capable of change but only few will be willing, and thus the earth's process of transformation will take place, given that people's will shall no longer take the right direction and earth no longer fulfils its intended purpose. Earthly life is misused. As a result, the whole of humanity faces a spiritual turning-point. However, it will not happen on the old earth and it will only consciously be experienced by a few people, whilst the majority of people will indeed enter an entirely different developmental stage, hence also be affected by the spiritual turning-point, but in a regressive sense, they will lose their physical life and continue their existence in a completely different form, 'Life' will have ceased to be and the state of 'death' will surround the spiritual essence because it will have failed as a human being, because it did not use its opportunity to change in order to redeem itself.

In the universe, however, the act of transformation will denote an entirely new period of redemption and the conclusion of an era which was extremely significant, because God Himself incarnated on earth in order to exemplify to humanity the change from a human into a divine being, which all people should accomplish. Earth, which carried His physical body, will now have to help the hardened spiritual substances, solid matter, to achieve redemption. Every living thing will have to experience a change of its external form; everything constrained in a form below the human level will have to be able to comply with the impetus for ascent. As a result of earth's total transformation this will indeed be possible since the love of the divine man Jesus also encompassed the as yet unredeemed spiritual substances which He also intended to help with His act of Salvation. When this period of redemption comes to an end it will also mean the end for all creations in, on and above the earth. Then a continuation of development in the creations of the new earth can commence for all spiritual substances which still need to be redeemed and which, depending on their will towards God, will animate the various forms until their final salvation."

Transformation of Earth Begins

BD No. 6282 of 06/11/1955 taken from book 67

God the Father is speaking: "The core of the Earth will remain unaffected when the creations' disintegration takes place. The Earth as a heavenly body will continue to exist, merely its external form will be so completely reshaped, that one will certainly be able to speak of a 'new Earth', but not of the Earth's disappearance. This change will therefore involve even the deepest parts because many spiritual substances shall be set free and continue their process of development in new forms. A hugely powerful tremor will release the bound substances and matter will be dissolved and be solidified again on an extensive scale. Human thoughts cannot find any comparison to the act which will take place, even though the inadequacy of human thinking will be the direct cause of it. Nevertheless, people have no idea of

the ramifications of their undertaking otherwise they would shy away from experiments for which they lack the final knowledge. But regardless of what people do of their own free will, the redemptive plan for the spiritual beings has been adapted to this free will, the consequences will correspond to the divine plan of Salvation, it will serve, no matter what happens, to release the substances bound in matter, one period of Salvation will come to an end and a new one will start again. All liberated spirits will enter a new external form because entirely new creations will arise and the divine order, which will be entirely revoked in the end, will be established again, because the Earth must continue to fulfill its task of being a place of education for the still immature spirits, consequently it cannot completely cease to exist until it has accomplished this task. However, in its old form it no longer serves its purpose, precisely because everything has become disorderly since, on account of their will, people do whatever God's adversary demands of them, because they destroy creations or use them for wholly God-opposing actions and thereby prevent the indwelling bound spirits from developing, which is the adversary's intention, as he has no influence over divine creations and therefore exerts his influence over people who are enslaved by him. And so, God's adversary will also impel people to implement the final work of destruction without realizing that he will exactly achieve the opposite of what he wants to achieve, that the new creations will incorporate everything again which he had influenced, that he will thereby only lose consistently more followers and that new opportunities will be created again for the spirits to mature fully, so that one day they will be completely free from the adverse power. The conclusion of this period of Salvation has been planned from the start, yet the human being has no idea how it will take place although he would only have to imagine an eruption on a huge scale, which is very possible, since time and again such eruptions occur, which people cannot deny. The rotation of the interior of the Earth is caused by influences unknown to man, but in the end, people will cause it themselves without realizing the consequences of their action. God's adversary will impel them to do so, and thus it is his will and the will of people enslaved by him, which was included in the divine plan of Salvation. Consequently, even hell and its adherents are of service to the Creator of Heaven and Earth, the dark world unintentionally takes part in the redemption of the spirits and, in the final analysis, even the resistance to God contributes towards the fact that the path towards ascent will, time and again, be opened again for the spirits, until the work of Redemption will finally be complete one day."

The Final Powerful Work of Destruction

BD No. 8685 of 11/26/1963 taken from book 91

Jesus is speaking: "Great events cast their shadows before them. And thus the final powerful work of destruction affecting the earth will be preceded by ever more distressing events, what happens to a lesser degree in many places will finally happen to the whole earth, with the difference that the previous divinely intended natural disasters will horrify people, whereas **the final work of destruction on earth will be triggered by human will, thus people will initiate the end themselves, on the one hand by involving themselves in all kinds of tests and experiments and on the other hand by their increasingly firmer connection with God's adversary who impels them to do so because he himself is incapable of destroying works which**

emerged through God's will. You humans will be kept in constant suspense, for the day which brings everything to an end because a new earth period will start, comes ever closer. And every frightful event is intended to wake you up, for you are truly sleepwalking, you don't see and realize anything because you don't want to see or realize anything. You are in grave danger of becoming lost again for an infinitely long time, and yet you could avert this danger if you were genuinely interested in your salvation.

However, regardless of what is yet to happen, only individual people will derive benefit for their soul, whilst the majority takes notice of everything, gets upset about it and then lapses into its state of sleep again, and nothing changes in their way of life, in their attitude towards God, for He is distant to them, and they won't look for close contact with Him as long as their earthly life still seems bearable to them. Yet a state of calm will not return anymore, one piece of bad news will follow the other, and even the adversary's activity will become clearly evident, the separation of the goats from the sheep will become ever more distinctly noticeable. People will soon demonstrate that they pursue two different goals: people who still seriously try to find God and those who deny Him and aim to completely exclude Him from their lives. And the latter will treat the former with hostility and oppress them, for they will be in the majority whereas the believers will always be the weaker ones, yet they only outwardly yield to the superior numbers whilst always receiving strength from God in order to withstand the adversary's demands to renounce their faith. For soon the last battle of faith will erupt and that will also be the beginning of the final phase, which will be closely followed by the end. But due to people's low spiritual level such upsetting events cannot be avoided, everything will still be tried on the part of God to motivate people to think, and the proximity of death will be brought home to them over and over again.

By way of destruction through the forces of nature, they will be shown that everything is transient and be encouraged by any means to form an opinion about all happenings, for they shall be shaken out of their lethargy and motivated to reflect on the possible reasons for all occurrences. And even people who are not directly affected themselves can nevertheless observe their fellow human beings' fate and form their own opinion. Whatever it takes will still be done on the part of God which could result in some success. Yet generally everything will be looked at from an earthly point of view, earthly disadvantages will be discussed, but the fact that everything has its spiritual reasons will be ignored and therefore only little spiritual success will be gained. Even so, you are told in advance that you will repeatedly be shaken up; you shall know that everything is planned for eternity and that nothing is without meaning and purpose even if you don't recognize it. ***Observe the cosmic events and heed world events. And know that there are no coincidences in earthly life that everything is determined or permitted by God's will, because He also knows the results of what He sends upon earth and humankind, For He holds the reigns and knows how to steer them according to divine wisdom.***

Try to understand God's language, for you only need good will to subordinate yourselves to His will, hence you should only ever try to derive benefit for your souls from everything that happens around yourselves, but don't remain indifferent, for God always wants to tell you something when your heart and mind are affected by extraordinary events. ***Listen to His soft voice and don't let anything***

pass you by without impression, take notice of the signs of the last days which shall be your indication that the time has come which has always been mentioned. And believe that you don't have much time left until the end and that everything will come to pass as it is written that the old earth will pass away and a new one will arise; for the time is fulfilled and thus the divine plan of Salvation will be implemented as it has been planned for eternity."

Science Experiments Contribute towards the End of the Earth

BD No. 4731 of 09/01/**1949** taken from book 54

God the Father is speaking: "There is a set limit to how far people can go in their conduct towards what My creative spirit has brought forth. Thus, as soon as they presumptuously want to change natural creations, every one of which was given its purpose by Me, then people's attitude towards Me becomes irrational, they underestimate My wisdom and My might, believing themselves able to dismiss both and thereby sin against Me Myself as well as against what I have created. And then the limit I have set will be transgressed, and thus humanity will destroy itself, because their scholars will draw the wrong conclusions and the consequences of their experiments will be disastrous. People believe that they have the right to explore everything I kept hidden from them in recognition of their immaturity for such knowledge. ***The earth in its core is and will remain inexplorable for people until the end.*** Furthermore, forces of gigantic power are kept bound by Me in the earth's core so as not to endanger the earth's continued existence, only those eruptions ensue from time to time to allow these powers a brief outburst in order to give spiritual substances capable of development the opportunity to take shape above the earth and thus start their path of ascent. These forces unleash themselves with My approval, and therefore their effects are intended in My eternal plan of Salvation.

The extent of an eruption will always be limited when it happens in accordance with My will, but human determination will never be able to stop it, human will can never be the cause of it since no-one is able to explore cause and effect. Yet in the last days people will presumptuously penetrate the earth deeply for reasons of research in order to release unfamiliar energies with the intention of utilizing them profitably and won't consider the fact that they lack the knowledge and intellectual capacity for such experiments.

Hence, they will have no respect for My works of creation, they will penetrate an area which is quite naturally closed to them and wanting to investigate it can be called an impertinence, from a purely earthly point of view. But from a spiritual point of view, it will mean entering the territory of the lowest spirits whose banishment I recognized as necessary, and which will then therefore be unlawfully invalidated by people, that is why revoking My eternal order will have unimaginable consequences.

Their manipulations will aim to utilize earth forces against which every resistance gives way, and which therefore can be used for all experiments. But people won't consider that these forces are capable of disintegrating everything within their reach, they won't take account of their power against which human will and intellect are futile. They will open locks which can never be closed again once they have been breached, for the area people want to enter is unfamiliar to them

and they don't know its laws. The earth's core cannot be researched in this way and every such attempt will backfire, not just on the researchers but on the whole human race. For the limits I have set may not be exceeded according to My eternal order, which always favors progress but never destruction, and thus its infringement also has to have the opposite effect!

Satan himself will put these thoughts into the people of the last days; he will urge them to undertake this plan, for he knows that the destruction of creation will end the spirits' progress, which is his endeavor in his blind hatred against Me and all spirits striving towards Me. Yet even this plan, albeit evil, will be an inadvertent service, he will fall in with My eternal plan of Salvation. A new earth will arise where the development will continue, whereas everything satanic will once again be banished into the abyss."

Reason and Forces of Earth's Disintegration

BD No. 3950 of 01/02/1947 taken from book 49

Thus, the process of final devastation of the earth has to be so powerful that one can speak of a total disintegration of matter.

Jesus is speaking: "All conditions for the creation of a new earth have to be in place before the old earth will be disintegrated, that is, before a total change of its outer shape can take place. The earth effectively must go through a disintegration process which releases all spiritual substances bound therein so that they can take on new forms in creations which enable their continued development. ***Thus, the process of final devastation has to be so powerful that one can speak of a total disintegration of matter.*** This cannot just apply to individual stretches of land, but eruptions have to take place within the earth's core which will spread into all

directions, so that the whole of the earth's surface will be affected, that therefore nothing will remain of what previously existed but that everything will be dissolved into their smallest components.

And this will be caused by people themselves, they will become embroiled in a scientific area which is beyond their intellectual capacity. They don't know the natural laws and their effects to enable their investigation of such an area and thus they will activate forces which they themselves will be unable to control. However, I will not stop them, for even this human will underlies My eternal plan of Salvation, because the period of time the souls were granted for their salvation will then also have expired.

Thus, the process of the final destruction will indeed be triggered by human will, yet it also corresponds to My will in so far as that it will guarantee an assured progress for the spirits which are still bound in hard forms and long to become active, or I could let the experiments fail in order to divert people's plans. Hence the tests will take place locally, yet they will have no boundary because the released power can no longer be stemmed and thus its elementary effect will spread into all directions. For the earth is a limited region, whereas the activated force knows no boundary, and everything affected by it will fall prey to it.

The consequences of this process are not conceivable to you humans, besides, it will happen within a space of time which will rob you of all thoughts, unless you belong to the small flock of My Own who observe the last work of destruction, because it is My will that they shall witness the end of this earth. But you can get a faint idea if you imagine an explosion taking place which leaves nothing that is assembled in existence, which thus totally destroys everything and dissolves it into smallest atoms. Yet, preceding this process, which only takes a few moments, are tremors and outbreaks of fire which completely suffice to throw people into utter panic because they are facing certain death. And now it can also be understood that nothing can stay behind, that no creation will continue to exist, but that only matter dissolved into smallest atoms will remain which will be shaped again by My will and My might into unimaginable creations in which the spirits' process of development will continue."

Cosmic Events that lead to the end of Earth: Nibiru – 'Planet X'

Ref: NASA KNOWS NIBIRU IS COMING, SAYS CONSPIRACY THEORISTS JOHNTHOMAS DIDYMUS JULY 17, 2015

Scientists Found New Evidence For The Existence Of Planet X! - YouTube

"There is evidence of an ongoing resurgence of the Planet X (also known as Nibiru) cataclysm conspiracy theory following the publication of new scientific studies in 2014 claiming evidence of a mysterious unnamed planet lurking beyond Pluto. The scientific claims were based on observations of gravitational influences on a group of space bodies termed the "extreme trans-Neptunian objects" (ETNOs) orbiting our Sun beyond the planet Neptune.

A slew of messages and YouTube videos currently being circulated in the conspiracy theory blogosphere claims that a NASA study published in 1988 revealed details about the mysterious Planet X/Nibiru with an estimated orbital period of more than 1,000 years.

The study, according to conspiracy theorists, demonstrates that NASA and the U.S. government have been aware for decades that the rogue Planet X is coming with catastrophic consequences for humanity.

According to conspiracy theorists, recently leaked secret NASA "Planet X" files reveal that the agency is aware that the gravitational influence of Planet X had disrupted the orbits of other planets during a previous passage into the inner solar system hundreds of years ago; and that the next disruptive passage into the inner solar system is imminent.

The approach of the mysterious Planet X is currently sending waves of charged "plasmatic energy particles" through our solar system. The flow of energy will finally disrupt the "core flows" of the Earth and trigger catastrophic changes in Earth's climate.

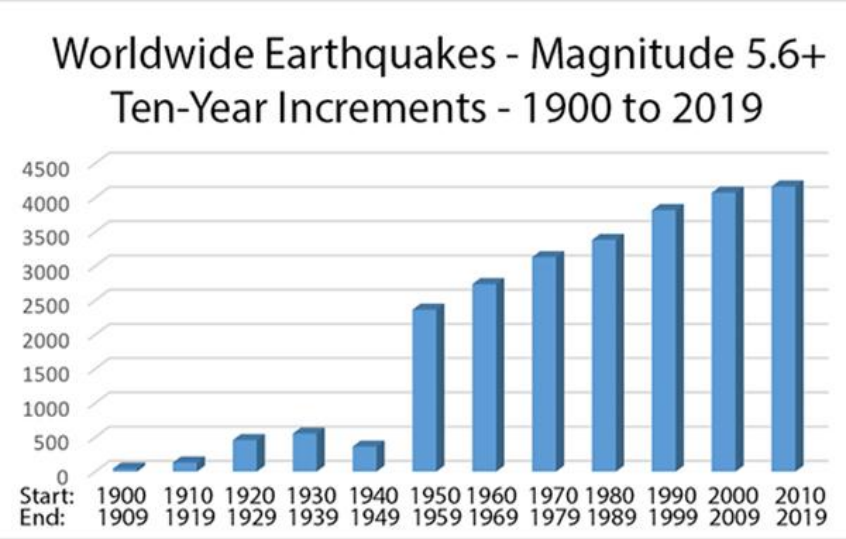

We have been feeling the disruptive effects of the inbound rogue Planet X since 1996 in the form of increased seismic and volcanic activities, freak weather patterns, and natural disasters.

NASA KNOWS NIBIRU IS COMING

NASA, the Pentagon, and the CIA are aware of the approaching rogue planet. The Vatican has also been briefed, but the public is being kept in the dark about the impending apocalypse. But despite efforts to keep the information secret, there have been leaks.

The comprehensive report submitted to the White House estimates that about two-thirds of humanity will be wiped out when Planet X induces a pole-shift. Two-thirds of survivors will perish over another six months due to starvation and exposure to the elements.

Although some conspiracy theorists insist that the Planet X mentioned in the NASA files is not linked with Zecharia Sitchin's planet Nibiru — the alleged planet of the alien Anunnaki that makes a close approach to Earth as it passes through the inner solar system on its orbital path once every 3,600 years — many conspiracy theorists insist that that NASA's "Planet X" is Nibiru.

Deadly and Destructive Earthquakes in the Past Century

BLESSED MOTHER IS SPEAKING: "IN THE SAME WAY, PART OF THE UNIVERSE IS BEING INFLUENCED BY THE UNUSUAL MOTION OF A CELESTIAL BODY OF LARGE PROPORTIONS THAT IS MOVING, MAGNETIZING EVERYTHING ON ITS WAY, ALTERING THE NORMAL MOVEMENT OF SOME PLANETS AND THE EARTH ITSELF, AS A RESULT OF WHICH EARTHQUAKES ARE INCREASING. (1) Ref: Luz de Marie June 25, 2020

But it is uncertain whether the Planet X mentioned in the purported NASA files is the same as the Planet X that scientific researchers announced in 2014 that they have evidence is lurking in the fringes of our solar system beyond Pluto.

According to the research study titled "Extreme trans-Neptunian objects and the Kozai mechanism: signaling the presence of trans-Plutonian planets," published in June of 2014 in the journal Monthly Notices of the Royal Astronomical Society Letters, there are at least two planets — part of our solar system — larger than Earth, lurking out there beyond Pluto, and whose presence can be detected through their gravitational influences.

The team of scientists, led by Professor Carlos de la Fuente Marcos, at the Complutense University of Madrid, said that observations of the behavior of the ETNOs objects beyond Neptune reveal the gravitational influence of massive astronomical objects beyond Pluto.

According to the emerging conspiracy theory, NASA embarked on the New Horizons project two years after the 1988 publication revealed the existence of Planet X. The final destination of New Horizons is Planet X, but to prevent mass panic, NASA pretended that the destination of the space probe is Pluto and the Kuiper belt.

In the 1990s, the agency pretended it had abandoned the search for Planet X by leaking false information that the latest measurements by Voyager 2 proved that Planet X does not exist. According to NASA at the time, measurements taken by Voyager 2 showed that the alleged irregularities in the orbits of Uranus and Neptune which led to the Planet X hypothesis were due to overestimation of the mass of Neptune.

But according to conspiracy theorists, the claim by NASA scientists was a deliberate use to cover-up the actual destination of New Horizons beyond Pluto and the Kipper belt – Planet X.

NASA knows that Planet X is real, and that Armageddon is near, according to conspiracy theorists.

In a previous report, the Inquisitor traced the origin of the Planet X controversy in the astronomical sciences to the late 19th century. Following the discovery of Neptune, astronomer Percival Lowell proposed the Planet X hypothesis to explain certain irregularities in the orbits of the outer giant planets.

The discovery of Pluto in 1930 by Clyde Tombaugh led some astronomers to announce that Planet X had been found. But by 1978, scientists had realized that Pluto was too small to account for the observed influences on Uranus and Neptune. This led to resumption of the search for the mysterious Planet X, believed to be larger than Earth.

The conviction that a planet larger than Earth lurks beyond Pluto was strengthened by the work of Chadwick Trujillo and Scott Sheppard, who, in March of 2014, announced discovery of the dwarf planet 2012 VP113, believed to be part of the inner Oort Cloud.

The scientists pointed out that 2012 VP113's orbital behavior suggests it is under the gravitational influence of a massive undetected planet in the fringes of our solar system.

The researchers suggested that Planet X is likely ten times more massive than Earth and probably lies about 250 AU from our Sun." (AU = the distance from earth to the sun about 93,000,000 miles)

'Overwhelming evidence' that Planet X/Nibiru will DESTROY Earth

By SEAN MARTIN PUBLISHED: 06:35, Wed, Jan 4, 2017, | UPDATED: 09:59, Wed, Jan 4, 2017

"Paranormal researchers have been investigating the possibility of Planet X for several years now, and some believe that it is now travelling towards Earth.

Research scientist David Meade claims that an entirely different solar system is on a collision course with our own and that Planet X, which the conspiracy theorist believes is actually a star, and its gravitational pull will cause widespread destruction here on Earth that will ultimately lead to the end of humanity.

Mr Meade, an author who wrote the book 'Planet X – The 2017 Arrival', believes that the devastating Planet X will bring with it "seven orbiting bodies," including Nibiru, a large, blue planet.

The conspiracy theorist believes that the star system is difficult to spot because of the angle that it is approaching.

Planet X will bring widespread destruction to Earth in the coming years, say conspiracy theorists.

Mr Meade wrote in a piece for Planet X News: “This system is, of course, not aligned with our solar system’s ecliptic, but is coming to us from an oblique angle and toward our South Pole.

“This makes observations difficult, unless you’re flying at a high altitude over South America with an excellent camera.

Planet X's alleged arrival could end the world as we know it.

As it intertwines and approaches it, will come from our south and loop all the way to the extreme north, then come back south again as it exits our orbital path.” He adds that the evidence is “overwhelming.”

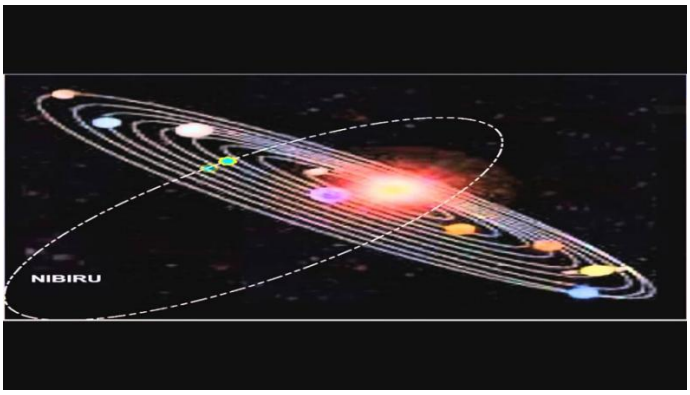

David Meade points to the increase in earthquakes in 2016.

A spate of seismic activity this year, especially across the Ring of Fire in locations such as New Zealand, Chile and Japan, is due to the approaching star system and its intense gravitational pull, while the author also claims that it is wreaking havoc on many other aspects of the planet.

Meade concludes: “Earthquakes have dramatically increased both in number and intensity. Storm systems are multiplying both in type, intensity and size. Sinkholes and cracks are appearing in the earth’s crust. Heat waves are getting stronger and are lasting longer. Eventually, all these factors will build to a point where life on Earth, or the planet itself, is wiped out.”

The public is being kept in the dark deliberately to avoid panic.

This event will be recorded in history as the time when the Earth stood still.”

NOTE: Nibiru (also transliterated Neberu, Nebiru) is a term in the Akkadian language, translating to "crossing" or "point of transition" The Nibiru collision is a supposed disastrous encounter between the Earth and a large planetary object (either a collision or a near-miss) which certain groups believe will take place in the early 21st century.

Planet X (X = number 10 in roman numbers) comes from being the 10th planet (after Pluto), in our Solar System and is about 10 times the size of Earth.

Planet Nine = ex-Planet X or 10 (when Pluto was a planet) = Nibiru

Humanity’s Spiritual State Necessitates an End

BD No. 8427 of 03/03/1963 taken from book 89

God the Father is speaking: “Once someone has penetrated spiritual knowledge, he is also entitled to make a judgment in regard to humanity's spiritual state, and he will realize that spiritual progress on this earth is not possible anymore. He will be able to observe that the commandments of love for God and one's neighbor are only very rarely lived up to and that the disregard of these commandments results in ever greater darkness. He will also know that people's will itself is the decisive factor and that this is also misused, since it is turning increasingly more towards the adversary which explains why people are under his control. Salvation would certainly be possible if only people were willing to accept the Word of God, which He Himself conveys to earth and which truly has the strength to lead to a change in human thinking. Yet precisely this willingness is missing and thus humanity is irrevocably approaching the end, so that the unspiritual state will be brought to a halt and a new phase of redemption will start which will impede the endless fall into the abyss, and the being which had failed as a human being will be integrated into the process of return once again, in accordance with divine will. Anyone who has penetrated spiritual knowledge will also understand everything that is happening, he will know that one period of Salvation is coming to an end and that a new one is beginning, because he knows the reason for people's unspiritual state and also that God's love keeps creating ever new possibilities to lead the beings, which had once emerged from Him to their goal.

And only those people who penetrated spiritual knowledge can offer a little help by passing their knowledge on to their fellow human beings, but then free will has to be prepared again to accept such knowledge. And people's will is extraordinarily weakened. A person could certainly place himself into a state of strength and also attain a stronger will, but this requires him to live in love himself and to take the path to Jesus Christ Who, through His crucifixion, acquired unmeasured blessings, thus also the strengthening of will. Deeds of love will always grant strength to a person, and a call upon Jesus will fortify the will, for then the will is no longer completely averted from God, for anyone who is lovingly active also establishes contact with God, the Eternal Love. And anyone who calls upon Jesus Christ acknowledges Him as the Redeemer of the world and thus also as God Himself, who became a human being in Jesus Christ. Hence you all can escape this state of weakness, you are not left to your own devices in your helplessness, but strength is always at your disposal if only you desire it. And those who possess this knowledge will always provide you with clarification, but if your heart and ears are unreceptive to it their words will remain ineffective, you will remain weak and unenlightened and won't live up to your purpose of life.

However, force will never be exerted on you on God's part, it will be entirely left up to your will as to how you deal with your fellow human beings' instructions, yet they will be conveyed to you so that you can also make this decision yourselves. If, however, your own will rejects it and you cannot find your way out of the state of darkness then you are entangled in a net of lies and errors which you can no longer tear apart yourselves, since it keeps you constrained and was cast upon you by the adversary himself. And then the only option left is to break the adversary's power, that is, to remove the opportunity for him to harass people on earth, which means the dissolution of earth with all its creations as well as all living creatures up to the human being, hence an end for you humans with a subsequent banishment into hard matter and a reshaping of all material creations for the purpose of sheltering the still bound spiritual substances, which likewise shall attain higher development on this earth. A spiritual change on this earth is impossible because people fail to muster the will for it. Yet that which will follow later will also demonstrate a spiritual change, for after the demise of the old earth a new earth will arise with incomparably beautiful creations, with spiritually mature people who had passed their test of faith and will on this old earth and who shall be returned to the new earth as the root of the new human generation. For they will be spiritually awakened, they will know about God's love and His reign and activity throughout the universe and they will also know that all creations only serve the once fallen spiritual beings to attain full maturity, they will know that divine order must be observed and that everything which leaves this order will require endless time in order to reach the goal again one day, to integrate with the law of eternal order and to live a life of selfless love. And at the end of an earthly period love will have grown completely cold amongst people, thus profound darkness will be on earth, for only love is the light which penetrates the darkness. And only the one who lives in love will also penetrate spiritual knowledge, he will ignite the light within himself, and all the terrors of darkness will be over for him. And this bright light will illuminate the new earth, and all people will be fully enlightened for they will live in love and walk with God, who is Love Himself and the Light of eternity."

Renewed Banishment is the reason for the Unusual Revelations

BD No. 7875 of 04/19/1961 taken from book 82

God the Father is speaking: "I Am revealing Myself in an unusual way before the end to you humans by conveying knowledge to you from which you should draw the consequences, knowledge which so far had been withheld from you because it was of no significance for your salvation of soul, because you still had time to change your character and were also still able to achieve this in the beyond although under far more difficult conditions. But it was still possible for you to be redeemed for as long the time you were granted for releasing yourselves from the form had not yet run out. This time, however, is drawing to an end and that means either your return to Me or the renewed path through the creations of earth. But the knowledge about the latter has been withheld from you until now, for it would only have induced you to spend your earthly life under a certain amount of duress, which I, however, will not use for the sake of your perfection. But now it concerns the human being's last free decision, it concerns the soul's salvation or its renewed banishment, because after the end of this earth higher development in the spiritual kingdom will become impossible for a long time to come, since the gates of this kingdom will remain closed until the new earth has again entered the state in which immature people will depart once more from this earth, in which case My merciful love will also want to help them attain maturity in the beyond again. Yet before this period of Salvation comes to an end, I will still make use of all means in order to save you from the awful fate of a renewed banishment. And therefore, I inform you humans of the path you have already travelled before you reached your embodiment as a human being on earth. And My revelations are so unusual because most people are lacking this knowledge. But since the fate of a renewed banishment is only now becoming the imminent disaster, since until now the opportunity still existed to mature in the kingdom of the beyond if it was neglected on earth, it was not necessary for people to know about the prior long process of development before, although occasionally I was able to address people directly and so introduced them to this knowledge.

However, now the time has come when people are in utmost danger, but when it is still possible for them to avoid this danger if they have the serious will to endeavor towards a change. And the knowledge about the process of development, of a repeated banishment in matter is intended to motivate them into this change of will. This is why I reveal Myself in an unusual way, this is why I convey a knowledge to earth which can have tremendously beneficial results for people by just paying attention to it, by allowing My Words to take effect on them, think about them and then also live their life accordingly. But there are only a few who believe what is conveyed to them by extraordinary means. And I cannot compel faith. Therefore, I cannot reveal Myself by any other means but through a human mouth either, for an enforced faith is worthless and will not result in the soul's progress. But the fact that I Myself reveal My plan of Salvation to you is a significant light which you humans are still being granted. If you want to live in this light, you will definitely take the right path. For although I speak through a human mouth it is nevertheless the evidence of My love, if I send My Word directly to earth, it is the evidence of My presence, in other words: you can call it an extraordinary gift of grace if you are taught about things which are inaccessible to a person's intellectual knowledge,

which therefore cannot be explained to you by other people if I Myself do not work extraordinarily in this person too. Therefore, pay attention to My unusual revelations, don't discard them as human work but believe that it is only My love which wants to reveal Itself to you because I would like to save you before the end, because I want to spare you the fate of a renewed banishment which, however, is inevitable, if you do not believe."

Concluding a Period of Salvation

BD No. 7996 of 09/18/1961 taken from book 84

God the Father is speaking: "The circle is completed. It is the end of a period of Salvation which began a long time ago and can be spoken of as a very significant phase of Salvation because I Myself descended to Earth in order to accomplish the act of Salvation on behalf of all fallen spiritual beings. And after this act of Salvation the first fallen spirits were able to return, they acknowledged Me and will remain with Me forever because they voluntarily shaped themselves back into love. But now a new period of Salvation will begin. And this first necessitates the dissolution of all material creations on, in and above the earth and a total transformation of the earth's surface. And once again a judgment of spiritual beings in every degree of maturity will take place, new creations will arise which will receive the spiritual substances according to their degree of maturity and will help them to develop further; and a new human generation will come forth from those people who remained faithful to Me, who will survive the final battle of faith on this earth and thus pass the last great test of will. And these people will form the root of the new human generation which will occupy the new earth, whereas everything that is still utterly opposed to Me will be banished in solid matter to start its higher development again. An earthly period comes to an end, and that means that one cycle has been completed again, that many souls will have left their external cover for good and finally have returned into the spiritual kingdom again, that they thus found complete redemption through Jesus Christ and then comply with their purpose in the spiritual kingdom, that they continue to ascend ever higher because there is no limit in the kingdom of light and because all My children will eternally strive towards Me, since it increases their happiness to always find fulfillment of their love and never to lessen their desire for My love. And likewise, the process of returning the spirits on earth will continue; for an infinitely long time and countless periods of development will still have to pass by until all spiritual beings are redeemed. I say this to you, my servants on Earth, because I can only initiate a few people into My plan of Salvation, for only a few can grasp this reign and activity of Mine in order to guide the fallen spiritual beings back to bliss.

The connections from Earth to Me are established ever less often, a living faith in Me is ever more infrequently to be found which is the requirement to convey this knowledge to people. However, wherever possible I will constantly influence people through the mouth of those who offer their active service to Me. They find little credence with their fellow human beings and yet I reveal My plan of Salvation through My messengers to all people who want to accept My revelations. And I inform them of the fact that once again one phase of Salvation is coming to conclusion and a new one will begin. And this will be an extremely painful process for those who do not believe, who have handed themselves over to My adversary,

who did not find redemption during this period of Salvation and who therefore will have to go through the process of development once more. I would like to protect everyone from this, I would like to lead them back and let them enter the spheres of the blissful spirits, but I cannot let My love work contrary to law. People must enter the eternal order during the final stage of their development, only then will I be able to accept them again in My kingdom, which they once left of their own free will. This period of development, during which I Myself lived on earth in the human being Jesus, has been extremely beneficial. All people would have been able to release themselves from My adversary by merely availing themselves of the blessings of My act of Salvation, for My act of Salvation was accomplished for all people past, present and future. And My spirit will also convey this knowledge again to the people on the new earth. For My immeasurable love wants to help all fallen beings to ascend, and as soon as a person allows himself to be guided by Me, as soon as he merely surrenders his opposition and acknowledges Me Myself in Jesus Christ, he will also have started on the path of return to Me, which the man Jesus walked as a good example to him. And then he will also enter the law of eternal order and the process across the earth will one day be over for him as well, he will step out of his physical cover and pass into My kingdom of light and beatitude."

New Banishment of the Spirits - Salvation in one Era

BD No. 4777 of 11/10/1949 taken from book 54

God the Father is speaking: "The most severe punishment for any spiritual being that has already lived embodied as a human being on earth, is to be placed into hardest matter. Countless creations are proof that untold beings have to start their process of development again. As long as there are spirits in need of development, material creations will also exist to serve as carriers for the spiritual substance and, due to their usefulness and different external forms, depending on their shape and more or less hard substance, will enable it to develop. As long as these creations do not cease to exist the spirit is not yet released either.

It is possible for the spirit to evolve from hardest matter to a human being in the course of one period of Salvation. This opportunity is available. But it requires the surrender of resistance within a specific length of time, which is just as possible but very often fails due to the spiritual substances' obstinacy which is so God-opposing at first, that an eternity can pass until its resistance is broken or has lessened. And this resistance is demonstrated by creations which, to the human eye, appear to remain unchanged, often throughout an infinitely long time, creations, which effectively form the earth's crust, which have to be forcefully dissolved through divine will if the spirits are to be provided with an opportunity for higher development. Consequently, one period of Salvation does not suffice for this spiritual substance.

Nevertheless, at the end of this era it can sense the turmoil in the universe and then will surge towards a new transformation of its own accord. The resistance to God will decrease because it senses God's enormous strength and might, and God will take its needs into account and at the end of an era will dissolve all creations. This signifies a turning point for the spiritual substances which had been bound in inactivity within the earth through an eternity. The spiritual substance will now be willing to be of service and will subsequently be placed into an external form

which, at first, will only permit minimal activity. Thus, the process of development above earth begins and will, with certainty, also lead to the embodiment as a human being, albeit only after a long period of time.

This is an additional explanation about the forthcoming final destruction of earth, which is part of the eternal plan of Salvation, and even though many people's lives will fall victim to it, it will nevertheless be a release for the spiritual substance which ardently awaits its new transformation."

Gulf and Bridge - Renewed Banishment

BD No. 4807 of 12/30/1949 taken from book 55

God the Father is speaking: "The gulf between humanity and Me grows deeper and deeper, for the number of those who believe in Me with conviction continues to fall. The strength of My representatives on Earth gets constantly weaker, they certainly speak in My name yet are not the distributors of the pure truth. Ever more people leave the faith and turn to the one who is My adversary, they turn to the world which is his kingdom and thereby increase the distance from Me which they should reduce during their earthly life. They move away from Me and broaden the gulf that separates them from Me. Yet this only works up to a point, for once the limit has been exceeded when the strength of My love no longer affects them, the spiritual substance within people hardens again into solid matter. As long as the earth still exists the defected people will remain within the circuit of My flow of love, yet leaving it signifies the disintegration of the forms which shelter the spiritual substances, it signifies the death of people as well as of animals, it signifies a dissolution of creation and a restoration of the same.

No being can distance itself from Me with impunity, for it will lose its life if it loses Me. And so, anyone who wants to stay alive and does not want to lose his life ever again must strive towards Me and look for Me, he must endeavor to reach Me and thus lessen the gulf between us. However, without faith in Me as Father and Creator of eternity there is no path across this gulf, for the bridge leading to Me is invisible. Only faith makes the bridge apparent, for faith causes people to call upon Me. Faith in Me leads to prayer, which is the safest bridge to Me. Untold people go past this bridge and even those who should be their leaders often don't find the bridge themselves because their words are lifeless, because the paths they take are unsuitable to serve as a bridge, paths, which time and again lead back to the beginning; because their words of prayer do not emerge from their heart and therefore do not reach My ear either, thus they do not use the bridge which is the only path that leads across the gulf to Me. Sooner or later, however, even this bridge will not exist anymore, for once My Own have come across it will be too late for the others, because then every path will be cut off and there will be no more escape for those left behind; then they will be devoured by the abyss, the earth will admit them again and everything will become solidified and become matter once more, because it didn't strive to ascend but chose to reach the abyss."

God Carries out his plan of Salvation

BD No. 8656 of 10/26/1963 taken from book 91

God the Father is speaking: "You will never be able to prevent Me from implementing My eternal plan of Salvation. I have indeed said that you will be able

to avert much from yourselves through heartfelt prayer, but My plan of Salvation is based on humanity's will which I recognized from the start and thus was also able to appoint the appropriate times when the great transformations will take place, and I will indeed adhere to these times. Due to his heartfelt prayer, I can certainly avert occurrences from every individual person; I can guide every individual in a way that he will not be affected by the events which I allow to befall people if I want to achieve My purpose: to continue the process of return, which has come to a standstill. Yet I have always predicted exceptional events to you, and these predictions will indeed fulfill themselves since they must fulfill themselves if the divine order is to be restored again. And I have truly known throughout eternity at what point the divine order will no longer be observed and have therefore always been able to refer to this time and mention the substantial upheavals which will irrevocably occur according to My announcements. But people will never believe these announcements undisputedly, for what is prophesied to them as shortly forthcoming surpasses human notions.

They will certainly be able to recognize the course of world events, that a change will have to happen because people have reached the lowest point, as is clearly evidenced in their self-indulgence and an excessive craving for a good living standard, earthly commodities, honor and power. Thus, they would be able to recognize by the signs of the time that these announcements have a certain justification, which they ought to take seriously and then live their own life accordingly. But their unbelief is already too great for people to listen to such indications. They unreservedly live a purely earthly life and reject all thoughts of drastic change. And this is why humanity will be taken by surprise by a catastrophic natural event on a scale which has never been experienced on earth before, which will end many people's lives and lead to unprecedented chaos of huge proportions and mean immense misery for people. This is a last warning sign and shall therefore be constantly proclaimed to people. My messengers shall draw people's attention to it so that they will recognize the truth when this event takes place, so that they will make good use of the last days before the soon-following end for the maturity of their souls. Admittedly, they will find little or no belief, and yet I keep instructing My messengers time and again to speak up wherever possible. People don't want to be disturbed in their lives of pleasure, but they will get a sudden shock, and the forthcoming event can mean the end for any individual person, and he will not be able to take his material possessions across with him. And this is what he shall always bear in mind, for even if he is usually not willing to believe he nevertheless knows that he cannot prolong his physical life by even one day because the hour of his death is predetermined, and he knows that one day his end will come and that this can happen at any day, that he will have to leave everything behind which amounts to the purpose of his life. And therefore, he should not value earthly goods so highly but procure himself possessions for eternity. And he would only be acting intelligently, whereas a purely earthly life is no sign of prudence but only attests to confused thinking.

My plan of eternity, however, will be carried out and the day I have set for Myself will be adhered to, because the human generation no longer fulfils its earthly task and will therefore be devoured by the earth with the exception of those who have recognized Me, who believe in Me and remain loyal to Me until the end. For

the earth must continue to serve its purpose as a place of education for the spiritual substances which are on the path of return to Me. And this is why the great work of transformation cannot be omitted, and everything has come to pass as I always predicted, because I don't leave people without warning and offer everyone still enough opportunities to find Me and seek union with Me in faith and love. And truly, these shall still be saved before the end, I will call them back earlier so that they will not run the risk of descending completely, but they can still mature in the beyond. Or I will remove them from the earth at the end and take them to a place of peace because they are intended to populate the new earth again as the root of the new human generation. You humans should believe what I announce to you time and again, for there is not much time left, and everyone of goodwill can still be saved, so that he will not meet the dreadful fate of a new banishment."

Last Judgment is an Act of Divine Love

BD No. 5983 of 06/23/1954 taken from book 65

God the Father is speaking: "The Last Judgment also has to be considered an expression of God's love, for this, too, is based on the continued development of souls which had failed their last test of earthly life, and which have to be placed into a new developing process in order to reach the final goal one day. Hence the Last Judgment is, in a manner of speaking, a finalizing rearrangement of what had become disorderly, it is for judging and integrating it into the various forms which correspond to the soul's degree of maturity, it is the conclusion of one developmental period and the beginning of a new one in line with My plan of eternity which is based on profound wisdom and love. Even a judging God remains a God of love because My justice is only able to take effect as My love deems beneficial for the soul and yet compensates the wrong thoughts and conduct of people who become subject to this judgment. Even the greatest sin will somehow have to be atoned if it hasn't been handed over to the One Who offered Himself as a sacrifice of atonement. A balance must be created in order to diminish this great guilt, and precisely this balance is guaranteed by the Judgment, by placing the soul, having become sinful, into a situation where it has to reduce this guilt, since it had not voluntarily accepted the gift of atonement.

The Last Judgment is by no means an act of divine wrath but just an act of love which also expresses My justice since this cannot be excluded from a supremely perfect Being. I could certainly let each person feel My righteousness separately, I could more or less punish every sinner immediately, but this would not correspond to My wisdom, and in that case My love would hardly be recognizable. For I Am exceptionally long-suffering and patient and postpone a judgment, like the one at the end of a developmental period, for as long as possible, in order to still gain people for Myself beforehand. And I place My protective hand over the unrighteous and wicked because I wish to defeat them with My love and not be feared by them as a punishing God. But once the point in time has arrived when I restore order, because there is no further hope of a voluntary return to Me, my love seemingly has to withdraw and yet, it alone is the driving force.

My love brings a satanic situation to an end and prevents further destructive activity by My adversary, I rescue souls from falling into the deepest abyss., I constrain them within solid matter again and thus place them into the

developmental process once more, a judgment which yet again only intends salvation and not everlasting death, and which therefore indeed even more demonstrates My love for everything I have created, for everything that is dead and shall attain eternal life."

'Judging' the Souls at the End

BD No. 8219 of 07/21/1962 taken from book 86

God the Father is speaking: "The hour of reckoning will come, the hour when every person will have to justify himself before his Judge. For order will have to be restored again sooner or later and everyone who has transgressed this eternal order will have to be answerable. The sentence will be passed in accordance with justice. Every soul will experience the fate it has prepared for itself; the spiritual essence, which has taken the path through the creations, will be moved to where it belongs in relation to its degree of maturity, the old creation will be dissolved, i.e. all forms will be reshaped into different kinds of works of creation, and the unredeemed spiritual substance will be placed into these forms either to re-start or to continue the path of salvation, depending on its degree of maturity. At present you humans still do as you want and please, and you are not prevented from doing so, irrespective of how God-opposing your actions are. But the end will come soon, and you will no longer be able to do as you want, because the time will have passed when you were able to work for your soul's salvation. For you will not have used the time in accordance with God's will but strengthened your soul's cover even more and thereby will have prepared your own fate by becoming increasingly enslaved by matter, and thus you will become matter again yourselves, which you had already long overcome. Yet the law of eternal order will have to be fulfilled again one day. Every spiritual essence, which lived on earth as a human being, will have to receive new forms, since higher development must continue where it was interrupted. And the spiritual essence which had failed in its embodiment as a human being has to be given a new opportunity to integrate itself in the process of return. This could indeed be called an extremely harsh judgment, but it only ever corresponds to the human being's own free will, which he had misused on earth, with the result that his soul will gain banishment into matter, it will be dissolved again and will have to take the infinitely long path through the creations until it once again enters the stage of a human being.

One day it will achieve the final goal and leave every external shape behind, but it extends or shortens its own time until it can finally enter the kingdom of light in a redeemed state. And although God is inconceivably merciful and patient and, in His love, constantly tries to encourage people to make the right decision of will, one day the time will come to an end and then His righteousness will come to the fore, and He will re-establish the old order which, however, will also signify a 'judgment of the soul,' a transfer into the external form which corresponds to its state of maturity. And, at the same time, this 'judgment' is the end of an earth or salvation period. It will necessitate the destruction of all works of creation on earth which shelter unredeemed spiritual substance that travels along its process of development in a state of compulsion, as well as people who did not use their earthly existence to progress in their development. They, too, will be 'judged,' that is, according to their spiritual maturity they will be placed into hard matter again.

You humans are now facing the end of this old earth, whether this seems credible to you or not. Time and again your attention will be drawn to this fact in order to improve yourselves before the event and to enter the law of eternal order, which only requires a life of love, for love is a divine principle which you, too, as His living creations, will have to acquire if divine order is to be observed.

You are constantly admonished by seers and prophets, who proclaim this near end to you, to consider your real purpose of earthly life, so that the end will not catch you unawares and you will have to step before God's judgment seat laden with sin if you have done nothing to fully mature in the final form, as a human being, even if you are not yet released from your original sin by having taken this guilt under the cross and prayed to Jesus Christ for redemption from it. Only he can take all guilt from you, and then you can step before God's judgment seat free of guilt, and you will not have to fear the Last Judgment, then you will be able to exchange your stay on earth with the spiritual kingdom, which is your true home. You will be able to enter the kingdom of the blissful spirits and neither have to fear the end of the old earth nor new banishment, for the eternal God is not a strict but a righteous Judge, who will give to you all in accordance with your own will."

The Atheist's Fate

BD No. 8603 of 09/01/1963 taken from book 90

God the Father is speaking: "It is the adversary's greatest triumph if he totally dissuades a person from having faith in a God Who brought the world into existence and created himself. Then he will have achieved what he wanted, to displace God completely from the human being's thoughts. Then he needs no longer fear to lose him. Yet a person who completely denies a God is generally also an unkind person in life, therefore the adversary can influence him, while a person with just a spark of love left can still gain the realization that a spiritually tangible Power exists Which determines his destiny and on Which he is dependent. The former, however, is wholeheartedly attached to the world. Nothing else exists for him apart from this earthly world, and he believes that he will cease to exist and return into nothingness again after his physical death; as a result, he will take whatever earthly life offers him. And although such a person can possess sharp intellect, he will be misguided by God's adversary, he will even arrogate himself to quote substantiations which intend to shatter the belief in a God. He will try to explain that all creations arose from a natural power. However, he will refuse to accept the fact that this natural power must be an intelligent Being in possession of will, and his thinking will continue to be wrong and confused as long as he fails to kindle a small light within himself through kind-hearted actions, which, however, are completely unknown to him. Thus, he will still be totally enchained by the adversary. And therefore, an atheist will almost certainly approach a renewed banishment, for he will completely fail in his last decision on earth. He will still be as opposed to God as he was when he apostatized from God, he will belong to the adversary and in the end will also have to share his fate. Such a person cannot be intellectually enlightened either because he does not want to believe and will therefore also dismiss all spiritual knowledge as imagination and fantasy.

Trying to convey spiritual knowledge to this person would be entirely futile, for God's adversary is his lord and he will never allow him to become enlightened,

he will always keep him in profound darkness and let the world's deceptive lights appear the more brightly to him, so that the person will be totally incapable of accepting spiritual knowledge. The adversary will have taken complete possession of him and will no longer let go of him either. But in earthly life it is only important that the once fallen original spirit will now acknowledge God in the stage of a human being, that his original sin will be taken from him, which can only happen through Jesus Christ, whom he must acknowledge and Whose act of Salvation he has to profess, then he will also acknowledge God Himself Who, in Jesus, accomplished the act of atonement for his original sin. But for as long as the human being lives his earthly life entirely without faith, he will remain burdened by his guilt and will never ever be able to enter the spiritual kingdom but will have to endure the process of development through the creations of earth in horrendous pain for an infinitely long time again. For even in the kingdom of the beyond it will not be possible to change an atheist's mind and to persuade him to surrender his resistance to God because, like on earth, he remains closed to all instructions, and he cannot be enlightened against his will. However, were only a person on earth who believes himself to be unable to have faith seriously interested in knowing the truth as to whether a spiritually tangible God and Creator exists, then the efforts would truly not be in vain, for then he would keep thinking about it and also achieve a different result by intellectual means, for enough evidence exists within Creation which could change his mind. But even such people will time and again receive blessings, time and again they will be given small gestures of support, for God's love also pursues these people and tries to win them over for Himself, time and again He offers His hand to them which they need only take hold of so that they would subsequently be able to release themselves from the adversary's control. Nevertheless, his will shall never be forced, and therefore the person determines his own future fate and will have to take the path across earth in a constrained state again, because this complies with the law of eternal order."

Separation of the Spirits - the end of an earthly period

BD No. 7611 of 05/30/1960 taken from book 80

God the Father is speaking: "The path as a human being through earthly life is the once fallen original spirit's last phase of development on this earth, it is the conclusion of the time this spirit was granted for its higher development, it is the conclusion of the period of time during which the original spirit is able to attain perfection again if it makes good use of the last phase, the stage as a human being, if it turns its will in the right direction during this time. Thus, it is able to achieve its goal of entering the kingdom, from whence it originated, in a completely spiritualized state again; it is able to return to the light, to the Primary Source of eternity, to the Father, from Whom it formerly emerged as His living creation. But although this earthly life is short, compared to the infinitely long period of time of preliminary development, the great risk nevertheless exists that the human being will misuse his will again, that he will not strive to attain his perfection but descend into the abyss again. And since this is his free will, he cannot be prevented from doing so, just as he, vice versa, cannot be forced to turn his will correctly. Hence it is a matter of testing his will for the second time, and he has to pass this test as a human being or his course through earthly life will have been unsuccessful, which

might also result in a renewed banishment into matter if he is not granted the last grace to gradually ascend in the kingdom of the beyond under far more difficult conditions than on earth. This possibility still exists for as long as the earthly period has not yet been concluded because the realm of the beyond is still open to the souls which depart from this earth in an immature state. Yet the gates to the beyond will close as soon as this period of Salvation comes to an end and a new one starts again. For the end of an old era also means the complete separation of the spirits, it means a reintegration of all spirits into external covers or creations which correspond to their degree of maturity.

And for the purpose of a renewed banishment hell will also spew out everything during the last days, then every possibility to advance further in the kingdom of the beyond will also be over, on account of which considerable redemptive work is still carried out in order to still save souls from below from a repeated banishment into matter. Substantial sifting will take place in the beyond and on earth. And if people on earth would consider how far they have already progressed and how near they are to attaining their perfection they would truly muster all their strength in order to still make good use of the time they have left until the end. Yet no matter what is said to them they take nothing seriously; they don't use the time in order to reach their goal and the last grace of their embodiment as a human being is passing them by ineffectively, for even all other means of grace bestowed upon them during this time are either not accepted or used incorrectly, and an infinitely long process of development is coming to an end without have reached the right outcome for the human soul, for the once fallen original spirit, which is intended to return to God. However, people can only be admonished and warned, and that happens to a large extent through the divine Word which God's greater than great love conveys from above to people on earth as an exceptional means of grace. And all people will be addressed by it and need only open their heart and ears in order to feel the strength of the divine Word and to assuredly ascend. Thus, every human being has the option to obtain strength for himself, he only has to be of goodwill and strive to fulfill the purpose of his earthly life. He must live the short time until the end of his life consciously; he must want to comply with the will of the One Who had given him his life, he must hand himself over to Him and appeal to Him for strength and grace. Then he will also reach his goal, for this appeal will always be granted to him, and God will bless everyone who turns to Him for strength and grace, and his earthly path will not have been in vain."

Disintegration - Work of Destruction - Renewed Banishment

BD No. 4353 of 06/25/1948 taken from book 51

God the Father is speaking; "Spiritual progress can never be achieved in a world of hatred and unkindness, and therefore the earth is failing in its real purpose of helping the spiritual substances embodied in it to attain higher development. Therefore, the time has come for the manifold creations, which are intended to accomplish this purpose, to be dissolved and to release the spirits for the purpose of receiving new forms. For humanity, however, this disintegration signifies a fall from its already achieved advancement into the deepest abyss; it signifies a return into hardest matter and a repeated process through all works of creation on the new earth. But due to their lack of love people are completely ignorant and have neither

time nor will dwell on what lies ahead of them if the information is presented to them. They do not concern themselves with spiritual problems and this, too, is a sign that the time of the disintegration of the old earth has come. They are not open to any relevant clarification; they only live for their earthly interests and refuse all spiritual conversations. Consequently, admonitions and warnings are fruitless.

If, however, there is no further likelihood for a spiritual change to take place on earth, if a spiritual forward motion is completely out of the question, then only a complete decline can be expected; but God will not allow this to happen, instead He will transform the earth prior to it. This certainly involves a complete work of destruction, yet it is intended in the plan of eternity in order to provide the completely degenerated human race, that is, the bound souls within, with the possibility of higher development again, because God's infinite love will never let anything fall completely, even if it is still totally opposed to Him. Earth's final destruction is therefore an act of supreme compassion at the same time, yet it will come to pass without fail in order to prevent an even further decline of people who, due to their heartlessness, have already severed every connection with God and widened the gulf between Him and themselves and thus lack all strength for higher development. And this is why God will come to their assistance, He will deprive them of their external cover and confine the spirits again, so that the infinitely wide chasm, which was established by people's free will, shall become less again in the state of compulsion, so that the spiritual substance will come closer to God again in the constrained state and once again receive the opportunity to use its freedom of will correctly in order to attain God, if only after an infinitely long time."

Spiritual Turning Point

BD No. 4875 of 04/06/1950 taken from book 55

God the Father is speaking: "Development for the better is no longer possible on this earth, people will not even remain on the same level but descend constantly, they live beyond all bounds and distance themselves from Me to such an extent that they live their earthly life entirely without strength, hence it is totally pointless. And therefore, a substantial change is intended to put an end to humanity's spiritual decline and to pave a new path which will lead to an ascent again. You humans are unaware of My plan of Salvation apart from the few to whom I reveal Myself. But you would be able to take notice of it were you at all interested in the issue as to what forms the basis of all events around you. Yet your questions are different, the questions you are concerned with only relate to earthly advantages, to ways and means of procuring a wealth of earthly goods. You only increase your knowledge in this field and ignore all spiritual matters. But therefore, you will also be taken by surprise by the forthcoming events and will be unable to find an explanation if you intellectually search for it. However, the knowledge of My plan of Salvation would explain everything to you, the knowledge of My eternal plan of Salvation would let you look at everything from a different perspective, and it would awaken your sense of responsibility because your soul's fate after death is determined by your way of life. Then a small improvement could still be achieved, although only a few will take the explanation seriously which is offered to them by knowledgeable people. And therefore, I will bring one period of development to a conclusion and let a new one begin.

This should certainly be looked upon as a spiritual turning point yet not as a reversal or a sudden advancement of the souls' development, instead it is far more a total failure on the one hand and the creation of new possibilities for development on the other. For that which failed during the old period of development will start its process of development again in the deepest abyss; hence it will not continue an interrupted process of purification. This is why the time before the end of this epoch is so extremely significant since it will, after all, shape the fate of countless souls as to whether they live or die. A continued existence of this earth would by no means benefit these souls, because they severed the bond with Me long ago, thus they are entirely without faith and in this state will not make use of the blessings either which could ensure their spiritual progress. Until the end every effort will still be made to save the individual souls, that is, to draw their attention to their purpose, yet they cannot be supported against their will, and will only strive to descend, it only applies to matter which shelters the lowest developed spiritual substances. And I always take the soul's will into account, it shall receive what it desires, and therefore hard matter will become the external cover of that which had already reached the last stage of development on earth, the souls of the furthest distanced living creations will be banished again in the creations of the new earth. And time and again this dreadful fate shall be presented to people, time and again they shall be given the information of My eternal plan of Salvation, because it is the time of the end when every person should become aware of the great responsibility he bears for his soul, because he can still use the last days for the salvation of his soul if he has the will to do so. He should know that an end will come and what this end means for his soul, he should know that there will be no postponement but that it will come true what seers and prophets have announced since the beginning of this epoch of Salvation, that the end will come without fail and with it the last Judgment, which will decide over life and death, over light and darkness, over reward and punishment, over hell and damnation and paradise and beatitude."

The Concept of 'Hell'

BD No. 6638 of 09/07/1956 taken from book 71

God the Father is speaking: "Even the most depraved living creation is a child of My love. Therefore, it also has My unabated care to return to Me one day, even though it will have to travel a far longer path in order to bring itself into line with Me and My fundamental nature. But I will not let it fall, and whatever can be done on My part will be done by Me in order to help the creature to recognize and change itself. However, the distance is often so vast that the opposing force has greater influence, and My illumination of love remains ineffective. For this reason, it may also take eternities until it comes a little closer to Me but I will never abandon it. However, when we talk about hell this relates to an accumulation of such depraved living creations in the beyond, which had already passed through earthly life with negative results, and which continued to descend ever further in the beyond because they submitted themselves to My adversary anew. Therefore, before a renewed banishment of the creations on earth takes place, which always signifies the beginning of a new era of Salvation, these adherents of Satan move within spheres where they can indulge in their most evil passions, where they inflict all kinds of evil deeds on each other and where constant fighting and arguing prevail

and where they always try to draw weaker beings into their domain, hence where they, on instructions of My adversary, act such that they will sink ever deeper. These places have no boundaries; hell is, in a manner of speaking, wherever such deeply fallen beings congregate, where they rage against each other, on account of which one can also speak of on earth of hell and of states of hell when evil-minded people are hostile towards each other and wreak all kinds of havoc. All these beings are nevertheless My living creations on whom I take pity and whom I would like to release from their sin and their bondage to My adversary, for they are still wholly under the influence of the one who rose up against Me and who also incited all of his created beings to revolt against Me so that they, too, apostatized and became wretched.

But they had also been My children because they emerged from My strength which permeated My adversary without limitation, and which enabled him to create these beings in the first place. Therefore, My love also belongs to these beings no matter how deep they have sunk, which will now also explain to you humans why a new creation of earth will have to take place. For I Am just as concerned about these unhappy creatures in the deepest abyss as I Am about the people on earth. I also want to prepare a path again for those which have already languished under My adversary's control for an infinitely long time; I want to wrest them away from him and constrain them once more in solid matter so that their path will go upwards again, so that the immense resistance they still offer Me will slowly wane. My love for those having descended remains unchanged and will never diminish either, but there is no other way to demonstrate My love than through a renewed banishment into earthly creations, there is no other way to achieve success or their return, therefore it follows that a transformation of earth is necessary, as I always and forever proclaimed to you. Only love determines My every activity and reign throughout the universe, even if you humans are unable to detect love therein. Sooner or later, you will understand My plan of Salvation and give thanks and sing your praises to the One Who also guided you out of darkness and death, who wants to give happiness to all beings which emerged from Him, and Who, with invariable love, also considers those which require His love most urgently because His adversary is keeping them enslaved."

Agonies of a Renewed Banishment in Solid Matter

BD No. 4631 of 05/08/1949 taken from book 53

God the Father is speaking: "No words can describe to you the agonies which a renewed banishment in solid matter entails for the spirits, because this state is inconceivable for the human mind. The spiritual substance perceives itself as a being and yet is unable to use its will although it is aware of it as evidence of its existence as a being. The spiritual substance is held captive and was originally created as something that was able to be freely active, hence its helplessness and weakness and constrained state result in inexpressible agonies which usually make it revolt even more instead of becoming submissive to God's will. Humanity is in possession of free will and is approaching this very painful state. It would still have enough time to avert this destiny from itself, yet it is not open to any presentation by knowing people, and it is completely lacking faith in retribution, in the soul's

continuation of life on account of which instructions will not be able to achieve anything and thus the adversity of most people's souls is extremely severe.

As yet the human being is still lord of creation, he is effectively in charge of it and able to avail himself of the creations according to his will, but one day he himself will be a work of creation again, at first a lifeless, immovable object which can be used but also remain unused throughout an inconceivably long time, one day he will be very far behind that which he is at the present time and an infinite length of time will pass by until he has evolved into a human being again, into the being which is endowed with free will and the strength to use this will. However, the many stages it will have to pass through, the countless torments it will have to endure in a bound will and the activities it will have to accomplish are not comprehensible to a person and therefore hard to believe for him. And yet he himself is responsible for the fate of his soul after his body dies. As yet he still has the strength to carry out deeds of love which will avert this bitter fate from him, he still has the opportunity to take notice of God's will by listening to the divine Word, and if he complies with this his nature will change and gain the right to a state of light and freedom after his physical death. As yet he is still able to use his intellect, he can think about himself, his Creator and his purpose of life and, if it is his will, he will also be able to believe. God approaches every person with His grace and gives them a small incentive to move in the right direction, to choose the right path.

If the person is not opposed to it then he will let himself be pushed onto the right path and the true goal will be assured to him. Yet God also pays attention to opposition, that is, He does not force a person against his will, but the person also bears the responsibility for his soul, he himself prepares its fate which will be extremely painful, and to its inexpressible regret it will have to take the path of a renewed banishment, for God's grace may not be rejected given that this also means a rejection of His love and thus a distancing of the soul instead of coming closer to Him, which is the purpose and goal of earthly life. Only a few people will take the right path during the last days, and thus the adversity is gigantic and urgently requires corrective action. This is why God's servants on earth should mention the dreadful fate which will await the human soul if it does not change during the last days before the end. Time and again the end shall be described to them as approaching imminently, for time flies and demands utmost activity to still save those souls from the downfall which accept the admonitions and warnings and are willing to do what is good. For the day will come unexpectedly and will throw countless people into ruin, into death, i.e., into the constrained state within matter from which they will only be able to release themselves after an infinitely long time. Be warned, you humans, for it concerns eternity, it concerns you yourselves, your souls, which are in acute danger and yet can still be saved if you are of good will."

Are Dissolved Particles Capable of Suffering?

BD No. 8511 of 05/28/1963 taken from book 89

God the Father is speaking: "Every being will forfeit its self-awareness again if it totally fails as a human being and can no longer escape the fate of a renewed banishment. And this is the most dreadful thing that can happen, for although having been dissolved into countless minute particles it is no longer able to feel like a whole entity, as you humans assume, it nevertheless experiences inconceivable

agonies, because the spiritual being, which was once created as a free entity and already had partially regained its freedom again as a human being, is now constrained and experiences this constriction as dreadful torment. For My once emanated strength had been self-aware beings, they had been able to live to the highest degree, thus they had not just been dead shells, yet they became like that when they apostatized from Me. When the spiritual substances became hard the actual life had escaped from it, that is, My strength, which gives life to everything in the first place, no longer permeated these shells. And the dissolved minute particles will also remain without life if they cannot be illuminated by My strength of love. The fact that these lifeless tiny particles can nevertheless be sensitive is incomprehensible to you humans. In that case, however, they would never react when My strength of love tries to capture and enclose them so that the fallen spiritual substances can be reshaped into matter; for even its resistance is a reaction which demonstrates that the spiritual substance feels a certain amount of pain and tries to put up a fight. And the whole of Creation is in this state of torment, for it is subject to a law of which I Myself Am the Originator. It is not free and has to subordinate itself to My law of eternity, which is extremely painful for the spiritual substance which once was created as a free being. However, would it not feel this agony, it would never ever be possible to change this lifeless state again. You humans will never be able to understand this, but you should believe it, otherwise you would not need to fear a descent into the abyss, and you would be completely indifferent as to what will happen to you after the death of your body. On earth you have your self-awareness again and are free up to a certain degree and yet not entirely happy as long as you have not found unity with Me by completely handing yourselves over to Me.

Nevertheless, as long as you are alive you can still attain the latter. If, however, you lose your self-awareness again then you will also lose all freedom, your activity will be determined by My will once more leaving you unable to use any will of your own, you will be bound within deepest darkness without knowledge of your existence, because you will be dissolved and only perform those functions which your God and Creator has decided you should do. And if you, in a mature state of soul, are one day able to view this long period of time in the state of compulsion, then you will also know about the inconceivable agonies your soul had to endure in the countless forms, and you will also understand why My love is constantly admonishing and warning you in order to spare you this appalling fate. For you cannot vanish again into nothingness, and because you are immortal, albeit dissolved, then that which remains will never be insensitive either. You humans should only ever content yourselves with the information I convey to you as truth. I want to rectify misguided assumptions like the one that the dissolved spiritual substances lack sensory perception, that its state is therefore synonymous with 'non-existence'. Then the process of development would not be maturing until it receives its self-awareness again as a human being, for all spiritual beings only redeem themselves by way of suffering and being of service, both before their incarnation as a human being as well as during their human existence. It should not be forgotten that the being had burdened itself with tremendous guilt due to its past apostasy and that it will increase this guilt again if it does not make use of the last time of grace as a human being and descends again into the abyss. And although a

complete redemption through the being is not possible, it will nevertheless have to make

Amends and suffer for as long as it is not released from this guilt through Jesus Christ's act of Salvation. To accept Jesus' work of grace and compassion is the human being's task in his earthly life, and therefore he could easily ascend. If he fails and rejects all help from above, if he descends again into the abyss, then it will also be understandable that his path of suffering will start again when the soul is dissolved again and the path through the creations starts all over. And neither will the suffering come to an end until the immense guilt is, sooner or later, redeemed through Jesus Christ, when the human being's will is ready to take the path to the cross and to appeal to Him for forgiveness of his guilt. And this great blessing is at the disposal of you humans on earth. If you don't use it and pay no attention to it then your suffering will not come to an end, for you are very distant from Me, your God and Creator, and that always signifies lack of freedom, light and strength and consequently you will not be happy either."

Beatitude or Renewed Banishment depends on Free Will

BD No. 6598 of 07/18/1956 taken from book 71

God the Father is speaking: "Whatever you may desire on earth, your wishes shall be granted; for you will receive whatever you desire once your life on earth is over. If you desired spiritual possessions, the spiritual kingdom would provide them to you in abundance, if earthly commodities had been your wish, then the earth will accommodate you again, the matter you aspired to will become your cover once more as it had been an incredibly long time ago. But you will always have created the fate yourselves which is granted to you after your passing away. If, however, the grace is bestowed upon you to be recalled before the end of this earth, then a short time will still be granted to you during which you can still discard earthly desires, during which spiritual wealth is offered to you once again which you need only seize in order take possession of it for the sake of your salvation. Yet once again it depends on your free will whether you still make use of these final blessings or let them pass you by unused in order to then be embodied into earthly creations once more because you asked for it. But you can only be blissfully happy in possession of spiritual wealth. This is My constant admonition and call for caution which applies to all people as long as they still live on earth. You will all have to bear the consequences of your earthly life, for it is the law of divine order which cannot be revoked by My love and I cannot, for the sake of 'grace', bestow beatitudes upon those who live their lives on earth contrary to My will, contrary to My eternal order, who are merely the servants of the world and therefore deprive themselves of the expectation of a blissful spiritual kingdom. As long as this earth continues to exist My flow of divine grace is still open both on earth as well as in the beyond, and all wrongly thinking and living souls will be offered blessings, but they shall all keep their free will.

However, as yet there is still the possibility of a change of will, all those who are misguided, be it on earth or in the beyond, still receive kind-hearted advice to consider their actual task; as yet the spiritual world eagerly endeavors to gain access to people's thoughts on earth, just as beings of light approach the souls on the other side, and they all only strive to direct their thoughts correctly, to turn their eyes

towards Me and to awaken a desire for light in them, so that they will not walk past the fountain of grace where it opens itself, from which they can draw to benefit their souls. But even this time of grace will come to an end and then the day will come without fail when every soul receives what it desires. And anyone who never paid attention to spiritual wealth will be left empty-handed and will have to accept a dreadful fate. Then the period of Salvation will have come to an end, and then an infinitely long night will start for the souls whose will was wrongly directed. But inconceivable bliss will be granted to those who made an effort to reach Me and learned to despise earthly commodities. The kingdom of the beyond, however, will likewise be only a kingdom of bliss, for all wretched souls will have to go through the excruciatingly painful process of development again, but only in order to one day attain the freedom again which they had misused in this earthly life. Sooner or later all beings will be able to make a free decision again and it will depend on them whether they prolong their time of agony or enter into beatitude again within a short time. But all will receive help to reach the goal, for I pour out My blessings without limitation, and anyone who makes use of the blessing will be relieved from all adversity and pain."

Reference to the End - Renewed Banishment

BD No. 7493 of 01/03/1960 taken from book 79

God the Father is speaking: "It has been amply proclaimed to you humans that you are approaching difficult times, time and again you have been admonished and warned to stop and change your conduct into a God-pleasing way of life. Time and again it has been pointed out to you that your soul will be in great danger if it suddenly has to give up its earthly life and enter through the gate to eternity. Imminent Judgment has been announced to you, the spiritual and earthly upheaval of earth, your attention has been drawn to the renewed banishment on the Day of Judgment. You have been exhorted to eagerly work at improving your soul in order to avert this fate of a new banishment from you. But you listen to it and yet do not seriously believe that everything that has been predicted might come true. You have no faith, and without faith you don't have the right sense of responsibility towards your soul, which suffers dire adversity. For only a few more days remain which, however, would be enough to provide it with a certain degree of maturity if this were seriously aspired to. People lack faith and even the believers harbor slight doubts when the near end is being mentioned to them, even the believers don't want to accept unreservedly what they are told about the end, although it comes from above. And you must keep your freedom of will, you may not be coerced, and so the days pass by without any achievement for you if you do not willingly strive to attain spiritual maturity. Yet then you will no longer doubt which you were foretold. As soon as you spiritually strive of your own accord everything you were expected to believe will also become a certainty for you. Then you will also be able to confidently inform your fellow human beings as to what time it is and that the end is near.

Only someone who is convinced of it will also be able to proclaim the near end with conviction and everything else which humanity is approaching. Only a few are certain that the end is near, for they recognize the signs of the time and are able to recognize it because they look at everything from a spiritual point of view and

thus also consider that the time of the end has come. You humans should pay attention to the signs which were announced long ago. Then you will also realize the hour in which you live and it should not be difficult for you to believe in an end and in everything that is associated with this end. Whether you like it or not, you don't have much time left. Only, the believer will still endeavor to draw a spiritual benefit from this information, whereas the unbeliever will not even utilize these last days, which he will bitterly regret one day, if he is not granted a renewed banishment, which is such a dreadful fate that the human being should do everything in his power in order to avoid it. This is why he will be informed of it time and again; the knowledge will be conveyed to him as to what will happen to the souls which fail during their earthly life, and which will no longer be admitted into the kingdom of the beyond because the time has come to an end. This knowledge should motivate them to eagerly work at improving their soul. But only a few people believe in it, and proof may not be given. For this reason, countless souls are at risk of losing their earthly life and, at the same time, having their substances dissolved again for a new process of development through the creations of the new earth. They would still be able to avert this danger from them during the last days, but they must voluntarily work at improving themselves, they must, if they think that they cannot believe, consider the possibility that it is true what they are told and subsequently live accordingly, and they would gain a considerable plus for their souls and not get lost when the day of Judgment has come."

Renewed Captivity

BD No. 6317 of 07/21/1955 taken from book 68

God the Father is speaking: "What will happen to you humans if you don't change cannot be described to you pessimistically enough, for it will exceed your worst imagination. It is most dreadful for you, because you will have to give up your already attained degree of freedom, because you will be constrained and for infinitely long periods of time find yourselves in captivity again, until one day you will meet the same fate of living as a human being on earth once more. But irrespective of how shockingly your fate is described to you, you don't allow yourselves to be affected by it and yet, you would still be able to avoid this fate if only you would take it to heart and change your ways. For I only require you to change your nature, I only require you humans to change your attitude towards each other, that you help rather than fight and antagonize each other, that one will make the other happy and offer kindness instead of being mutually nasty and intensify the hatred in yourselves. I only require every individual to make an effort in cultivating unselfish neighborly love, then his whole nature will change and then the person will make contact with Me Myself, and the danger of a new banishment after the end of this earth will no longer exist for him.

And even if you don't want to believe what awaits you, you should nevertheless try to improve yourselves, for a life of love would still only have beneficial effects on earth, because then you will have the energy at your disposal which a heartlessly thinking and behaving person is lacking. The forthcoming fate can only ever be portrayed to you as a horrible experience to which you will fall prey yourselves. And you should only ever be encouraged into loving activity if you want to evade this dreadful outcome. If you find it difficult to believe, you can nevertheless

still live a life of love, and you will soon know for certain what you don't want to believe, for then your spirit will become enlightened by love and you will clearly recognize the inevitable consequence of a violation against the law of order, because then you will be able to observe cause and effect in every event and experience. Yet anyone who remains indifferent to these admonitions and warnings will experience what he could have avoided, and he himself will be the victim of his life without love. For all his strength will be taken away from him and the utterly weak substance of his soul will harden again, the most solid matter will confine the being again and the release from it will take infinitely long periods of time, in order to finally arrive at the same level, you are at the moment. An infinite cycle, which will repeat itself until you exclude yourselves through conscious endeavor and a conscious connection to Me. Only then will the process through matter be over and the path into the spiritual realm assured for you.

You could already achieve this now if only you would put My will into practice: that you release yourselves from all restraints through loving activity, that you believe in Me and seek contact with Me, and that you establish this contact precisely through this loving activity. You are able to do this while you still live on earth and the energy of life is at your disposal, but you only have very little time left. Use it well, believe My Words, believe that an appalling fate awaits you, and consciously avoid this fate by just striving to live correctly and honorably and practicing neighborly love. It is an urgent exhortation which I proclaim to you with a loving heart: Change yourselves before it is too late. Remember Me and remember your neighbor with kindness, so that you become free and don't have to fear what is approaching you."

Life as we know it has come to an end.

Transformation and New Creation

BD No. 6230 of 04/06/1955 taken from book 67

God the Father is speaking: "And it will come to pass as I have told you, the earth will lose its present appearance, an earthly and spiritual turning point will come, and there will be a separation of the sheep from the goats.

The earth in its present form is in the last days of its existence. None of you can possibly grasp what this means, that everything will cease to exist, that human beings, animals and all works of creation will come to an end and an entirely new earth will arise which will exceed your wildest imagination, because completely new works of creation will come into being which have never been seen by human eyes and which to you, who will experience and populate the new earth, will mean one miracle after another. All through the ages I have told people that a new earth and a new heaven will come into being. People failed to understand the meaning of it. But My Word is truth and will fulfill itself, yet it will only be proof of My Divinity to the few whose profound faith in Me made them become My Own and to whom I can open the paradise of the new earth because they are and will remain My children forever. These few also understand the meaning of My Words and they will expect Me and My arrival in the firm belief that I will rescue them from the adversity which precedes the final end. For they are My children, and I will come for them when the time is fulfilled."

The Reason for the Earth's Restoration

BD No. 8258 of 08/30/1962 taken from book 87

God the Father is speaking: "The earth must be renewed because it no longer serves its purpose as a place of development for the spirits. All order has been revoked, people pay no more attention to My will, they live contrary to law, for love is the essence of divine Order and this has grown cold among people, hence their earthly path is in vain since it does not ascend but irrevocably leads into the abyss. The human being ought to be of loving service, but he strives to dominate, and even many of the bound spiritual substances are prevented from being helpful because people hoard material things and deny them all useful purpose. People are in a state of complete spiritual darkness, for without love there cannot be light and thus people remain spiritually blind and don't recognize their God and Creator. Consequently, this state has to be brought to an end, everything must be restored to its rightful order again, the people who fail have to be separated from those who belong to Me, who strive to live an orderly life and who will therefore be treated with hostility by the former. The lowest point has truly been reached which necessitates a renewal of earth, when all bound spiritual substances will be released and placed into new forms again, when everything will be placed into the most diverse kinds of new creations according to their degree of maturity. And then the

human being, who had become totally enslaved by material things, will become matter again himself, he will be banished into the creations of the new earth.

This is the most horrific fate you humans can imagine, the fact that your 'Self' will be dissolved into countless tiny particles once more and has to travel the path through the creations of the new earth in order to reach the stage of a human being again one day, even though it will take an infinitely long time all over again. You humans cannot imagine such a work of transformation, after all, it means the end of this old earth, even if the planet as such remains My might and wisdom will nevertheless subject it to a complete transformation and thereby make it suitable again to serve its purpose of helping the spiritual substances gain full maturity. You should accept the knowledge you receive about this process and its reasons and think about it seriously. You should know that this work of destruction will particularly affect you humans very painfully since it will be your loss if your way of life does not correspond to My eternal order. You should also know that I will keep to the day which will bring an end to this earth, for My plan was determined by My love and wisdom and is set for eternity. And so one period of Salvation comes to an end and a new one begins, where order has been restored and where tranquility and peace prevail, where it is impossible for My adversary to be active because he will be banished for a very long time.

Don't think that you are being wrongly instructed if I repeatedly send you the information about this impending act of disintegration of all creations on, in and above the earth. Believe Me that everything is possible for Me and that I also know when such destructive action is necessary in order to guarantee the development of the ascending spiritual substances. Yet those of you humans who lack all love won't accept My Word, hence you will be harshly affected when the last day comes. But there is no other option because My love applies to all still unredeemed and enslaved spirits. And even for you, who fail in your free state as a human being, I will create new possibilities to reach the goal one day; yet the fact that you infinitely prolong the time of your distance from Me again is your own free will, thus your own fault, which you have to pay for with a renewed banishment into the creations. For I truly don't want your unhappiness and will help you until the very last hour of this act of banishment passes you by, so that you will still find Me and call upon Me for mercy before the end."

New Earth - Transformation

BD No. 7520 of 02/11/1960 taken from book 79

God the Father is speaking: "No work of creation on this earth will escape the huge upheaval; it will involve everything from hard matter to the plant- and animal kingdom up to the human being. Everything will be affected by a work of destruction the extent of which will surpass anything that has ever taken place on earth. Everything will be consumed so that one can truly speak of a new earth after the work of transformation has been completed. Thus, all banished spiritual substances will first be released from their material form; but they will not be able to enjoy their state of freedom for long since they will be bound again in new creations according to their respective degree of maturity. Therefore, the new creations can arise in a very short time and don't need a long process of development because the appropriately matured spiritual substances are already present and only require

different forms so that the development can continue to progress on the new earth. And these new creations will be so diverse that it will truly lead to great spiritual advancement within far shorter time than on the old earth, for the spiritual substances will not be subjected to as much opposition as is the case in the last days during which evil forces noticeably exert their impeding influence everywhere.

And so, the act of transformation will happen quickly, but no human being will be conscious of it, for those who were raptured will be returned to the newly shaped earth but will be unable to estimate how long they had been absent from earth because they lacked all sense of time. But nothing will remain in its old form. And even the people themselves will not experience their earthly garment as burdensome to a certain extent they will already be enclosed by a more spiritualized form although it is still earthly-material substance, but they will experience no physical weaknesses and pain and will be able to live their life on the new earth in a state which truly can be called paradise. And this state will continue for as long as people live in close unity with God, for as long as they are in direct contact with the world of light and its occupants and completely live-in accordance with God's will. In time, however, a change will take place again when the prince of darkness will gain control over people once more; but that will not happen for a long time since the first generations will still be very intimately united with God, whose power and glory they were permitted to experience, so that they would remain faithful to Him and constantly live their lives in His love and grace.

As a result, the influence of people on all creatures will be most favorable too; people's love will be felt by the spiritual substances in all works of creation and the more love they sense the faster they progress in their development and in this loving environment also abandon their inner resistance faster. It will gladly be of service and can often leave its form very quickly in order to occupy the next higher one, which considerably shortens the process of development compared to the previous period on the old earth. If only for the sake of this bound spiritual substance alone people should recognize God's love in the act of transformation, for not only the human being requires God' help but all creatures sigh for release. The human being, however, has the opportunity to release himself from the form during his earthly life. If he fails then it will be his own fault that he has misused his free will again and so he will also have to bear the consequences, for then he will only receive what he had aimed for himself during his earthly life, since he only desired material things, they will become his external shell."

Duration of Shaping the New Earth - Paradise

BD No. 3595 of 11/05/1945 taken from book 46

God the Father is speaking: "The time it will take to shape the new Earth would astonish people if they knew about it. Yet their concept of time will have been taken from them while they stay away from Earth in the kingdom to which God's love will lead His faithful followers in order to complete the act of destruction of the old Earth. They will live in bliss and peace, no longer being subjected to the enemy of their body and soul, they completely hand themselves over to God's reign because their love and faith is so deep that they will be in heartfelt contact with God. And thus, God proceeds with His work of shaping a new Earth which is to serve God's faithful followers as an abode. He will not need the time which any other

earthly creation usually requires; instead, He creates new forms in an instant. And, since the people will have lost all sense of time during their rapture from the old Earth until their return to the new Earth, they will certainly be able to appreciate the marvelous creations but not the great miracle of their sudden emergence. Countless creations will arise in an instant from God's love and strength which will delight the human eye and exponentially increase their love and gratitude towards God. Then people will start a new life which will completely deviate from their life on the old Earth, for there will be profound peace on earth, people will live together in love and harmony, each one helping the other with love, and all people's eyes and thoughts will be turned upwards, for they are in heartfelt contact with God, God Himself will dwell in their hearts, teaching them and distributing spiritual wealth and they will glorify and praise Him without end. And so only short periods of time, judged by human standards, will be enough to result in a complete change, and the people of this earth will have the opportunity to marvel at the new creations and compare them with the old ones. These will be the people who possess the knowledge of God's Word and who are therefore also acquainted with God's plan of salvation for the spiritual beings. They will consciously expect the Day of Judgment, the rapture and the destruction of the old Earth, yet prior to this they will go through anxious times of adversity in order to then be allowed to populate the new Earth as victors, as God has promised. Therefore, people should be informed in order to offer them the opportunity to pay attention to the progression of world events and thereby recognize that the time of the end has come, so that they will endeavor to belong to those who will not perish with the old Earth but, as God's faithful confessors, may find His love and grace and be permitted to start the paradise-like life on the new Earth instead. People ought to know what time they live in. Nevertheless, the knowledge conveyed to them does not oblige them to believe. They are at liberty to form a mental opinion about it, yet it is one more opportunity to find God and to ensure the soul's life. For everything will come to pass as God proclaimed a long time before because His Word is, and will remain, truth for all eternity."

The Redeemed at the End - Inhabitants of the New Earth

BD No. 6227 of 04/03/1955 taken from book 67

God the Father is speaking: "When, due to My will and My might, the destruction of this earth will take place, i.e. when everything living on this earth will be destroyed, it will become evident who is truly redeemed, for only they will survive the end and be able to enter My paradise on the new earth. To survive this final work of destruction it is necessary to have utmost faith in Me in Jesus Christ as well as utmost devotion to Me, thus it requires a complete separation from My adversary, it necessitates the state of freedom which was purchased for humanity by Jesus with His death on the cross. Only a being redeemed by His blood can inhabit the new earth where Satan has no more power; where I Myself can dwell amongst My Own because their original state has been re-established.

Admittedly, salvation through Jesus Christ can be experienced by people called away by Me from this earth prior to the final end. They, too, will be blissfully happy inhabitants in My kingdom where no evil power can harm or oppress them anymore, precisely because they are 'redeemed' from it. Yet the people who shall inhabit the new earth will live in the same bliss, in complete freedom, full of light

and strength, but nevertheless in earthly spheres, because they shall become the root of the new human race, because they shall help the following generation towards complete redemption, which has to live on earth until everything is completely spiritualized. Being redeemed themselves, the first human beings on the new earth are able to exert an extraordinary beneficial effect on their descendants as well as on the spiritual substances surrounding them and which are still constrained in the creations of the new earth. Thus, this spiritual substance will be able to cover its process of development faster.

For the time when My adversary is still bound in chains has to be used well, while he has no access to the people on earth, since the strength and light of the 'redeemed' is so strong that it prevents his every approach to people. In the same way as his working and raging was clearly noticeable in the last days before the end, in the same way as he used his every influence to draw people into the abyss, so will the influence of the Divine predominate on earth now, everything will strive towards ascent and achieve it extremely easily because no adverse power can prevent it. The redeemed human beings will bring forth new people who are full of love, thus the divine principle is dominant in them, enabling them to mature fully within a very short time in order to enter My kingdom of light after their earthly life comes to an end."

The Thousand-Year Reign - Revelation 20:1-6

Then I saw an angel come down from heaven, holding in his hand the key to the abyss and a heavy chain. He seized the dragon, the ancient serpent, which is the Devil or Satan, and tied it up for a thousand years and threw it into the abyss, which he locked over it a seal, so that it could no longer lead the nations astray until the thousand years are completed. After this, it is to be released for a short time.

Then I saw thrones; those who sat on them were entrusted with judgment. I also saw the souls of those who had been beheaded for their witnesses to Jesus and for the word of God, and who had not worshiped the beast or its image, nor had accepted its mark on their forehead or hands. They came to life, and they reigned with Christ for 1000 years. The rest of the dead did not come to life until the thousand years were over. This is the first resurrection. Blessed and holy is the one who shares in the first resurrection. The second death has no power over these; they will be priests of God and of Christ, and they will reign with him for the thousand years.

Message from God the Father

Ref: MDM Feb 14, 2012

God the Father is speaking: "Please do not ignore My Heavenly intervention in your lives today, children. For those of you with a deep love for me, your Father, know that I must prepare you for this important journey. I would not be doing My duty as your loving Creator and Father were I not to communicate with you during these, the end times as you know them on earth as it is now.

To those who may be freighted by My Most Holy Words let me console you by telling you that this does not mean the end of the world. Because it does not, it is simply the end of Satan's reign on earth which is to be welcomed children.

The time is drawing closer for My Son to take up His rightful throne when he will come, for the Second time, to reign over the New Perfect Paradise on earth. My heart bursts with joy when I tell you children of the new earth which I have prepared for you.

"I Am the beginning and the end. I come, as promised to bring you eternal life. Rise, all of you who believe in Me and accept the Truth. Come to Me. Let the Will of My Father reign upon the New Heaven and the New Earth. Rejoice for I bring peace and unity to all those whose names are in the Book of the Living. My final Covenant has been fulfilled. My Reign has come. Rise and accept the Hand of God."

The New Heaven and the New Earth - Revelation 21:1-8

Then I saw a new heaven and a new earth. The former heaven and the former earth had passed away, and the sea was no more. I also saw the holy city, a New Jerusalem, coming down out of heaven from God, prepared as a bride adorned for her husband. I heard a loud voice from the throne saying, "behold, God's dwelling is with the human race. He will dwell with them, and they will be His people and God himself will always be with them [as their God]. He will wipe every tear from their eyes, and there shall be no more death or mourning, wailing, or pain, [for] the old order has passed away.

The one who sat on the throne said, "Behold, I make all things new." Then he said, "Write these words down, for they are trustworthy and true." He said to me, "They are accomplished. I am the Alpha and the Omega, the beginning, and the end. To the thirsty I will give a gift from the spring of life-giving water. The victor will inherit these gifts, and I shall be his God, and he will be my son. But as for cowards, the unfaithful, the depraved, murderers, the unchaste, sorcerers, idol-worshipers, and deceivers of every sort, their lot is in the burning pool of fire and sulfur, which is the second death."

God the Father mentioned in the beginning of this chapter: "Wherever the Master is, there the disciples are, and you will be there, because you have loved the Master more than yourself, you shall be where He gives the last lesson."

God the Father is speaking: "When the New Jerusalem comes down upon the world to the sound of trumpets, the lights will fill the skies and all will be silent. Then, before the sound of angels, whose singing will reach every soul before the final moment. This will be the last hour when I come to Judge the living and the dead." MDM June9, 2013

[**Note:** "The union of all those who have the Kingdom of God in themselves contain God: Grace; God: Life; God: Light; God: Charity – will form the great Kingdom of God on Earth, the new Jerusalem-Truth that will spread all over the world and, complete and perfect, without faults, without shadows, and will live forever in Heaven."] Ref: PMG 5

God the Father further reveals His dream for man's return to the Garden of Eden in Isaiah:

The Rule of Emmanuel - Isaiah 11:6-9

Then the wolf shall be a guest of the lamb, and the leopard shall lie down with the kid; the calf and the young lion shall browse together, with a little child to guide them. The cow and the bear shall be neighbors, together their young shall rest; the lion shall eat hay like the ox. The baby shall play by the cobra's den, and the child lay his hand on the adder's lair. There shall be no harm or ruin on my holy mountain; for the *earth shall be filled with knowledge of the Lord*, as water covers the sea. . .

The New Earth

Ref: Conchiglia – San Juan Diego May 11, 2000

God the Father is speaking: "The light that now surrounds the Earth will never be like now. I renew the Heavens and the Earth in only one breath the trees and flowers most beautiful will be. The peaceful Sun giving calmer rays never again night will be…but perpetual day the Sun and the stars will join the Moon disappears and the stars in the sky never again be seen."

May 11, 2000: "Earth will be a flourish of love, the trees and flowers will be most beautiful. The Sun calmer gives peaceful rays, the water will only be sweeter, its salt will dry up, winds will cause less damage, the coast will be higher, the mountains will move, animals will stay with you, the wolf and the lamb graze together with calmness and love next to you, and friends of man they will be. The hot lava will be no more, your volcanoes will be turned off, the air in the sky will be more terse, your breath will be calmer, your food will be diverse, things of yesterday will be no more, the green fields will not change, night will be no more, but perpetual day, the Sun and the stars will join the Moon disappears, and the stars in the sky will never be seen again, and your binoculars in space will disappear, Heaven and Earth will reunite, and the Angels and the Saints will sing with you, the Glory of God the all Holy King. The music will change and be sweet and gentle, your hearing will be more attentive, the sense of smell and of hunger will change, and the manna from

heaven will be given you again. What children did before will do again, the way is the same, but the process is different, pain in the World will be no more, Death will disappear into thin air. There will be so much love, love for all, and I will be with you. You will do less and do better, work in the fields will be arranged by Me, everyone will have plenty of field, and the collected fruits will be for all. Cars and autos will not be necessary, to travel you only need thought, if you want to go further, you will go in a minute, and you will be already there. Trains and planes will no longer work; I have always said, 'I change things'."

June 18, 2000: "The Sun will do great things, you will see the signs in the sky that your instruments have already caught, and others will seize. The Moon goes dark suddenly changing its color, the stars will do peep, (visible for only a short time) never again will be seen in the Cosmos. I change everything, you cannot know of these things."

Dec 24, 2000: "You feel in the air the big change. The Moon will be no more, the Silver Star that sings and the stars will be no more, in the romantic evenings. But fear not dear children; change everything as I told you, New Heaven and the New Earth. The beautiful sun that is your friend will shine continuously and rejoice in its tender warmth that will be on the New World."

Feb 25, 2013: "The Earth has detached herself, and only the experts will understand these words, and the new halo that surrounds it will protect her from all evil officiousness's (unwanted help or advice). Earth will flourish again, will breathe fresh air, will jump for joy and with force and yet with tenderness, will show its wild beauty. When in Scriptures, you read about the New Heaven and New Earth, why do you think the heavens are plural while the Earth is in the singular? The heavens are none other than the dimensions, and the Earth enters each from time to time, dancing. To do this draws strength from within herself, draws strength from her internal propulsive, projection Light outside herself." [Note: Each Dimension represents the evolutionary status of consciousness that has become self-aware.]

State of Paradise on the New Earth

BD No. 8352 of 12/10/1962 taken from book 88

God the Father is speaking: "I want to turn the earth into a place of peace again where love reigns supreme, where there is no hostility, where all created beings live together in harmony and happiness, where the radiance of people's love will make an effort to help his fellow human being spiritually as well as earthly, and where I Myself, the Eternal Love, will be able to dwell in the hearts of people because nothing of a negative nature prevents Me from doing so. It is My will that the earth will once again serve in helping the human race to attain utmost maturity, so that many people will be able to leave earth in a perfected state because they are closely united with Me and thus they will no longer be burdened by the effects of the past original sin, for they all will have been redeemed on earth through Jesus Christ already and therefore can be placed onto the new earth. For their removal from the old earth prior to Judgment Day is evidence that they belong to Me, it is proof that they have found union with Me on the old earth, that they are free of all vices and cravings which thus enabled Me to return them to the new earth.

And a new period of redemption will begin which will at first result in many human souls' maturity because My adversary will be bound and unable to oppress

these souls and also because they voluntarily abandoned all resistance, hence they had already become My Own and only live an earthly life for the sake of the succeeding generations, for they shall bear witness to My might and glory, they shall be able to speak from their own experience about the state of the old earth and also teach their descendants to love Me. Their children and children's children will be imbued with love as well; their souls will not be far from their original state, for they were conceived in pure, unselfish love due to My adversary's lack of influence on the people who populate the new earth. Love, however, is strength which can truly hasten the soul's maturing.

This state will continue for a long time, and My eternal plan of Salvation will not be unsuccessful. *And yet, even this state on the new earth will change again one day, and the inclination for material things will break through once more, rarely at first but steadily increasing, and the desire for material goods will also loosen My adversary's chains, for people's free will is decisive and this can be influenced by My adversary again because the people themselves will no longer resist him. Yet time and again My love will also help these souls and the struggle for them will start anew, however, people's resolve itself will decide which lord shall be victorious.* For the knowledge of Jesus Christ, the divine Redeemer, will also be imparted to these new generations. Hence, they will not be left helplessly at the mercy of My opponent and will also abandon their resistance sooner, because their faith in Me as God and Creator will still be strong enough and thus My influence through the voice of conscience will have an effect.

Nevertheless, it will no longer be the paradise-like life that it was in the beginning, people will go through inner conflicts, My adversary's temptations will not fail to materialize themselves and the struggle for existence, too, will get harder yet be easily endurable for those people who remain faithful to Me and foster the love within themselves. And even then, My messengers of light will help people, partly embodied as human beings, partly exerting a spiritual influence on those who entrust themselves to them and remain in constant contact with Me. And if love reins My influence on people will be strong and no regression into the abyss will have to be feared, for My adversary fights against love in vain."

Witnesses of the End

BD No. **5743** of 08/09/1953 taken from book 62

Jesus is speaking: "You shall be My witnesses on the new earth, you shall give evidence of Me and My glory, of My might and love, for you will experience all these at the end of this earth, you will see Me coming in the clouds in radiant brilliance of My splendor, you will feel My love when I save you from utmost hardship, when I remove you before your fellow human beings' eyes who, with a truly satanic mind, have every intention to kill you. You shall experience the evidence of My power, because the last work of destruction on this earth will take place before your eyes. And thus, you will enter the kingdom of peace with an experience which you are meant to remember in order to bear witness to future generations, to people who will only receive knowledge about the events on the old earth on account of your information, so that they, in turn, will pass it on again and thereby uphold the knowledge on the new earth for a long time. You shall bear witness to Me and My glory.

A devout generation, faithfully devoted to Me, will indeed populate the new earth, who will not doubt My strength and might, My love and perfection. And as long as I Myself can dwell amongst them because their faith and love for Me allows for it, it will not be necessary for you to testify of your experience. But as soon as new generations come forth from them, they will have to be given the knowledge again and the end process of the old earth has to be particularly emphasized, so that these new generations will also intimately unite with Me in order to be and remain My children. The living testimony will have a remarkable effect on their hearts, and they too shall proclaim in future times what they received from you. Then faith and love for Me will be upheld for a long time, for a long time the human generation will live in peace and unity, in harmony with the Infinite, in constant contact with Me, and My spirit will be able to flow into their hearts, they will be able to hear My Word and be blissfully happy.

And yet, even this situation will change. At first the influence of adverse powers will be only slightly noticeable and then gradually get ever stronger. And then it will be necessary to inform people about what effect a way of life in opposition to Me will have. Then the battle between light and darkness will start anew, for the desire for matter will start to grow stronger in people's hearts again, they will no longer be able to hear My Word directly, and messengers of My Word will speak to them on My behalf. And for the sake of a living message, testimony shall also be given of the end of the old and the beginning of the new earth.

And therefore, those of you humans of earth who will experience the end, who will remain faithful to Me until the end, will also have a task on the new earth, to make sure that the knowledge is preserved, that the following generation will be able to keep these events in mind, that it will be inspired to remain in My will, that it will let Me come alive within its heart and always endeavor to reach Me."

My Kingdom on Earth

MV1943:489

Jesus is speaking: "It will then be the time of My Kingdom on Earth. There will thus be a truce in the demoniacal crimes so as to give man time to hear the heavenly voices again. Once the power unleashing horror has been taken out of the way, immense spiritual currents will come down like waterfalls of grace, like rivers of celestial waters, to speak words of Light.

But as, over the centuries, they did not gather in the isolated Voices, beginning with that of the Word, which speak of Goodness, so men will be deaf, still deaf - except for those marked with my sign, my most beloved friends set on following Me - deaf to the voices of many spirits, to the voice similar to the sound of many waters which will sing the new canticle to guide the peoples to meet the Light and, above all, Me: the eternal Word. When the last attempt has been made, Satan will come for the last time and will find followers in the four corners of the earth, and they will be more numerous than the sands of the sea.

O Christ! O Jesus, who died to save men! Only the patience of a God could have waited so long, done so much, and obtain so little without drawing his gift from men and having them perish long before the hour indicated! *Only my Patience, which is Love*, was able to await you, knowing that, like sand filtering through a very fine sieve, some rare souls would come to glory, in contrast to the mass *that is*

unable and unwilling to filter through the sieve of the Law, Love, and Sacrifice to arrive at Me.

But in the hour of My coming, when, in the role of God, King, and Judge, I will come to gather together the chosen and curse reprobates, hurling them there, where the Antichrist, the Beast, and Satan will already be eternally, after the supreme victory of Jesus Christ, the Son of God, Victor over Death and Evil, *to these chosen ones, who have been able to remain alive in life, alive in the spirit, awaiting our hour of triumph, I will give possessions of the heavenly dwelling; I will give Myself unceasingly and measurelessly*.

Aspire to that hour. Call Me with all the strength of your spirit. Here I am, already coming when a soul calls Me. Together with the Beloved One, who from the Earth saw the glory of the Lamb, the Son of God, the glory of his and your Jesus, with every beat of your heart say, '*Come, Lord Jesus*.'"

The New Earth - Satan Bound

BD No. 5769 of 09/14/1953 taken from book 63

Jesus is speaking: "The power of evil will be broken for a long time, Satan will be put into chains, a period of peace will replace the time of battle in the universe, no being of darkness will be able to oppress the people on earth; Satan himself and his followers will be bound for a long time, and people on the new earth will not loosen his restraints because they will be closely united with God and will no longer strive for anything else but Him, Who will then take loving care of them, both spiritually and physically. This period of peace on earth will make up for the time of indescribable adversity during the last days on this earth, which is granted to those people who are and want to remain faithful to God. It will truly be a time of battle for them since they will be spiritually and physically persecuted and barely able to defend themselves against their pursuers, who will even threaten their lives if they refuse to submit to them. But time and again these people have been promised through seers and prophets a time of peace, a time when no one will be in danger anymore from any side, when body and soul may enjoy the wonderful works of divine love, when a blissful peace will fill their hearts through the presence of the One Whom they love and for Whom they have suffered.

Everything will be peaceful, creations and living beings alike will live in perfect harmony. People will have already passed their test of will, therefore a decision will no longer be necessary on the new earth since people will belong to God with body and soul and cannot be separated from Him anymore. But everything pertaining to Satan will languish in darkness; it will be banished again into hardest matter and unable to influence the souls striving towards the light, it must submit to God's will and will be deprived of its power for an infinitely long time. Satan himself will be weak since everything which had supported him, and his power will be bound and thus withdrawn from his influence.

In the midst of his world, he will be without strength, until people's wrong will once again provides him with power, but this will only happen after a long period of time, after the first generations of earth, the inhabitant of paradise, their

children and children's children, have long since entered the spiritual kingdom, when a rift occurs again in the direction of the emerging generations' will. *Then people will once again let themselves become captivated by material things and through their desire will then also loosen the chains of the one who is lord of this unredeemed world*. Then the state of paradise will also come to an end, the time of peace will once again be superseded by a time of battle between light and darkness."

The End of the Thousand Years – Gog and Magog Rev. 20:7

When the thousand years are completed, Satan will be released from his prison. He will go out to deceive the nations at the four corners of the earth, Gog and Magog, to gather them for battle; their number is like the sand of the sea. They invaded the breath of the earth and surrounded the camp of the holy ones and the beloved city.

[Rev 20:8 Gog and Magog: symbols of all pagan nations; the names are taken from Ez. 38:1-39, 20. The anti-Christian age will rise to its utmost violence in its third manifestation, *in other words when it is the last coming of Satan.*]

Jesus is speaking*: "Satan will counter My spiritual Kingdom and My teaching, with his satanic warfare against spirits to lead as many astray as he can*, the weakest. From his reserves, from his strongholds, containing those who remained faithful to the Beast, even after its defeat and that of its minister, he will draw the agents of seduction to ruin one last time God's work, the ruin of which he began at the foot of the tree of good and evil." MVET:78

But fire came down from heaven and consumed them. The Devil who had led them astray was thrown into the pool of fire and sulfur, where the beast and false prophets were. There they will be tormented day and night forever and ever.

Jesus is speaking: When Satan's last revolt against God takes place, the last Judases will not be missing among those called to know the King. The gold of the eternal City must be refined by three purifying actions to be able to become a censor before the throne of the glorious Lamb. And this will be the last purifying action. The 'faithful' will remain faithful and will know that I am with them and that they are my eternal people.

Then it will be seen who has the Kingdom of God within and who has the kingdom of Satan. Because the latter with their mouths, their acts, and above all their blasphemous hearts, will hurl the last insults against My law and perform the last sacrileges against God, whereas the first, the Lord's children and subjects - while the last battles strikes Earth with unspeakable horror - they will cling to My Cross, will call upon My saving Name; and My coming as Judge will not terrify them, in fact it would be their jubilee because the faithful are those saved, those whom Joel

calls the Lord's remnant, in other words those who remain the Lord's after Satan's plunder.

Blessed, blessed, blessed forever these children of Mine. Theirs is eternal Heaven. *United to the Lord's faithful of all times, they will possess God, whose possession is eternal bliss." MV ET 63, 78*

Man's Time on Earth Comes to an End

At the end of the thousand-year period and the final battle with Satan is over, Satan and all his followers will be thrown into the pool of fire and sulfur for all eternity. There is no further need for the children of God to remain on earth. They will enter into their final hour on earth. God will then call his children: **Son ascend to my dwelling place and submerge yourself into your God.**

The Judgment of the Nations - Matthew 25:31-34

When the Son of Man comes in his glory, and all the angels with him, then he will sit on his glorious throne. Before him will be gathered all the nations, and he will separate people one from another as a shepherd separates the sheep from the goats. And he will place the sheep on his right, but the goats on the left. Then the King will say to those on his right, Come, you who are blessed by my Father, inherit the kingdom prepared for you from the foundation of the world.

The Large White Throne - Revelation 20:11-15

Next, I saw a large white throne and the one who was sitting on it. The earth and the sky fled from his presence and there was no place for them. I saw the dead, the great and the lowly; standing before the throne, and scrolls were opened. Then another scroll was opened, the book of life. The dead were judged according to their deeds, by what was written in the scrolls. The sea gave up its dead; then Death and Hades gave up their dead. All the dead were judged according to their deeds.

'Judgement Day' in Its True Significance

Ref: "Judgment Day" Jakob Lorber

God the Father is speaking: "The churches take Judgement Day to mean the end of the world, and a general last judgement. New Revelation does not relate Judgement Day to the day when the cosmos goes into dissolution. As there is no general resurrection of the dead which the churches have wrongly taught for a long time, there can logically also be no last judgement in this connection. Revelation says: "I have never yet spoken to you (the disciples of a general day of resurrection and judgement, as you will remember, but rather of a specific judgement day for every human being (separately), and this at the moment when his soul shall leave the earthly flesh it inhabited for the period of trial. But of course, this will not raise everyone immediately to eternal life, but conversely also to eternal death, though it would be noted that you must not take the word 'eternal' to mean a time that goes on forever." (Gr X 155, 1)

With Judgement Day, I do not mean an earthly day, but spiritual one, in the next world. When you will have left your body and come to enter the realm of the spirits, that shall be your judgement day, **and I shall release you from the trial of physical matter, and that is resurrection on Judgement Day**.' (Gr VII 187, 6-8)

For those righteous in love, Judgement Day is a day of resurrection to everlasting life, which is the perfect rebirth of the spirit. It is however also a day of judgement for all who do not want to receive Me into them in the spirit and in the truth and hence in all love. (GS I 64, 15)

When we let these enter into the world beyond, they will even more shun and despise the light of life and of truth there than they do here, where they have found it so despicable. Am I so wrong then in saying that I shall also raise those who are spiritually dead when they leave the flesh of the world, judge them and let them find reward for their deeds? (Gr X 154, 7-8)

The Lord expressly states in New Revelation that the pericopes relating to Judgement Day are based on falsification. This, he says, introduced inaccuracies and contradictory statements into the gospel, particularly in the natural literal sense, i.e., My extremely tyrannical attitude at the so-called 'last judgement', when these do not at all agree with the short Gospel of John which is the only one still wholly correct. (Gr XI p. 243)

The Lord makes mention here of pseudo-Matthew (the right name being l'Rabbas) and the falsifier Theophilus (who altered the Gospel of Luke), calling them "revenge evangelists", and advises: "Abide therefore with the Evangelist John." (Gr XI, p. 247) John, the eye and ear witness, who ought to know, writes nothing about all this."

The Gospel of Luke and the 'Youngest Judgement'

Ref: (GH3,333 – 19/3/1864)

Jesus is speaking: "The named apparent discrepancies you will also find in the gospel of Luke; for this evangelist have written his gospel and the apostolic history only fifty years after My time. His gospel is also a collection of what he has brought together through diligent research. He sent all he wrote to his known friend Theophilus of Athens, upon which Theophilus have written a gospel from the gospels of Luke, have enriched it with several additions – but also mixed in some errors – giving rise to some dissensions, especially regarding the literal, natural meaning of My [alleged] highly tyrannical behavior connected to the 'youngest judgement', which does not correlate at all with the most correct, shortened gospel of John; yet it still does allow spiritual enlightenment – and we will still talk about this and many other things in the next word. This is enough for today. Amen. (Luke 1:3; 21:25-27; Matt 25:31-46; Acts.17:31)

I have already told you yesterday about the peculiar 'youngest judgement' mentioned in the gospel of Matthew (L'Rabbas) and even more so in the gospel of John and that exactly this youngest judgement, was and still is mostly responsible why many people turn away from My teachings, created out of themselves teachings purely out of their intellectual cunning and taught this to their fellow men and lived and acted according to this themselves, not wanting to hear and know any more of the frightful day teaching and the prophets. (Matt 25:31-46; Luke 21:25-27; Acts 17:31)

For they said – and were not wrong – 'How could an endlessly wise God, whose small and great creatures see, feel and breathe only love, create the greatest number of people to only send them, after a short material life, anyway, consisting

only of death and many miseries, after the transition to the afterlife, to eternal torture and torment for the transgressions they committed in their bodies on earth?'

I tell you, such will not be possible even for the most severe and malicious tyrant on earth, for it is surely not unknown to some of you from primordial, pre-, after- and contemporary history that too great tyrants at the end became afraid of themselves. Some of them began to flee, without reason except for their increasing fear for themselves – and so came to their end on such a flight.

I can additionally tell you here regarding such excrements of human cruelty (as explanation) that they, after a time of tyrannical rule, become possessed by more and more evil or unfermented demons and become a tool for their demonic urge for revenge which they wanted to direct against the nation.

If you would gather all these tyrants whom, in the eyes of the world, really did these cruelties upon cruelties and condemn them therefore in hell, then would you as judge, yes yourselves be a greater tyrant than they were. How could I (If I where such a sharp judge), plead the Father as being the eternal Love in Me, to forgive those who crucified Me, since they did not know what they have done! (Luke 23:34)

For the Pharisees, from the high priest Caiaphas down to the soldiers who nailed My body to the cross – none of them really knew who they worked with in Me. The Pharisees regarded Me, despite My deeds and teachings, firstly as a chief magician from the school of the Essenes (this thought still lingers), whom they intensely hated. Secondly, they saw Me as an instigator of the Jewish people, creating an opportunity for the Romans to remove all freedom from the Jews and ultimately their religious culture.

Therefore, the more signs I performed, the more My enemies, whom you know, multiplied.

But concerning the soldiers, they were mostly hired Roman soldiers, hired from all the nations of the Roman kingdom and the more heartless and gruesome they could be in battle and smaller executions, the more advantageous and useful they were. For an emotional Roman soldier would be worthless to the war-minded Romans. You can deduct from this that the general Roman soldier knew even less what they did as did My arch enemies themselves. Again, it can be asked whether it would really be right and righteous, according to My Godly wisdom, fair to condemn them to hell tor ever for what they did to Me and throw them into eternal torture and pain? (Matt 25:31-46)

Have I damned the criminal who, as you know, hung on My right-hand side because he mocked Me? It is written nowhere; but the other criminal who recognized Me as being righteous and seriously scolded the right-hand-side criminal because of his mockery. Therefore, I gave him the assurance that He would be with Me in Paradise even that same day, even if he did die on the cross because of robbery and murder. (**Paradise is the state of peace, but not yet heaven**) (Luke 23:39-43)

Where is then the terribly sketched judgement day according to which barely a decillionth of all people would end up in heaven but all others in hell forever?

How could He have preached of such a frightful day, He who has written the guilt of the woman caught in adultery in the Temple's sand and on another occasion called out in the presence of many sinners: “Come to me, all who are weary and burdened, I will give you rest!” (John 8:3-11; Matt 11:28)

Again I once said when a scribe asked who fostered a half-measure faith in Me: “Master, I recognized that you have taught rightly and justly and no one can say anything against what You taught; yet You say in Your message: 'Who believed in You and act according to Your word, those will have life; also then, if it would be possible, die a hundred times in this world.” But now, look at the nations and people on this earth which will in twenty thousand years hear nothing more of Your message. How will they believe in You and live according to Your word? Will that almost innumerable number of people all go into eternal death because they will not be able to believe in You and live according to Your words? (John 8:51; 6:40,47)

Since that scribe has asked Me such a question per occasion, I showed him the firmament which was filled with stars: “Look up there, this is the house of My Father. In that infinitely big house is much room. Who could not get to know Me here and could not hear My living word, there will definitely be found, in this great house, an opportunity for the purpose of his life? Therefore, you should not worry yourselves about those who would not hear of Me now or later, for 'My Father' knows them all and have not called them to eternal fall, but unto eternal resurrection to life out of His love and wisdom. In this you have thus asked Me an apparently wise, yet still a vain question. (John 14:2)

Have I therefore damned the 'bad overseer' which all of you are in some or the other aspect, because of his bad household management, because he deceived his employer, yet gave benefit to his debtors and this the more because he knew that his employer would fire him? Have I not said: Do not become like this overseer, but do the same as he did and those for whom you did spiritual and physical kind actions, will someday receive you in their heavenly homes? (Luke 16:9)

Where is it found in such a message anything of the fearsome youngest judgement day, with which these two known revenge-evangelists, L'Rabbas as Matthew and Theophilus as Luke, made themselves guilty of concerning various facets of My Love and wisdom?

Yet, the most appalling was only done after the great church council of Nicaea – also from the Greek side and even more by the Roman bishops; for they spared no trouble to ad in the most livid colors the youngest day judgement, the purgatory and the hell – partly from the heathen Tartarus and partly from the old Jewish Shaol; and they gave Me the role of judge over the deceased souls, taken from the known-to-you Äakus, Minos and Rhadamanthus. Accordingly, I have to relentlessly and discompassionately judge, condemn and curse to hell for eternity all those who did not obey the precepts and commands of the so-called 'holy father' in Rome.

I intend to sufficiently prove here that neither I, nor any of My true evangelists could have been the discoverers and teachers of all this. I would not then allege of Myself that I am the highest love and compassion and tomorrow commit the highest vengefulness, relentless mercilessness and eternal punishment and lust for torture against My children on grounds of their transgressions of which they often, at the bottom of it all, do not carry even a hundredth of all guilt. I did not come to make those which are lost, even more lost; but to visit it in all love and bring it back to the light, to not let it get lost. As Savior, I came to the world only for the sake of the sick, not for the healthy ones. Should I then make the sick even more sick than they were? This would have suited the teachings and liking of the Pharisees, especially the

many so-called holy fathers in Rome, but not to My liking, since I did not even let Myself as man be addressed as 'good master'. Then it must be impossible. I said: “Why do you call Me good, nobody is good, except for God alone”; therefore, also you should call no one 'Father', except for your father in heaven, and no one is holy except alone your God. (Matt 18:11; 19:17; 23:8-10; Luke 15:4-7)

How then should you consider the so-called 'Vicar of God on earth', which let himself be called 'Holy Father' and 'Your highness'; and what of the youngest judgement and the preceding peculiar judgement, purgatory and hell, which is mostly taught by him?

I tell you, just as little as of his holiness, of his subject officers, of the chair of Peter in Rome – which city Peter never saw – and of the particles of that cross on which I was crucified, which can on grounds of very wise reasons not be found anywhere on the whole earth, like My – false - garment which were displayed often in Trier in Germany; or the bodies of the three kings in Köln, or the three iron nails in Mailand, since of those in all Roman and Greek churches combined so many exist that a small train can be built of it. About the other things you can come to your own conclusions, and it is not necessary for Me to say any more about it. You will know that they already have found three true heads of John, that in the alleged cave of My birth was picked up petrified milk of My mother Mary and is sold to pious pilgrims among many other holy relics.

Stay therefore only with the Gospel of John; for that gospel, like his Revelation, has been written by his hand. But the other two evangelists, that is Matthew and Luke, I already have shown you the circumstances surrounding these two. After John, Mark is the most important one to look at, for what he says very briefly, he mostly has created from the writings and teachings of the apostle Paul. With this, be done with the alleged utterly frightful day of the coming youngest day of judgement at the end of all time. Amen.”

The Resurrection Event - 1Cor15:50

This I declare, brothers: flesh and blood cannot inherit the kingdom of God, nor does corruption inherit incorruption. Behold, I tell you a mystery. We shall not all fall asleep, but we will all be changed, in an instant, in the blink of an eye, at the last trumpet. For the trumpet will sound: the dead will be raised incorruptible, and we shall be changed. For that which is corruptible must clothe itself with incorruptibility, and that which is mortal, must clothe itself with immortality. And when this which is corruptible clothes itself with incorruptibility, and this which is mortal clothes itself with immortality, then the word that is written shall come about: “Death is swallowed up in victory. Where, O death is your victory? Where, O death is your sting?

The sting of death is sin, and the power of death is the law. But thanks be to God who gives us the victory through our Lord, Jesus Christ. Therefore, my beloved brothers, be firm, steadfast, always fully devoted to the work of the Lord, knowing that in the Lord your labor is not in vain.

The Resurrection of the Body in the Eyes of the Catholic Church and According to New Revelation

Ref: Kurk Eggenstein "Resurrection of the Body" by Jakob Lorber

Certain passages in the Old Testament (Book of Daniel) have been quoted as "the first definite sign" that the Jews believed in the resurrection of the body. [29] The cryptic passages in Daniel are, among others: "Many (not all?) of those who sleep in the dust of the earth will wake, some of them to life eternal, the others to eternal shame and contempt." "And the man enquired of the one in linen garments who was above the waters of the river: 'How long shall it be till these wonders cease?' He said: "Go, Daniel, for the meaning of the words must remain sealed and secret till the time of the end." (Dan 12, 2, 6 and 9)

It has to be said: that is no suitable basis on which to establish doctrines. Mark 12, 26-27 does not tell us the nature of the resurrection Jesus spoke of. Paul therefore asks the question: How are the dead raised? With what kind of body shall they come? (I Cor 15, 35) "A sensual body is sown, but one that has become spirit is raised." (1 Cor 15, 44) "So I tell you this, my brothers: flesh and blood cannot achieve the Kingdom of God, and that which is mortal shall not attain to immortality." (I Cor 15,50)

Paul held the view, wrongly, that the end of the world would come in his day. He therefore wrote: ". . . and was a warning for us, who experience the end of times." (I Cor 10, 11) "The time is short." (I Cor 7, 29) "You see, I will tell you a secret: We shall not all die, but we shall all be transformed, and this suddenly, when the last trumpet sounds. For the trumpet shall sound; the dead will then be raised immortal, and we shall be transformed." (I Cor 15, 51-52) Paul, as we know, was mistaken. The end of the world did not come. But it is important to note that Paul spoke of the body 'become spirit'.

In the 5th century, Augustine, a man who evolved many erroneous and often incomprehensible, absurd doctrines and yet absolutely dominated Western thought for centuries, developed a strange concept of the resurrection of the fleshly body in the next world.

"By no means shall we believe these to be mere spirits, for they are rather bodies of tangible flesh." (*Civ. Dei* XIII. 22-23) This put him in direct opposition to the teaching of St. Paul. He did experience some doubt, however, as to whether the awkward physical body would actually fit into the world of spirits, but this certainly did not make him give up his absurd notion, and he tried to get around the problem by adding that the life-giving spirit in the next world "does not admit physical heaviness." (*Civ. Dei* XIII. 23)

Augustine's crude notion of resurrection in the flesh and of a fleshly body entering into the world of spirits persisted right through the Middle Ages. The Council of Toledo (A.D. 675) declared: "This body, in which we dwell, exist and move, will rise." (Denz 287)

Pope Leo IX (1053) spoke of a genuine resurrection "of the very flesh I am now clothed in" (Denz 347), and the Lateran Council (1215) of "the selfsame bodies that we have now." (Denz. 429)

Following 2nd Vatican, Catholic theological lexicons now say the exact opposite of what church fathers, popes and councils have taught. An example taken from Professor Karl Rahner's *Herders theologisches Taschenlexikon* (1972, page

255 f.) reads: "Whenever the New Testament refers to resurrection, it speaks of the 'resurrection of the dead', never of the flesh . . ." "As to the biblical concept, it should be evident from the above that its real core cannot be a concept of bodies being restored, although the Bible does present this as an image throughout." Joseph Ratzinger uses almost the same words; "Thus it is now also established that the real core to the concept of resurrection is not a restoration of bodies, though it has been reduced to this in our thoughts." With this, Catholic theologians are now coming very close to what New Revelation has to say.

After this doctrinal chaos of conflicting opinions over the centuries, let us now turn to the words of New Revelation: "When the soul has become ripe, it leaves this body forever, and the body is consumed. It is all the same, then, by whom or in what way. Anything in it that is still substantial, belonging to the soul, is also restored to the soul. Everything else (physical matter) becomes nourishment for a thousand other forms of creature life." (Gr VI 53, 11)

"The human being will, however, at different times also have a different body." (Gr VI 54, 4) (It should be noted that the billions of cells in the human body are completely replaced in the course of seven years.)

"It can never be in accord with God's eternal scheme, for God Himself is a pure spirit, and men, too, in the end are destined only to become godlike pure spirits, for all time. What purpose then would their bodies serve to them?" "Yes, men will have bodies in that world, too, but not these earthly bodies of coarse matter, but wholly new ones that are spiritual and originate from the good works they have done on this earth, in accord with the teaching I have given to you. When these things are as I have said, how can anyone think that the resurrection of the body refers to these earthly bodies being revived in time to come? The resurrection of the body consists merely in the good works that alone give the soul true everlasting life, good works the soul has performed for the good of its fellow men in this life of the flesh. Therefore, any man who hears My teaching, believes in Me and acts accordingly shall be raised by Me Myself on his **day of judgement which will immediately follow the moment the soul leaves this body**." (Gr

"Therefore, understand the resurrection of the body to mean the good works of true love of your neighbor! These shall be the flesh of the soul and thus rise with it to everlasting life as an unalloyed ethereal body on its judgement day in the spirit world, following the true trumpet call of this My teaching. If you had borne a body a hundred times on earth, in that next world you shall have but one body, and that the one described to you." (Gr V 238, 1)

"Since the flesh of man is principally given to a spirit brought out of condemnation (spirits who fell with Lucifer, author) only so that he may go through a new trial of freedom in it, as in a world wholly of his own, you will now find it easy to see that a body of flesh would be quite unnecessary for spirits who already are perfected (in the next world, author), in that the flesh is but a means, and never in all eternity an end, for in the final instance everything has to grow wholly spiritual again and no more material." (Gr I 165, 9)

"So not the smallest grain of the flesh that has served the soul here will in the next world arise united with the soul to enter eternal life?" one of the disciples asked Jesus. The answer he received was: "where the outline of the outer form of the soul, and particularly its garments, are concerned, the soul ether parts of its body

on this earth shall be united with it again, but not a single atom of the coarse organic body." (Gr X 9, 14-15)

The Sequence of Events when the Soul Leaves the Body

Ref: [GGJ.04.129.01] Jakob Lorber

Jesus is speaking I say: "This you should immediately know so please therefore listen! The visible vapor cloud - which is distorted but nevertheless has the size and shape of a present-day human being - is the consequence of the profound distress experienced by the soul at the moment of separation, when the soul, because of all the fear and terror, becomes in a way unconscious for a few moments.

It is an extraordinarily stressful activity for the separating soul to try to maintain itself in the consciousness of its own existence. All its elements are subjected to exceptionally intense vibration, so violent that even the spirit's very perceptive inner eye cannot make out any specific shapes.

A similar phenomenon from nature is to be found in the bass string of a harp. When it is firmly plucked, it will quickly vibrate to and fro for a time and during that movement you can only see the string itself as a transparent nebulous thread. When the string stops vibrating, its true form again becomes visible in its rest position.

You have the same phenomenon if you consider a buzzing fly whose wings you can only see as wings after the fly has stopped flying and has therefore also stopped buzzing. When it is in flying mode, you only see the fly surrounded by a small misty cloud.

When the soul makes its exit at the moment of separation from the destruction of the torn, subsequently unserviceable body, it often vibrates with oscillations as great as a hand span and so quickly that you can accept its speed as one thousand to-and-fro and up-and-down movements in one single moment but when this vibration is taking place, even the most attentive spectator will find it completely impossible to identify any kind of human shape. After a while the soul's movement progressively slows down so that the human shape again becomes visible. Once it has completely returned to its rest position, the state which it achieves immediately after the final separation, it can be seen as a perfect human shape, provided only that it has not been excessively distorted by the variety of sins it has previously committed. - Do you now understand all this?"

God Leads Man to Eternal Bliss – the resurrection of the body

Ref: (GH3,333 – 19/3/1864) Jakob Lorber

Jesus is speaking: "Human beings live with complete free will, either based on God's teachings or according to their own ideas of pleasure.

During life on earth, their souls are imprisoned in their bodies and have no memory of their previous spiritual life. **As soon as the bodies can no longer serve the souls (due to age or illness), the souls leave the bodies and immediately enter the world beyond. This is the judgment day or first day in the world beyond. After 25 to 100 years, the discarded material bodies are gradually transformed into energy free of matter and then added as an eternal covering of the energized soul. This is designated as the resurrection of the body.** On Easter morning, the body of Jesus was also transformed into pure energy and added to his soul as a covering.

The Roman soldiers saw this as a flash of light. Additionally, the resurrection of the body means that the good and bad works of man accompany the soul eternally (viewed spiritually). Each soul takes all of its thoughts and dreams and lives in them for the future. By its nature, the soul is our ego consciousness in an energized body, which lives in the world beyond as does the material body in this life. After passing over to the world beyond, the souls are as imperfect as before. They are shown the true teaching of God, free of false doctrine, by the angels. These consist of:

We human beings should love God, our heavenly Father, above all, who, unknown to most, walked the earth in the person of Christ Jesus. And we should love our neighbors as ourselves. We should become humble, living and acting according to His commands.

No single soul is forced to accept this teaching of love. Also, in the world beyond, souls possess complete freedom of will. Only those souls can obtain eternal bliss, which willingly live according to the principles of Heaven (humility, love of neighbor and love of God).

With their growing perfection, the souls become younger and more beautiful until, fully youthful, they can live in eternal joy. From Jesus they obtain increasing power, and, on His behalf, they can do great things for the well-being of their neighbors. Also, as quick as a flash (speed of thought) they can travel the whole universe.

There are stubborn, blind souls who did not come to believe in God on earth and lived only based on selfishness, hedonism, pride, and imperiousness, at the expense of their fellow men. For them, it can take thousands or millions of years until they are ready to stop living by the principles of Hell, but by those of Heaven: true humility, love of God and love of neighbor."

The Sleep of the Soul - Misguided Teaching

BD No. 6541 of 05/06/1956 taken from book 70

Jesus is speaking: "It is extremely wrong to deem the souls of the departed as being in an eternal sleep until the arrival of Judgment Day. This idea proves total ignorance of the soul's process of development, furthermore, it proves a wrong attitude towards Me or a person could not think so wrongly, and it proves that there is no belief in the soul's life after death, for an eternal sleep of death, as presumed by people, cannot be described as 'life after death'.

But this misguided thought is also a great disadvantage for the departed souls, because prayers will not be offered for them and thus, they will not receive the help which they need so badly. But people who adopted this doctrine and were taught wrongly will not accept being taught otherwise, and yet they hold on to the error as if it was gospel truth. Here, too, My adversary's work is obvious, who particularly wants to stop people from praying for the souls, because such prayer could help to set them free, which he tries to prevent. But even when these misguided teachings are confronted by the truth, people will not take the only path which could provide them with clarification. They need only ask Me for an explanation, if they do not want to believe those who would like to correct their error, they need only approach Me Myself. But they won't take this path, and therefore they are beyond help and refuse to let go of their error.

However, these departed souls suffer immense hardship if they are not remembered in prayer. And people on earth cannot receive instructions for the better from the spiritual kingdom either, because they do not believe in a connection between the world of light and people on earth and therefore do not make themselves mentally available to the knowing powers. They are only concerned about their earthly life as human beings until death. Their idea of an 'eternal sleep of the soul' until 'Judgment Day' only proves that they lack all knowledge about the spirits' process of redemption, about My fundamental nature, which is love, wisdom and omnipotence, and about Jesus' act of Salvation. Their knowledge is very limited and does not correspond to the truth in the slightest, and when truth is brought to them, they resist it. And yet they try to prove their point of view with the Word of God, with the Scriptures, but it is not their 'awakened spirit' that finds those references, rather, My adversary himself makes use of My Word when he wants to cause confusion. But he is only successful when a person merely uses his intellect and does not ask Me Myself for enlightenment through the spirit when he asks for an explanation.

The letter kills, only the spirit gives life. Anyone who does not entrust himself to Me first, so that I can guide his thoughts correctly, will truly be killed by the letter, since My adversary can use the letter too but will interpret its meaning completely differently and thereby make the biggest error seem acceptable to people. The doctrine about the soul's sleep of death is a truly dubious teaching, a teaching which also causes great indignation in the needy souls of the beyond, who 'live' and yet are so weak that they would be grateful for every gift of strength a loving prayer could impact on them. People should frequently remember those souls in their prayers, whose family members on earth believe this misguided teaching, so that they can gather strength, ascend, and mentally help them in turn. Although a life of love on earth will soon provide the souls with clear understanding, they first must let go of erroneous teachings before they can be assigned to a field of activity themselves, since every activity in the spiritual kingdom consists of spreading the pure truth.

Hence, a soul that lived a life of love on earth is blessed; indeed, it will easily detach itself from misguided attitudes and wrong spiritual knowledge. The others, however, will find themselves in utmost adversity, because every misguided teaching has damaging effects on the soul, but especially the teaching about the eternal sleep of death, since it can actually lead to a kind of darkness similar to death, and at the same time reduce the opportunities for help due to the belief that prayers are futile. However, anyone who sincerely turns to Me Myself will become clearly aware how misguided this teaching is."

The Resurrection Body - 1Cor 15:36

What you sow is not brought to life unless it dies. And what you sow is not the body that is to be but a bare kernel of wheat, perhaps, or of some other kind; but God gives it a body as he chooses, and to each of the seeds its own body. Not all flesh is the same, but there is one kind for human beings, another kind of flesh for animals, another kind of flesh for birds, and another for fish.

There are both heavenly bodies and earthly bodies, but the brightness of the heavenly is one kind and that of the earthly another. The brightness of the sun is

one kind and the brightness of the moon another, and the brightness of the stars another. For star differs from star in brightness.

So also, is the resurrection of the dead. It is sown corruptible; it is raised incorruptible. It is sown dishonorable; it is raised glorious. It is sown weak; it is raised powerful. It is sown a natural body; it is raised a spiritual body. If there is a natural body, there is also a spiritual one.

So, too, it is written, "The first man, Adam, became a living being," the last Adam, a life-giving spirit. But the spiritual was not first; rather the natural and then the spiritual. The first man was from the earth, earthly; the second man, from heaven. As was the earthly one, so also are the earthly, and as is the heavenly one, so also are the heavenly. Just as we have borne the image of the earthly one, we shall also bear the image of the heavenly one.

'Eye Has Not Seen'

BD No. **2415** of 07/19/1942 taken from book 32

Jesus is speaking: "Eye has not seen, nor ear heard, nor have entered into the heart of man the things which God has prepared for those who love Him. God has withheld the knowledge of this from people, He merely expects their faith in the glories of the beyond, in fact it cannot be shown to them as long as they live on earth, because what God has in store for His children is nothing of an earthly nature, it cannot be perceived with earthly eyes and felt with earthly senses. Nevertheless, His Word is truth, and thus the soul can expect an exceedingly happy state in which it can see and experience the most wonderful things. Nothing on earth exists which could be used as a comparison and even roughly correspond to the truth. It is a state of blissful happiness; it is a continuous view in the spiritual world whose inconceivable diversity reveals itself to the spiritual eye. All spiritual beings are united with each other in utter harmony and equilibrium; there is constant activity of love, a coming together and complementing of each other, a continuous service to God and reception of spiritual strength, a continuous giving of happiness and increase of strength of love. It is an indescribable bliss, merely one look at this glory would prompt humanity to live a completely different way of life, yet this would not be judged in the same way as a right way of life before God without knowing the reward. The human being shall be good of his own innermost accord if he wants to partake in these joys in the beyond. Nevertheless, God made this promise to people, and as soon as a human being accepts it as truth, as soon as he believes, the knowledge about this blissful state in the beyond will no longer be a danger to him, for then he will be so united with God that he will strive to be good of his own accord and will not feel obliged to live a good way of life because of promises. For God has prepared these glories for those who love Him; Love for God is the condition, but this must be born in the innermost heart and only the degree of love will be judged, not a deed which is accomplished for the sake of reward. But where love is present, the reward is not thought of. Where love is present, there must also be happiness and bliss, for God Himself is love, and God's presence is the most wonderful and happiest state for the soul, love is the fulfillment; God's love is the epitome of heavenly beatitude."

'The Return of the Prodigal Son'

Ref: Origin of Man from the Fallen First-Created Spirits by Jakob Lorber

God the Father is speaking: "Probably no other verse, no other chapter, in the Holy Scriptures is of greater import than the Parable of the Prodigal Son. Equally, there probably is no other passage that is harder to understand than this one. (Hi I p. 306)

The name Lucifer encompasses the whole, unending compendium of the Prodigal Son, a compendium you will never be able to comprehend. Consider that almost the whole of present-day mankind are nothing but members of the body of this one 'lost' or 'prodigal son' and this refers particularly to the members of the human race who are descended from Adam's unhallowed line. This 'Prodigal Son' has taken away all the wealth that was his part and squandered it through eons that for your concepts extend for ever and ever. (Hi I p. 307)

The 'Prodigal Son', however, is taken to represent every single human being as such. (Hi I p. 315)

In the final instance, he also represents the whole cosmos with millions upon millions of galaxies, each of them with something like fifty or one hundred thousand million suns. According to New Revelation, ***the universe, seen from 'outside', is 'a perfect and complete human form' and 'can be seen in its kind by none accept Me in this reality.' (Hi I p. 312)***

'The deity took hold of Lucifer's essential nature in all parts, took all specific nature, formed out of its cosmic bodies throughout the whole of infinite space, enwrapped the spirit of this infinite soul entity in the most powerful of bonds and bound him in the depth of matter.' (EM p. 159)

'This cosmic man you behold there is no more and no less than the Prodigal Son who has found himself again, found himself again in every single person who is reborn.' 'Yet you should not think that this fallen Lucifer would return again as a complete whole. If this had been possible, then truly, the creation of the physical world could never have happened; instead, in every single individual who lives according to My Word and is born again through the Word and through redemption, this Lost Son (i.e., a part of his essential nature) is found again and returns to the great house of the Father.' (Hi I p. 314)

'Of course, all physical matter that makes up the universe is also only the work of God, and a divine element lies hidden within it, but there also lie within it deceit, lies and seduction, and from these arise envy, avarice, hatred, pride, persecution, and arising from these all kinds of vices, beyond measure and count.* And this very falseness, this lying and deceit, is in spiritual terms 'Satan', and all the different vices of necessity arising from this are indeed what is called 'devils'.' (Gr V 94, 2-3)

God's plan to bring all the spirits that have fallen away from him back again to the house of their Father, on a path that goes through matter, requires a length of time that is inconceivably great. Yet the time will come 'when no physical sun and no physical earth continue to move in their orbits in infinite space, and a super splendid, new spiritual creation will fill limitless space everywhere with exultant, free beings, and I shall forever thenceforth be God and Father of all beings, world

without end. And thenceforth there will be no end to this most blessed of states. There shall be one herd, one-fold, and one shepherd.'

'As to when all this shall be, in the number of earth years, this can never be determined. And even if I were to make known this number, you could not possibly grasp it.' (Gr II 63, 3-4)

The creation of the physical world is thus clearly interpreted in New Revelation as the field for redemption through divine love and compassion. The universe has been created to redeem the fallen spirits. The life sparks gradually loosened from Lucifer are according to God's wise plan taken step by step, i.e., through evolution, through the mineral, plant and animal kingdoms to the final goal which is man. 'The enormous numbers of fallen spirits, who fell with Lucifer and then were placed in the bonds of matter, as its carriers, all these classify the whole of creation in this universe according to spiritual content.' (Pr 317) "Spirit you have been, and spirit you shall become again." (Pr 121)

The great purpose of God is to lead all of mankind - whichever body in the universe they inhabit - along the path of salvation to spiritual rebirth and hence to God. The earth and its inhabitants have a very special and preferential role to play in this according to New Revelation. The road is inconceivably long, however, and can be full of torment for some.

'Man is the most highly perfected of the countless different creatures, the culmination of divine love and wisdom, destined to become a god himself." (Gr VII 141, 6) This is why Jesus said to the Jews: "Is it not written in your law, I said, Ye are (potential, author) gods?' 'Now', New Revelation says, 'you are merely like embryos in the womb." (Gr III 180, 8) When God's final goal will have been achieves, the 8th Psalm will shine forth in its true radiance which now is still hidden: Yet thou hast made him little less than God and dost crown him with glory and honor.'

Having realized the full import of the highly spiritual message given in New Revelation, we shall also be able to understand the following words of Johannes Eckehart, the 14th century German mystic: 'The very life and nature of all creatures is nothing but their calling and hastening to God, from Whom they took their origin.' [3]

A vision of life unfolding as a whole, and a gradual, step by step, ascent, as described in great detail in New Revelation, may also be found in the work of the mystic Jakob Boehme (1575-1624) who, like Jakob Lorber, could not have known anything of evolution theories at that time.

During the third century, the greatest biblical scholar, Origen, also accepted the dogma of apocatastasis, the return of all things to their previous state. According to this, the soul leaves the place of purification, again and punishment does not go on forever. 'Perfection will have been achieved,' Origen wrote, 'when all souls have found salvation in becoming angels. All creation returns to God.' 'The universal resolve to achieve salvation is a revelation of the all-compassionate God.' [4] In his *Contra Celsus* 92-97, Origen equated Adam with the primal unit of human nature, that fell from heaven in the beginning of time as a whole. Origen refers to the words of the prophet Joshua: 'Far indeed my soul has been wandering', continuing: 'Comprehend, therefore, if you are able, what are these wanderings of the soul, to continue on which she laments with sighs and sorrows. For, of course, for as long as she is wanderings insight into these things is halted and is veiled, only

when she has reached her homeland, her peace, paradise, shall she be enlightened more truly on this, and see more clearly which has been the way and meaning of her wanderings.' [5]

'Suddenly', the Catholic theologian and renowned author Hans Urs von Balthasar writes in his Origen - *Geist und Feuer*, (Spirit and Fire), 'insights come through like flashes of lightning, and these are among the most endurable yet also most forgotten in the history of Christian thought.' [6] 'But when the vessel shattered into a thousand fragments and the name of the Mater (Origen) was stoned and buried, the scent of the unguent escaped, filling the whole house.' [7]

Apocatastasis again may be perceived in *Scivias*, the work of Hildegard of Bingen entitled *Know the Ways*. "Then I heard a voice saying to me: Paeons of praise shall be sung to the sublime Creator with untiring voice of heart and tongue, for through his grace he leads to the throne of heaven not only those upright and standing, but also those who have fallen and are bowed down" (Book 3, 13th vision).

The concept of men as fallen spirits whom the love of God for his creatures finally leads back, like the Prodigal Son, to the House of the Father, in a sheer unending, far journey through the mineral, plant and animal kingdoms, exists not only in Christian antiquity and in Christian mysticism, but also in the mysticism of other religions, a.o. in Parseeism, which also does not speak of hell eternal, and also in Islamic mysticism, in Sufism. It finds its most beautiful expression in the following verses by the famous Persian mystic Jelal ed Din Rumi (1207-1273):

"I died a stone and sprouted into plant,
I died a plant and animal became,
I died an animal and then was born a man,
Why fear then? Have through death I ever lost?
A man he gathers hence me from this earth,
That angels' wings I thereupon shall bear.
Yet angel, too, I'll not forever be,
God's face alone goes through eternity.
Far beyond angels' spheres my wings away
Will carry me to heights beyond mind's reach.
Then call me not to anything!
For like a harp's sweet strains
The knowledge sounds within me that we shall return to Him.

Major figures like the scientist Edgar Dacque, Leopold Ziegler and others, have given a scientific interpretation of Jakob Lorber's revelations, though doubtless they did not know them. Dacque, for instance, wrote: 'The original form of man was metaphysically present, i.e., 'willed' by God, in early times when the first of the lower animals made their appearance. Although man only emerged as a full human being during the late ice age, he was yet present countless millions of years before that, in all living creatures.' [8]

Leopold Ziegler also sees the mystery of man in its deeper aspects: 'History and historicity are indeed the true sphere of man, but this history proceeds from a nature-given basis of many other stages of life, all of them interrelated.'

The evolution of life described in New Revelation is an inconceivably long path of cosmogony and anthropogony, to bring to realization God's plan for the

salvation of the spirits that have fallen away. The immeasurable depths of this act of salvation, connected also with the words we read in St. John's Gospel: 'And I, when I am lifted up from the earth, I will draw all men to myself', are such that they can hardly ever be fully fathomed in this earthly life.

If we contemplate God's plan, to bring back, by that long route, all the spirits that have fallen away, bring them home to unimaginable bliss in the House of the Father, a prospect opens up of a grandiose vision, the one and only one to befit the true nature of God, that is, of life. The story of creation as shown conveys a vision of the world that is of the spirit, revealing deep meaning, and letting the love and compassion of God shine forth brightly in the story of salvation."

The Great Cosmic Man - The big creation-man and his return.

Ref: Written on March 25, 1841, from 4 o'clock in the afternoon until 8:45 o'clock in the evening. The writers are Poet Karl G. Ritter von Leitner, Mayor of Graz Andreas Hüttenbrenner, his brother Composer Anselm Hüttenbrenner.

God the Father is speaking: "Now that we have accompanied and illuminated the prodigal son from his rise to his fall in the eleventh hour and have also calculated the time and nearly determined the hour that must testify of his When your spirit awakens within you, you will perceive its voice in your heart like clear thoughts. To these you must carefully listen and heed them in your whole sphere of life, then you will provide your spirit with an ever growing field of action. Thus, the spirit within you will grow to a man's size and pervade your whole soul and with it your entire material being. The downfall, consequently in the twelfth hour we are going to see where and how this prodigal son will once again return—humbled through and through—into the immense and grand house of the Father.

However, in order to understand this fully, it is not enough that we have looked a little through the world-mote called earth; but for this purpose, I have added and already mentioned tiny devise in the—to you—conscious camera obscura of the spirit; and we once again take a somewhat broader view in this newly prepared chamber. I am telling you… be prepared; because this sight will bring something before your eyes that until this time has come into no man's mind. With the ability of this new devise [the camera obscure], the tablet also becomes the receiver of a big picture, and as a result will be enlarged and assume a vertical instead of the former horizontal position.

Now look: Our device is operational. Direct your sight now onto the wide expanded tablet; and at once, you will recognize the large picture on the same tablet. This is the only possible way to place the endlessly long, stretched-out creation before your eyes within one picture.

Now: Look closely on the tablet; and as soon as I say the word Epheta, you will see the magnificent picture on the tablet. Now then, because your sight is directed at the tablet, I say: Epheta!

Now, what do you say to the picture? Exactly, on this blackboard you see nothing more and nothing less, than the clear figure of a human being, whose loins are only scarcely covered by some rags and whose hair, even with the shaggy appearance, trails from his head and covers half the body.

True, you will probably think, "there is nothing special to be seen in this picture, except that it is presented on this tablet in a very colossal form. Incidentally, such a picture could have been painted by a fairly skilled portrait painter with a whitish color on a black tablet"; and I can add nothing to that, except that—at first glance—your conclusion is correct. Seeing that you want to think a little deeper, you will probably soon recognize the shape of the prodigal son in this whitish figure.

But look, My dear children! The tablet is placed just a little too far for your eyes to see, so let us go closer to the tablet; for you have now seen the entire shape, therefore, we want to examine the color a little closer with which this figure was applied onto this tablet.

Now, we are at the tablet. Look: This fathom-wide shimmering area is one part of the foot of the entire figure. Take a close look and tell Me what do you discover [on the tablet]? Look very closely… What do you see? … Right, you are discovering nothing but many small, closely linked-together, shimmering, tiny globules. You know that this picture is not painted but is only a light-picture [an image] of an outer [natural] object.

In reality, what do you think these tiny globules are? See: I will not let you guess for very long, but if you think that these tiny globules are images of remote suns, planets, moons and comets, hear… I have to say to you: Children! Judge not too hastily, otherwise you will err tremendously! However, before I reveal the being of these minuscule globules to you, do your utmost to count these globules on one lentil-size spot! –

Now, are you finished? - Yes, yes, I already see, you seem to have difficulty with it since such shimmering dots on this existing lentil-size area are for you a hard to pronounce number, seeing it would clearly be more than a trillion. Now that you have familiarized yourselves a little with the color, I will tell you from which image such a tiny dot actually is. As already mentioned, not from a sun, nor from any other type of heavenly [global] body, but each tiny dot, or—as seen by your spiritual eyes as tiny globules—is nothing more and nothing less than the image of a shell globe.

Now we step back a little and again look at the entire figure. See: it is like a complete human-shape; and now that you have sufficiently looked at this figure, I am saying to you: This figure represents or describes out of and according to My eternal order—*the universe*; and therefore, it is, in reality, not visible in its form by anyone except Myself. In addition, a created spirit has never before seen this picture, as you have now observed it.

The universe, seen from 'outside', is 'a perfect and complete human form' and 'can be seen in its kind by none accept Me in this reality.' (Hi I p. 312)

Once again, I see the thoughts hidden within you. You would very much like to see your earth within this person. As long as the entire figure sparkles on the tablet, it

is impossible to show you such. Nevertheless, wait just a little; see I am a very good optician, therefore I want to undertake a little optical variation in our camera, after which variation nothing will remain of this entire figure except a single tiny illuminating dot.

Now see: The figure is gone; already everything is in order. Again, let us step closer to the tablet and look for our tiny dot. Now: did you find it already? One by itself does not emit much light; but look very intensely, you will find it.

You must not look up there on the high stretched-out tablet, but look all the way down here, where earlier you have seen the left foot of the entire figure, in fact there at the very edge of the ball of the fifth little pinky toe. This tiny globule is this particular shell globe, in which your earth is also located.

However, in order to arrive at our earth, I must once again come over the tiny shimmering dot with My Epheta, and so I speak "Epheta!" Now look; how this tiny globule has now expanded and nearly takes in the entire large round form of the tablet.

See the countless illuminating minute dots shimmer through one another. Now, pick out your earth. In fact, you might not be able to find it out of the great immense number of shimmering little dots. Yes, I am saying to you, it would be a vein effort on your behalf since these minute dots that you see are again no suns, but they are entire regions of sun-worlds-universes.

Therefore, will I now once again pick out just the right minute dot and erase all remaining off the large tablet. Now, there is the selected minute dot; and in order to arrive more quickly toward our goal, I once again say "Epheta!" Now see: Our tablet is once again full of new shimmering tiny dots. Alone these illuminating minute dots are again no suns, but all are numerous sun-worlds-universes; therefore, it will not help us to find the earth here.

You must not look up there on the high stretched-out tablet, but look all the way down here, where earlier you have seen the left foot of the entire figure, in fact there at the very edge of the ball of the fifth little pinky toe. This tiny globule is this particular shell globe, in which your earth is also located.

Once again, I will select the right one from these minute dots and erase the remainder of this tablet. Now, there is the tiny dot. See, how lonely and faint it glimmers on the big surface! But now My Epheta!... And the minute dot should immediately become a larger expansion; therefore "Epheta!"

Now look: Our tablet is again full of many illuminating tiny dots. From out of all these trillion times trillion-minute dots, would you like to search for the earth? Here I have to tell you once again: save your effort; for again these minute dots are still no suns, but individual sun-regions; and this is what you understand as a so-called star-fog.

Just so that we arrive more quickly toward the goal, I am going to select the right minute little dot for you and all the remaining dots will be erased on the tablet; and at once add the "Epheta."

Now look at the tablet. Precisely, you are seeing a shimmering-dotted-cloud, which spreads horizontally over the entire tablet; it is seven times as long as it is wide. Now look toward the middle; we once again want to select such a small shimmering-dotted-cloud, and all the remainder will be removed from the tablet. –

Now, as you can see, everything has taken place, and My Epheta has given this minute dot again its right configuration.

Now take a close look; you probably already recognize it. See: There in the middle is a small shimmering lentil size disc; see, it is the image of your sun; and take a closer look; the third shimmering dot from the sun on the left side downward is your earth.

I just need to enlarge the picture a little and you will recognize your earth at once; and so, I say: You earth-point arise, so that My observers will recognize you! And see how this point gradually expands and now has reached the actual diameter, which is adequate enough for you to recognize your natural dirty dwelling place.

Now that we have seen everything, let us once again return to our prodigal son. Look onto the tablet, once again our first figure flaunts itself on the same. Although now this figure is getting smaller and smaller; and see now it is only barely the size of a child; and look once again: now this child has also melted into a dot. However, look: On the right side of the tablet, another big image of a human being is starting to appear; and now, it is also in the middle of the tablet, and under his left foot you also discover the previous shrunken minute dot, which is in the right proportion of its size to the size of this new picture.

What do you think this new picture represents? You might think, since you have more or less become acquainted with the big human being in the writings of [Emanuel] Swedenborg, that it is this big person. However, I say to you: You missed it by a mile! This person you see there, is nothing more and nothing less than himself-found-again prodigal son; however, not in his all-ness or completeness, but it is 'he' the [actual] prodigal son, who has found himself again in each and every individual born again [or re-born] person. Or said to you in more easily understandable words: He is the very least one in My new Kingdom, and here—presented to you—in the right proportion is this picture. This picture shows you the complete, full [spiritual] measure of a person, which is infinitely more sublime than the previously revealed limb-dissected and endlessly seeming universe in the shape of the prodigal son!

Now, if you heed this picture just a little, you might begin to grasp as to what the reason or nature of the return of the prodigal son is.

Do not think that this fallen Lucifer, who was revealed to you in the eleventh hour, is going to return as whole or complete. If such would have been possible, truly, a material creation never would have taken place.

Instead, every single person who lives according to My Words and is born-again through the Word and through the salvation [or redemption], is this prodigal found again and he will return into the immense [and glorious] house of the Father-[God]!

I am not saying this for nothing to you: In the immense [and glorious] house of the Father- [God]; because, quite a large [and magnificent] house must be prepared for such a [purpose driven] multitude of [Christ-like] people; everyone can once again take residence with their Father.

Obviously, you recognize from all the preceding talks that it is clearly so; for does not each person in himself suffer in all wide-ranging tribulations, and is not everyone beaten as an individual [or for being his own person]? However, all these blows are directed at one and the same prodigal son.

However, if a person is beaten, is it not always true that only he who is beaten feels the pain, whereas the one who is not beaten often watches only too painlessly [and without a problem]? Alternatively, an entire nation is being mistreated on another continent, say, whether you have ever felt a whip thrashing on your skin? However, if someone dies, does he die for himself or for others? Or can you avow that somebody was ever born into the world for someone else? Or is My salvation and My Word not just as imperative for each individual person, as for entire nations? And cannot each human being receive Me with his love and the living faith for himself, that I reside in him and he in Me?

If you now look at everything, could you, after all that, possibly make the ultimate assertion that I am less in one person, then in all of them together?

However, when I have become one with a person and he with Me, say, is there anything else missing from the deliverance of the prodigal son in an individual person?

Has he not received and accepted everything in himself, who has received [or accepted] Me? Truly, every single person who is one with Me is more, yes, I say, infinitely more than the great was in his for your inconceivable greatness; [this principle is shown through] applying your natural way of thinking!

See, each individual person for himself or herself will consequently be defined under this prodigal son, who is called Lucifer. And as an entire nation unites with Me, so will this entire nation likewise become only one human being with Me. Moreover, all people who ever lived on the earth and continue to live, when they have become one with Me, they too become only one human being in Me. In other words, everyone will be ensouled and enlivened in one and the same Holy Spirit of all love and all truth and all might and all power, and there will not be many [people] anymore, but [only] one; and one is not less than many, instead, all will be in complete and full union in Me. And many will not have more might and power than one, and one not less power than many, but everyone will live as [only] one [on its own but joint together], out of the same power and might of the Holy Spirit of all love and all truth out of Me!"

The Rags of the Prodigal Son

Ref: Written on March 25, 1841

God the Father is speaking: "However, you have heard that the rags of the prodigal son were dispersed by the winds like chaff, and the remaining rags were taken off him and burned. Do you know what these rags mean?

Understand, it is nothing other than the former withered cosmic human being on our tablet. For through the salvation of each individual person is the Noble, out of Me emanating [excellent spirit] or My prodigal son restored. The rags or the actual prime evil will be scattered into the fire, from which it actually came out of. However, it is this fire—the one in the Divinity—out of which all things have their material existence.

Consequently, whoever depends on the world and sticks onto matter, sticks on the rags of the prodigal son; however, all matter shows you already its big similarity to the fire; the same are also the rags on the loins of the prodigal son.

This is how it will happen! So that God becomes a free God again, in which no more matter seethes, so must the fire or the related wraths once again return from where it—as that what it is— came from. And it will happen, as if you have some kind of hardening on your body and you cover it with a hot poultice, so this hardening becomes soft again. So too will My eternal fire seize this prime evil hardening in its all-ness or entirety, in order to thereby again assimilate its own being.

There is another question present in you: Whether those beings, which are understood as rags, also will have a continual self-consciousness or not? I, however, say to you: The question answers itself almost automatically, because you cannot possibly assume that there should perhaps be any unconscious point in the Deity.

This question therefore solves itself; except for one more question: Whether this self-consciousness is a suffering one or not? See: that is a different question. However, to understand this correctly, you must first recognize that every effort, in order to find itself, must comprehend a certain necessary suffering in itself. Only now, it depends only on whether this suffering is painful or pleasant.

If this suffering consists in the fact that the being seizes continuously in itself and by this seizing is striving to form or shape itself forever into a unity, then such a suffering is extremely pleasant and the feeling from the clearest self-assurance an extremely blissful one.

If, however, the suffering, or the self-assured feeling of a being, is tearing and destructive in itself, then it is also an extremely painful one; this you can simply learn from nature as well, if you have ever observed any kind of an inflammatory illness, which consists of nothing other than that certain parts in the body begin to expand more and more. The more violent such an act carries on, the more painful it becomes. The result from this is that the self-confident essential condition of the fire-related prime-evil must also be extremely painful and cause immense suffering.

You will now perhaps think that as a result the Deity must thereby continually suffer extremely painfully in its portion of wrath. In fact, it is not so! But it is simply as if food is boiled down in your stomach; driven through the fire of the stomach, here the little husks crack open from the nourishment one has eaten. However, do ask yourself whether this horrific destruction process has ever hurt you in your natural state in the fire of your stomach?

However, since I have led you already so far, I want to give you on this occasion a never before outspoken hint! If you want to see the final cause of such a situation of all worldly material prime malice, then look into your stomachs and observe what happens there with the food that you eat; observe how and why? Consequently, you will all see a great segment of My ways, as to what will happen. However, the time is not recorded in your stomach, and it is enough for you all that I have shown you the purpose.

Now see, dear children! This is everything that can be given to you; this is everything that you are able to endure; you do not need to know any more; but heed this from point to point, and in fact from the very first hour to the very last hour.

Walk this way through the entire earth within you, and in doing so, find the prodigal son within yourselves.

Do the same that this one has done and still does in each and every sinner who yearns for My Kingdom. In the innermost chamber of your spirit, on the tablet of your world-avidities with the world, allow That which you just now saw happening to take place on the tablet with the cosmic human being. Thus, will the prodigal son be found again in each one of you and will become his [own] nearest and dearest, comprehending all [that is Holy], as I showed you, since another human being has stepped in the place of the former one, who melted together onto one point; only then will all of you as found-again discover the immense Truth that is given to you; in addition, in the brightest light you see and recognize the Truth within yourselves.

As was said previously, that all people together constitute one human being, like one so are all, then also search for all the evil within all of your[soul]. And once you have found this evil and managed with My strong support to rid yourselves of it, then will I—as your Holy Father—who has already come to meet you halfway, come all the way to you. I will then free you completely from your rags and receive you into the immense [and glorious] and eternal house of the Father of My eternal Love!

Finally, I like to make you aware of this: Presently I have not only come toward you but have also already come towards many other prodigal sons.

However, direct your attention mainly within yourselves upon My arrival, and worry less about the overall one. What you feel, however, for the overall [arrival of My coming] … that carry prayerfully in your heart before Me, however, nothing else needs to concern you; the big When, How and Why is well guarded in the best hands. Amen. I, your grand, Holy, most affectionate Father, am saying this to you. AMEN."

Satan's Repatriation and Redemption – the actual abode of Satan

Ref: Earth and Moon by Jacob Lorber: 87

God the Father is speaking: "Many people might say: If this is so, it does not bode well for the hoped for reformation of the first-fallen spirit and his cohorts, because if the most abject part of his soul, the dregs and slag of all matter, remains behind as the foundation of a new creation, then his spirit will also be held captive in this slag, because a spirit never abandons his soul, be she substantial or material.

I say: Yea, it does not appear well for the reformation and repatriation of this spirit and his cohorts. There exists, however, a spark of a possibility, but it is so small that it could hardly be perceived even with a microscope. Only on the main examination of this spirit will it become apparent, when he recognizes that all of his psychical substance has been taken away and has proceeded into the magnificence of God. Then there will no longer be a sun nor an Earth in the vast realm of Creation because all visible bodies will have surrendered all of their prisoners. And physical matter will not be found anywhere, only the spiritual of a new Heaven and a new Earth. The old Earth will shrink like an apple that has gradually dried up. There will still be a remnant of all matter, namely the last slag of the genuinely Satanic, the most evil particles of psychical intelligence, which will not leave Satan's spirit and those of his cohorts.

To determine when this will occur would be of no benefit to anyone, because upon this physical Earth it will not be experienced by any human being. And in the spiritual world, what happens to the filth will be of very little concern to a perfect spirit.

What will happen is that this spirit will be thrown in the firmest of slag-shells into infinity, and his fall will never find an end. He will fall into the depth of depths, into the ocean of fury, and there he will find more torment the deeper he sinks into the ocean of fury, which becomes ever more violent, and which has no bottom. Although this ocean of fury is the fire of all fires, it will not be able to dissolve this lodging.

And there it will be as it is written: 'All wickedness has sunk into the eternal abyss, and it was devoured eternally, and there will be no longer any wickedness in all the spheres of infinity.'

As long as this Earth exists, it is possible for every spirit to embrace the path of repentance, humility, and reformation, and this includes even the worst spirit. Should, however, this time pass, the possibility of a return for times eternal becomes an impossibility. It will be yet quite a long time before the Earth shall have surrendered all her prisoners because the Earth still has significant size. Several millions of earth years will yet have to pass before the Earth will take her last examination in the fire of the sun. That which will lend itself to dissolution will reach its freedom. But that which the fire of the sun itself cannot dissolve will eternally remain slag as a prison for the Most Evil One – and that will be the last and the eternal death.

It is likewise valuable for you to know where the actual abode of the most evil spirit is located in this body of the Earth*. The dungeon of this spirit is in the center of the Earth, not in the heart or in any other of her organs. The seat of this evil spirit is essentially the most solid center, into which everything presses, so that he will not move too mightily and thereby destroy the Earth. If he were given the least amount of freedom, he would not only destroy the Earth in the twinkling of an eye but the entire visible creation. Within him lies an immense force which can only be restrained by the heaviest of chains. Only I alone as the Lord was able to lay him in chains. Even though he is in bondage in this degree, he is able to breathe his arch-evil into the ascending specifica. This breath of will is so mighty as to be able to implant death into all specifica of the soul, to which all human beings on Earth will forever remain subject, because everything organic is destructible and all matter carries within itself death and destruction.*

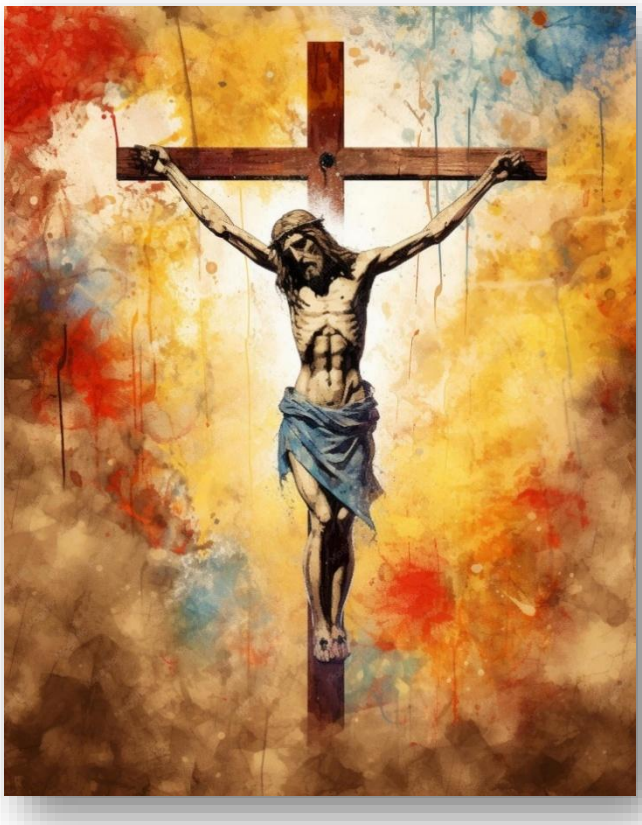

All this originates from the breath of will of the most evil one, whose wickedness is indescribable, and of which you will never have the faintest idea. If you had the slightest understanding of the actual evil of this spirit, that alone would

be deadly. Everything you have heard about this spirit is comprised merely of distant shadowy pictures that are enveloped from all sides by My protective mercy."

Satan and his followers will fall into the depth of depths, into the ocean of fury, and there he will find more torment the deeper he sinks into the ocean of fury, which becomes ever more violent, and which has no bottom. Although this ocean of fury is the fire of all fires, it will not be able to dissolve this lodging.

Words of Encouragement

The Seven Words of Christ

On the Cross

This booklet "The 7 Words of Jesus Christ on the Cross" was received in **1863** by the inner voice of the Spirit and written down in Graz by Antonie Grossheim, a woman who belonged to the group of friends of the great mystic and servant of God, Jakob Lorber.

Further details of Antonie Grossheim can be found in the short, interesting biography "Jakob Lorber", written by Lorber's friend Karl Gottfried Ritter von Leitner.

According to him, Antonie Grossheim was owner of a house in Graz and happily used her earthly possessions to perform good deeds. She was convinced about the profound writings of Jakob Lorber. She often supported the writer of God who lived in poverty.

Jesus is speaking: “MY child, listen. You will write a book, as a sign that it is the same to Me who I choose as instrument or who I select as carrier of My Word. Because not the great ones or intellectuals will experience what it means to be the Lord’s instrument. Also, I say to you that you still will have much to suffer and to bear. But do not worry, I will be at your side.

(As reaction to the thoughts of doubt of the writer regarding the question whether what she heard was truly coming from the Lord or could subconsciously come from her own soul): I want to prove to you, skeptic soul, that it is I, the Lord of Heaven and Earth, who write through your hand. Yes, I am writing Myself. And I want you to have love and trust. Therefore, believe now and trust.

I, your God and Father of eternity, command you the following: you should from now on dedicate one hour every day in the evening, by which I will dictate to you by means of your pen what I will announce to the world. Fear not, for I Myself am with you.”

1. Announcement of the Lord to his Children

Jesus is speaking: “You, My children, who are bound by sin and continue to dream in the sleep of your worldly senses, hear My words that I, as the only Lord of eternity, am revealing through the mouth of a virgin that I selected.

The time of the prediction of the prophets of the Old Testament, as well as what the seers have predicted about Me, was fulfilled with My former coming on your Earth. And now again the time has come that I predicted during My earthly life, when I said: There will be a time on Earth when even My elected ones would leave Me if it were allowed by Me. But I am taking care of this (that this extreme thing will not happen to My children).

However, all the others to whom everything is more precious than to seek your eternal destination and to acquire the means to reach that goal, I, as your Father and future Judge, advice you: leave the world and its temporary pleasures and return to Me in word and deed, as long as there is still time. For it will not be long anymore till My patience will be exhausted and you will experience the judgment of My wrath. For you know from the Scripture how terrible it is to fall from the hands of the living God. Also, I say to you: verily, verily, Heaven and Earth will perish but My Words will not perish.

When I lived in My earthly body among your human children on Earth, I gathered around Me sinners and toll collectors who were considered to be the most despicable people at that time. Therefore, I was despised and hated by the great and prominent so that I received the name of being a cunning agitator of the people and even a secret sinner. But I did not come to the Earth for the sake of the righteous ones but for the sake of those whose spirit is sick and for the sinners for whom I offered My life and blood.

My friends who remained faithful to Me stood around Me at the time of My crucifixion, as well as a big crowd, filled with malicious delight. Scornfully laughing they shouted: "He helped others before, now He cannot help Himself!" This strengthened the others in their belief that I was not God but rather a criminal who was abandoned by God.

After I had suffered for a long period of time and with much pain which I had to endure by the tormentors who did not spare their effort, the high priests saw that I might receive the death sentence as soon as possible from the highest Roman Court in order to still be able to taste of the joy to see Me die as painfully as possible. When the message of My death sentence arrived which said that I had to be crucified, My enemies rejoiced loudly and they tried to carry out their work as soon as possible.

2. The Seven Words of Jesus on the Cross

Jesus is speaking: "When the cruel tormentors robbed My clothes and being naked, they tied My hands and feet to the wood and also pierced them with many blunt nails, it happened that My tortured body sighed and said: **'Father, forgive them, for they do not know what they are doing.'** This was the first important word that I spoke in My grief regarding the former and future humanity and their sins.

When I was thus raised on the cross, My body, that was covered with blood and dust, looked so pitiful that it even touched the heart of the enemies who were present. But I saw that it was only a temporary feeling, and their compassion was not for Me but only their sense of beauty was upset.

Therefore, I said: **'I thirsty.'** But the tormentors did not know what I meant with these words, namely that I was thirsty for the salvation of so many souls whom I saw perishing while they were living in an illusion. And so, in order to torment Me even more, they gave Me gall mixed with vinegar to drink which I however despised.

Right at that moment the whole nature trembled, and the order of the elements was disrupted. The sun, as the example of the eternal light, lost its shine, as a sign that the human beings in their spiritual blindness did not see that the deity

withdrew under My body's mortal cover, submitting the body to physical death. This is why I spoke the words: **'My God, My God, why have You left Me?'**

It was not another God outside of Me to whom I called out, but to the deity in Me – God's Spirit and initial Power in its full magnitude. For only My physical cover was – just like with the human children – taken from the dust of the earth. And this also had to subdue itself in Me (to suffering and death). Therefore, matter, being left alone, was seeking for help. This in order to show that every human being on Earth should only seek God's help.

The time was coming that I, when I felt more and more weak, entrusted My soul to My heavenly Father. Then I saw My mother Mary who was so kind and faithful to Me, as well as My disciple John (who was also My secret writer), standing under the cross, and she was saddened unto death. And I spoke to both of them, saying the meaningful words: **'Mary, see your son.' And to John: 'See your mother.'** With these words I indicated that in a way I was making My testament and thereby entrusting the children of the world to the Spirit of God and appointed Mary as mother of the weak and sick souls in the flesh.

When it was 3 o'clock hour according to the Jewish calendar, the time of My physical death came near, and a trembling for death went through My bones. At that moment I saw the criminal Dismas who had been tied to a cross together with Me and longingly directed his eyes towards Me. Full of mercy I looked at him and I promised him that he would **'still today be with Me in Paradise.'**

After My ascension this word has until now given cause for many interpretations. The only correct one however is that every human soul after his physical death, to the measure of his completion, will come in a lower or higher degree of light and that even souls who already had done penance on this side for all the things that are of the Earth will at first only be able to reach paradise or the lower degree of bliss, for no soul can come in the highest bliss into the Heaven of Love before he is entirely purified. And so Dismas, through his love and trust in Me, had reached the first degree and it became possible to promise him Paradise.

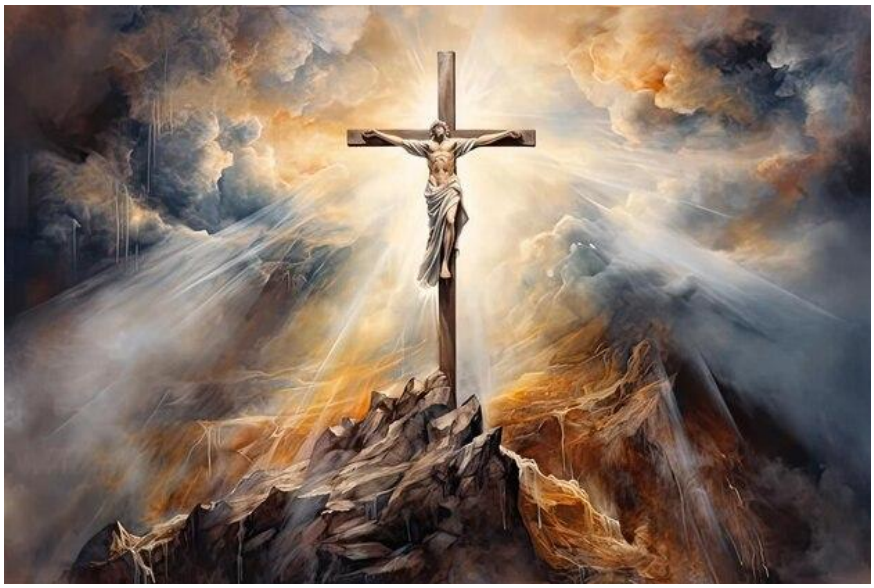

I was already dying when I spoke the words: **'Father, in Your hands I command My Spirit'**. This is also a word that is difficult to understand for many people. Because why should I, God Himself, command My Spirit in the hand of a God outside of Me? For this would mean that there are two gods. But this is not the case, and no one should be mistaken about this. Let everyone understand it this way: that only the outer cover (the soul) of My inner divine Spirit spoke these words, and these words should be understood precisely as what I formerly said during My life on Earth, saying about Myself: **'I, the Son of man, say to you this or that'**. In precisely the same way the life-force of the soul of My earthly body spoke on the cross the words**: 'Father, in Your hands I command My Spirit.'**

When the soul felt compelled to leave the body, I became weaker. And the people who stood around Me had a malicious delight and mocked Me. But I had to drink the cup unto the last drop and foresaw also that the yelling crowd would not be moved by My pain and struggle for death. And so, I said, when the last moment of My earthly life had come, the last word on Earth: **'It is accomplished.'**

O people, if only you were capable to understand this word. If you would completely understand what it means that God's Son has accomplished the great work of salvation for the whole of humanity, then not one soul would perish. But sin

came into the world through Adam, and therefore, as long as a being has to go through the earthly life by means of the flesh, sin and physical death will be part of the human children. And the power of evil and of Satan in matter was therefore (not completely taken away but) only broken by God's Son and His intercession.

(Now it is up to every soul, through faith and love, to follow the Mediator – in all humility and determination – the way that has been opened. And so, the work of salvation will also be accomplished for you, child of men.)"

'It is accomplished'

3. My Death and Removal of my Body from the Cross

Removing the body of Jesus from the Cross – Image represents the scourging, carrying of the cross and His death on the cross

Jesus is speaking: "After this My last word I died, or rather: My soul stepped out of matter and unified himself with My Initial Spirit, who was the eternal Spirit of God.

And I descended to the place where the souls of the patriarchs were waiting for the hour of salvation, for no creature could enter the peace of Heaven before the justice of God was reconciled by the great work of love of salvation. So, I freed the way again that was originally given to all beings but was once destroyed by the fall of the angels.

Adam had to repair that way again and had to lead the solidified matter, which enveloped all spiritual life, back to its beginning, for which reason the freedom of will was given to him. But he lost that freedom again by the sin of disobedience against God and fell again with all descendants ever deeper into judgment and death out of which there was forever no more hope for salvation. Then appeared the infinite Mercy and Love of the Eternal as Mediator and the Son of man, covered in the matter of the Earth, to free His creatures and lead them back to their fist and eternal destination.

When I hung on the cross, according to the prescribed Jewish law, the hour had come on which the bodies of the 3 criminals, among also I was counted, had to be taken off the cross, for it was the time of the days of rest when nobody was allowed to remain on the spot of execution. Then came My friends, who were mostly Romans and Greeks – also a few Jews were among them as My secret followers of My teaching – and they wanted to show their love for Me for the last time on Earth.

They bought My body from the supreme governor to be able to put it in the grave. And so, with mockery and scorn of the Jewish people I was taken off the cross by the few friends who still remained faithful to Me. And My mother, who was saddened unto death, fell before Me on the ground. And when she saw her child,

mutilated, bleeding and dead, she took My head on her lap under intense lamenting and countless tears.

You are asking what about the wound in My side that I forget to mention. Do not worry about that, for this injury was only inflicted upon Me when I already had left My earthly body, and it was only the arbitrary act of a merciful soldier who thought that I was perhaps still in a powerless deadly struggle. Through that, he wanted to deliver Me earlier from My terrible suffering. And by that he received, at the same moment that his spear pierced My heart, the mercy that his heart felt a unique pain. And he understood whose heart he had pierced."

4. Burial and Resurrection

Jesus is speaking: "When I, meaning My covering, was carried away to the grave that was located at quite a distance from the city of Jerusalem and belonged to the high priest Nicodemus. After they added a lot of aromatic herbs to My body according to eastern customs, they enveloped it in white linen cloths and laid it down in the grave. And My friends stood around Me, crying and lamenting. The faithful souls were filled with a heartrending grief when they thought that they had seen Me for the last time on Earth. And they returned while their soul was deeply saddened – this was already mentioned in the account of My suffering.

Here in this writing will only be mentioned My death and the predictions which will now soon come true, and which were pointed out to the blind people by the 7 words. Because now the time has come in which I will transform these words into deeds.

After I was laying 2 days in the grave to fulfill the Scripture, the time had come for My glorification and resurrection. And when the morning of the third day had come it happened that I, liberated from the bands of death and uniting the soul with the spiritualized body, ascended to My heavenly Father or Initial Spirit, and I gloriously arose as conqueror of death and Satan.

It happened during the first hours of the morning that I appeared to My Mother. Mary realizes then that it is not a vision, that it is Her Son *Who has really risen,* that is Her Jesus, the Son Who still loves Her as a Son. And with a cry, She flings Her arms round His neck, and She embraces and kisses Him, laughing in Her weeping. . .

Then to Mary of Magdalen in the garden who was deeply in sorrow and wanted to visit Me in the grave. When she saw Me she barely recognized Me and then fell overly rejoiced with tears of love at My feet and could hardly be calmed down. O how much joy gives such a love. On that day I also appeared to a few of My disciples.

Now finally the time had come that, after the fulfillment of My offering of death that was imposed to Me by the heavenly Father, I had still time and

opportunity to speak to My friends and explain to them the importance and the meaning of My bitter suffering and death. No account could be found anywhere in the world up to now of what I discussed with My disciples during that time till My ascension, since only something was mentioned in the letters of Paul to the Ephesians which is almost the same as My teaching when I was on Earth in the spiritual body.

When I saw that My disciples recognized Me and adhered to Me just like before, I brought them together in an inn outside of the city and spoke with them about My death and My resurrection as well as about My coming ascension to the Father. My friends were very saddened when they heard that I would leave them forever. But I comforted them and promised to send them a Comforter that would strengthen them and would lead them in all truth. With this comfort they were all satisfied.

Then I still instructed My favorite John about all the things that will happen to the nations in the long course of time. I also told him to put everything into writing what I would reveal to him regarding the future. This also happened. However, through later wars and conquests of the nations all those writings became lost.

So, listen and write again what I find good to reveal to you. "

5. Explanation of the Words on the Cross

Jesus is speaking: "A free will has been given to every human being to do what is good or evil, and with that to acquire bliss or on the other hand damnation. But God is omniscient and foresees the periods of time of eons as if they are 1 second. Therefore, the deity saw already in the beginning, at the fall of the first human pair, what disaster sin would bring, and what kind of wars, diseases and countless many other forms of evil would result of this in the course of time for the descendants in the far future.

In order to save, in any case, the human children from eternal death, there was no other way for the merciful love of the deity than to break the bands of eternal death by the incarnation of the eternal Word and the death of the One who became Man (Jesus). However, the temporary forms of evil are by that not abolished, for the consequence of sin is inevitably a punishment. And oh, in what kind of sea of sins and vices did men sink away by now.

When I, the Savior, was hanging on the cross, bleeding and dying for mankind, I spoke those 7 meaningful words because I saw the full dimension of their guilt and the consequences thereof, and now I will once more explain them for the salvation of the people.

The first word that I then spoke: **'Lord, forgive them, for they do not know what they are doing'** was not so much in relation to the blind Jews, but much more to those descendants who, after accepting My teaching and carrying My name, would in later times build temples for Me. Although I taught them that My Kingdom is not of this world, these people attached themselves so much to the earthly matter that My statement that I once spoke to the rich son of a Pharisee: **'Truly, I say to you: it is easier for a camel to go through the eye of a needle than for a rich person to enter the Kingdom'** applied completely to them.

My teaching speaks about humility, meekness, and tolerance for the weaknesses of fellowman. But oh, how seldom is this teaching applied. Exactly those who should be My disciples and carry My name are nowadays full of hate against their brothers who fell a prey to human weakness.

Did I not pray that all men should help one another as good brothers and sisters? But how seldom do they listen to this. Murder, robbery, quarrel and manslaughter, because My heavenly teaching is not observed, are all too visible, and in stubborn and arrogant disobedience they more or less lead even the better people to their downfall.

The second word is: **'I thirsty'**. O certainly I was thirsty there and still am thirsty for so many souls who in their illusion are going to ruin and who only seek their salvation in their worldly pleasures and who neither care about God nor about eternity.

But woe, woe, to such worldly people. A terrible judgment will break loose over them because the measure of their sins is more than full and only a short time is still given to them. And when also this will expire, they will be removed from the book of the living.

You ask Me in your thoughts that I each time threaten and still do not determine a time for My chastisement? On this I say to you and all who have ears to hear this is now precisely because I as your Father and eternal judge want to give every soul sufficient time and opportunity to acquire eternal salvation and so that no soul on the day of judgment can use the excuse by saying that his life was shortened.

My third word was: **'My God, My God, why have You left Me?'** Even My friends interpreted this word as a human weakness and they asked themselves why when I formerly pretended to be God, now in My agony of death I call to God, thinking that He had left Me.

O you nearsighted human beings. Do you not realize that only the Spirit in Me was God but the cover of the flesh on the other hand existed out of weak matter and, just like your bodies, had to be subjected to pain and suffering? For what would have been the merit if I – in this (human, weak and imperfect) cover – would have taken away the great guilt of men because matter in Me had to be obedient even unto the death on the cross?

Just like I Myself in My third word will once, on the great day of judgment, call out those who during their life were never or very little concerned about Me or My word. But when the time of mercy will be over, then no shout for mercy or compassion, no matter how loud it sounds, will be able to help.

Because look around you and you will see how the world makes progress in the field of worldly sciences, arts, and new discoveries. People examine the most secret powers of nature, and I allow that all My works are subjected to them since I created everything beautifully and to be of benefit for My children. But for what purpose are they using all their sciences? Only to enrich themselves with worldly treasures and to indulge in their pride and audacity. By that the wealthy forget completely their poor brothers who fall ever deeper in all kinds of need and misery, and in their lamentation, they call to Me for help and mercy.

Then why would I not take care of My poor children and save them from their heavy yoke of spiritual and physical slavery? And how would I then be able to give

mercy and compassion to those who do not know mercy and compassion themselves?

***The fourth word*: 'Mary, see your son, and you, son, see your mother.'** I did not actually speak this for My mother because I knew that My disciples would not leave My physical mother alone. But by that I rather wanted to show in a way what kind of love I carried in My heart for My children. I wanted to advise them all to trust the merciful love of God that was symbolically compared with the love of a mother. And with 'son' was meant the children of men who can make themselves worthy by the strict observation of My teaching.

But where among the people can one find the strict observation of My so simple teaching which is so much benefit for the salvation of the soul. Only a few of all My children are still observing half of My will. The others are either too entangled in their haughtiness or they are too much surrounded by too many worldly worries to care for My Word. So, My divine teaching has developed into almost an illusory teaching or a traditional custom, and by that sin is dominating among the people.

Therefore, it is the highest time in all earnest to bring back My children on the right way again. But unfortunately, this is not possible anymore with soft means, but only with all the severity of the judgment. For also the proverb says: 'The one who does not want to listen must feel'. This is why, to prevent the peoples, in their excessive blindness, from letting them completely sink down towards eternal death, I will have to let break out a serious chastisement over them.

I have warned and am still warning every individual person and whole nations in general through diseases, the failing of their worldly speculations, wars, inflations, and such like. In the past and at present I allowed people to, by their stubbornness, inflict on themselves and often on both sides, the greatest possible damage. And often all this is still in vain. People look for the causes of all those bad situations anywhere else, but instead of blaming themselves, in their sinful state they blame Me, their humble and tolerant God.

O blind people. How long must I still look at your foolish conduct? Do you perhaps think in your illusion that you can defy Me, your Lord and God? Woe unto you. In times of need for help you will raise your hands to Me in vain. When the time of mercy is over, then I will close My ears for your shouting and be deaf for your pleas, for you know that it is not enough to call out 'Lord, lord', but that it is important to always righteously walk on My ways that I have shown you if you want to be part of My mercy.

Now we come to the explanation of ***the fifth word*** that I have spoken on the cross. These words of comfort: **'Even today you will be with Me in Paradise'** I spoke to Dismas who hung at the cross at the right side of Me. However, these words were not only meant for him, but for everyone who accepts My teaching and lives according to it. Why I promised Dismas only Paradise and not Heaven I already made clear at the beginning of this booklet. Soon the time will come when only a few will be able to only acquire Paradise, for it is allowed by Me that people in their free will can do everything they want. And before the time of My great judgment will come, even evil spirits are given the freedom to turn to the initial Light for their conversion and return (by which of course the good angels are given the assignment to protect My children and to keep them from the traps of Satan). Then the word will

be fulfilled "There will come a time when, if it were allowed, even the believing would turn away".

What kind of time will that be, will you ask? And I say to you: this is a time of pride, arrogance, stinginess, sexual perversion, prostitution in all kinds of forms, which keeps all nations in its grip, and which makes them sink ever deeper in their pool of sins out of which eternally no return can be expected without My help.

With My ***sixth word***: **'Father, in Your hands I command My Spirit'** I wanted in a way to give all children of men the nice example that the soul has to return to his initial Source and that man should organize his life and live in such a way that at the end of his earthly course of life he can entrust his soul to his heavenly Father with joy and praise.

Then I spoke ***My last word***: **'It is accomplished.**' Yes, it was accomplished, the great work of salvation. But how much benefit has it been for the many thousands and thousands of souls, even when, through My death and mediation, they also were delivered from the original sin (but did not follow Me in spirit and in deeds)? Heaven was opened for them, but through their sinfulness, living without love and repentance, they drew again eternal damnation to themselves.

Children of men, as My first and last word I say to you again in the full earnest of My love: Repent. Return to your Lord and God in word and deed. Stop your usury and remember your poor brothers who beg for your mercy in vain. Remember the widows and orphans. And speak righteously to those who are immature.

For it is written: 'With the measure with which you measure, so will you also be measured.' Let the fate of former generations be a warning to you. As long as they remained faithful to God, they were successful and happy, but when they began only to trust themselves God turned away from those nations, and whole kingdoms were wiped out from the face of the Earth."

6. Afterwards

Jesus is speaking: "Now the 7 words were spoken again, and also their meaning has been revealed to you so that mankind can hear them and act accordingly.

But now you ask in your heart: 'Lord, how many will hear nothing of these words? Must they perish because they will be without any warning or knowledge of Your words?'

Then listen to what I reply to this: no human being, no matter what religion he may be, can say that he never has received a warning, either in words, in a teaching or by different trials in his life. To every individual it is pointed out that he was not only created for this world but that there is another eternal life following this short earthly life which can be really beneficial and give the soul a happy eternity.

In conclusion listen to the last admonition that I announce to you here and take it to heart: Watch and pray, so that you will not come into temptation, for you do not know neither the day nor the hour on which your Lord will come. And woe unto those if He will find them unprepared.

The day will not last long anymore. Evening will come and the time of judgment is at the door. He who will still in time turn to Me with remorse, love and humility, him I will save and remove from the number of those who are rejected

before My face. So, everyone is free to turn to Me or to throw himself blindly into eternal ruin.

So, hurry. Time flies by. The fig tree is already blooming as a sign that the winter (or the time of the spiritual sleep) is over and spring (or the time of the awakening from sin and delusion) has come and the people and nations are called for the judgment to give account of their actions and way of life.

I, the Lord, the Eternal and Infinite, tell you, children of men, that I have decided in My eternal decree to visit the world – this means the evil children of men who left Me and became unfaithful – with all kinds of plagues so that they may wake up from their sinful sleep.

If they want to come back, then this will be very good. However, if they want to be against Me in the evilness and stubbornness of their heart, then, in the zeal of My justice, I will not wait any longer and burn them as withered straw.

Because the children of My love are in need and call loudly to Me for help and mercy. And I, as an eternal loyal Father of all those who put their trust and hope upon Me, I no longer want to let them languish under the evilness of the enemies of the Light and of the eternal Truth from the Heavens.

Although the signs of My return on Earth are increasing, the end has not been reached yet. And as long as the Earth will not be purified from all the evil weed, I will not appear.

But do not become discouraged by that, My children, and do not become afraid. Even if I am still not visibly with You, I nevertheless say to you: truly, I am spiritually always with you and strengthen and comfort you in spirit.

So, wait quietly and in full trust for the time, or till the full light will have developed itself from the darkness of the night, and you will see the rising of the sun of My glory that will enlighten and warm all hearts forever.

May this announcement of your Lord and Father Jesus be an encouragement to you to faithfully persevere in your work. Amen. "

No human being, no matter what religion he may be, can say that he never has received a warning, either in words, in a teaching or by different trials in his life. To every individual it is pointed out that he was not only created for this world but that there is another eternal life following this short earthly life which can be really beneficial and give the soul a happy eternity.

Amen

Blessed are they who wash their robes so as to have the right to the Tree of Life and enter the city through its gates. *(Rev22:12-14)*

. . . and the Word became Flesh

In the beginning was the Word, and the Word was with God, and the Word was God. All things came to be through Him, and without Him nothing came to be. And the Word became flesh and made His dwelling among us, and we saw His glory, the glory of the Father's only Son, full of grace and truth. All would be brought to the feet of the Father to glorify and praise Him. He has given every rational creature the knowledge and means to get to his destiny. He is thus the first and last, the ***Alpha and Omega of Creation*** showing the reason for the existence of all creatures and impelling them gently and reasonably to attain their last end.

Then He will bring with Him the recompense that He will give to each according to his deeds.

I have loved you with an everlasting love.
Nothing you can ever do can change My love for you. (Jer. 31:3)

The Father's House

BD No. 5617 of 03/09/1953 taken from book 62

God the Father is speaking: "You shall enter into My paternal house; you shall dwell in eternity where I once placed you to be most blissfully active. But then you will be able to behold your God and Father of eternity in Jesus Christ, I Myself will be amongst you and your bliss will be and remain without bounds, for in eternity the glory of My kingdom has no end. That which you can achieve on earth is so inconceivable and overwhelming that you would no longer strive for anything else on earth were you able to imagine this glory. But you must strive for My kingdom without this knowledge, you must return to your Father's house of your own free will, because beatitude will only be your fate on condition that the being has voluntarily attained perfection. One day this beatitude is destined for you, nevertheless, it is left up to yourselves as to how long you still want to delay your homecoming into your Father's house, the time is determined by yourselves, and when your body dies it can already be over and have gained you perfection on this earth. I await all of you and have prepared the mansion for you. Allow these Words of Mine to take effect in you, let yourselves be motivated to seriously strive towards coming to Me in My kingdom, imagine the most glorious fate and you will not come anywhere near the true idea of that which I have prepared for My Own, for those who love Me with all their heart and soul. And you can attain all this by merely keeping My commandment of loving Me and your fellow human being. Through unselfish love you shall shape yourselves such that you can be accepted into the spiritual kingdom with all its light without fading away. Then you will be able to enter into your Father's house, then I Myself will come to meet you and guide all of you towards the glories and in My presence, permeated by My love, you will be and remain indescribably happy for all eternity."

You're Loving Father

This is the Voice of the Teacher

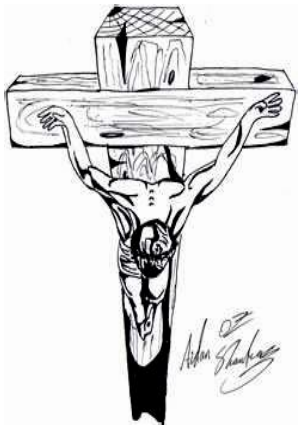

"It roars and caresses. It roars when it is addressed to those who do not want to be converted. It caresses when it speaks to those who, though imperfect, have the 'good will' to find God and his Word and, having found them, to sanctify themselves. For these it becomes the caress of a Friend and the blessing of Jesus." Ref: PMG V5:923

"Unfortunately, the world does not want to be saved. Only one in a thousand will be willing to know Me, and only one in ten thousand will really follow Me. And I will say even more. I will not be known even by My most intimate friends; To know means to love with loyalty and virtue." Ref: PMG Vol.1-46

As we enter into the period of the great tribulation, we need to hear the word of the Lord proclaimed clearly and forcefully like a clear trumpet. **If the bugle's sound is uncertain, who will get ready for the *battle*?** (1 Cor 14:8). **Who will be able to listen and act? Who will be able to say with Samuel, 'Speak, Lord, for your servant is listening?'** (1 Sam 3:9)

Harden not your heart and be open to the voice of the Holy Spirit
prepare your soul now for the coming of the Lord

"I Am with you always
even unto the end of the world"

Jesus is speaking: "And I say to you: 'Take,' do take this work and '*do not seal it'* but read it and have it read '*because the time is close*' and let those who are holy become holier. (John, Revelation, 22:10)

May the grace of your Lord Jesus Christ be with all those who in this book see an approach of Mine and urge it to be accomplished, to their defense, with the cry of Love: 'Come, Lord Jesus.'

I will always be with you because it is pleasant to Me to be with those who love Me." MV Vol5: 951
